*Oxford Reading Tree Traditional Tales: Singles Pack* Frances  
Lincoln Limited

A hilarious read-aloud inspired by Irish folklore that's perfect for St. Patrick's Day, featuring colorful artwork in Tomie dePaola's signature style. Jamie O'Rourke is the laziest man in all of Ireland, far too lazy to help his wife on their farm. Then, after a chance encounter with a leprechaun, Jamie finds himself growing the biggest potato in the world. But what will happen when the potato grows too large for Jamie and the villagers to handle?

The sky god Nyame owns all the stories in the world. He keeps them to himself in a box in his kingdom in the clouds. But Anansi thinks the stories should be shared by all creatures. So one day he strikes a bargain with the sky god. If Anansi can trick some of the earth's fiercest and quickest creatures, Nyame will share his stories. Learn how Anansi wins the box of stories in this ancient tale from West Africa.

*Anansi and the Pot of Beans* Macmillan

A collection of favourite tales gathered from the many different islands of the Caribbean, one of the world's richest sources of traditional storytelling. From the very first Kingfisher to Anansi the Spider Man, these lively retellings full of humour and pathos, are beautifully retold by Trish Cooke. The book includes endnotes with a glossary, additional information as well as ideas for activities that children can do to explore the stories further.

In the Small, Small Pond is a 1994 Caldecott Honor Book.

*Multimodal Literacy* Houghton Mifflin Harcourt

Why do underdogs succeed so much more than we expect? How do the weak outsmart the strong? In David and Goliath Malcolm Gladwell, no.1 bestselling author of *The Tipping Point*, *Blink*, *Outliers* and *What the Dog Saw*, takes us on a scintillating and

surprising journey through the hidden dynamics that shape the balance of power between the small and the mighty. From the conflicts in Northern Ireland, through the tactics of civil rights leaders and the problem of privilege, Gladwell demonstrates how we misunderstand the true meaning of advantage and disadvantage. When does a traumatic childhood work in someone's favour? How can a disability leave someone better off? And do you really want your child to go to the best school he or she can get into? *David and Goliath* draws on the stories of remarkable underdogs, history, science, psychology and on Malcolm Gladwell's unparalleled ability to make the connections others miss. It's a brilliant, illuminating book that overturns conventional thinking about power and advantage. 'A global phenomenon... there is, it seems, no subject over which he cannot scatter some magic dust' Observer

Anansi the Spider's plan to trick his friend Turtle into doing all the work while he teaches Anansi to catch fish somehow gets turned around. While Anansi doesn't learn his lesson, he does learn the invaluable skill of weaving.

**In the Small, Small Pond** August House

Presents a West African tale in which the clever monkey faces a mean lion who has been bullying the other animals. Original.

*Amazing Grace* Penguin

Set in Accra, Ghana, *The Ghanaian Goldilocks* is a modern twist on the classic Goldilocks fairytale. Like traditional kente cloth, West African culture and themes are woven seamlessly into the story of a boy with sun lightened hair named Kofi, better known to his friends and family as Goldilocks. Like the Goldilocks in the traditional tale, Kofi has been known to get into some trouble here and there, but it's an unexpected visit to a neighbor's house that teaches him a valuable lesson of a lifetime.

**Pretty Salma** Harper Collins

"Terheyden's narration makes the characters come alive. A truly delightful addition to any collection." - School Library Journal

**Freckle Juice** Lerner Publishing Group

Read Along or Enhanced eBook: Did you ever wonder why spiders

have no hair? After reading this African trickster tale, you will know. When Anansi goes to help his grandmother, he can't resist her steaming, hot pot of beans. Co-authors Bobby and Sherry Norfolk take a wonderful new look at a classic African story.

**10 Minutes a Day** Bloomsbury Publishing

Read Along or Enhanced eBook: When the animals get together in the jungle, they discover that the noise that they have been making is indeed music. Celebrated author and master storyteller, Dylan Pritchett weaves a tale that helps us discover that we all have music inside just waiting to come out when the time is right. This original award winning story is based on the model of traditional African folktales.

With a very simple text accompanied by rich, vibrant illustrations a young narrator describes what it means to be a child with rights -- from the right to food, water and shelter, to the right to go to school, to the right to be free from violence, to the right to breathe clean air, and much more. The book emphasizes that these rights belong to every child on the planet, whether they are "black or white, small or big, rich or poor, born here or somewhere else." It also makes evident that knowing and talking about these rights are the first steps toward making sure that they are respected. A brief afterword explains that the rights outlined in the book come from the Convention on the Rights of the Child, which was adopted by the UN General Assembly in 1989. The treaty sets out the basic human rights that belong to children all over the world, recognizing that children need special protection since they are more vulnerable than adults. It has been ratified by 193 countries, with the exception of Somalia and the United States. Once a country has ratified the document, they are legally bound to comply with it and to report on their efforts to do so. As a result, some progress has been made, not only in awareness of children's rights, but also in their implementation. But there are still many countries, wealthy and poor, where

children's basic needs are not being met. To read a summary of the Convention on the Rights of the Child, go to [www.unicef.org/crc/files/Rights\\_overview.pdf](http://www.unicef.org/crc/files/Rights_overview.pdf).

**Anansi and the Box of Stories** Triangle Interactive, Inc. Accompanied by Nana, Grace travels to Africa to visit her father, who left home when she was little, and learns that love can be without bounds, even in divided families. By the author of *Amazing Grace*  
*Handwriting Made Easy: Confident Writing, Ages 7-11 (Key Stage 2)* Simon and Schuster

Mufaro was a happy man. Everyone agreed that his two daughters were very beautiful. Nyasha was kind and considerate as well as beautiful, but everyone -- except Mufaro -- knew that Manyara was selfish, badtempered, and spoiled. When the king decided to take a wife and invited "The Most Worthy and Beautiful Daughters in the Land" to appear before him, Mufaro declared proudly that only the king could choose between Nyasha and Manyara. Manyara, of course, didn't agree, and set out to make certain that she would be chosen. John Steptoe has created a memorable modern fable of pride going before a fall, in keeping with the moral of the folktale that was his inspiration. He has illustrated it with stunning paintings that glow with the beauty, warmth, and internal vision of the land and people of his ancestors.

". . . a wonderful teaching tool for those who are welcoming refugees into their community."—The New York Times With haunting echoes of the current refugee crisis this beautifully illustrated book explores the unimaginable decisions made as a family leave their home and everything they know to escape the turmoil and tragedy brought by war. This book will stay with you long after the last page is turned. From the author: The Journey is actually a story about many journeys, and it began with the story of two girls I met in a refugee center in Italy. After meeting them I realized that behind their journey lay something very powerful. So I began collecting more stories of migration and interviewing many people from many different countries. A few months later, in September 2014, when I started studying a Master of Arts in

Illustration at the Academy of Lucerne, I knew I wanted to create a book about these true stories. Almost every day on the news we hear the terms "migrants" and "refugees" but we rarely ever speak to or hear the personal journeys that they have had to take. This book is a collage of all those personal stories and the incredible strength of the people within them.
