ONEILL AUGUST

Dreyer's English Little, Brown
 Winner of the Newbery Medal, Coretta Scott King Author Award, and Kirkus Prize for Young Readers' Literature! Perfect for fans of Raina Telgemeier and Gene Luen Yang, *New Kid* is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real, from award-winning author-illustrator Jerry Craft. Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he

makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? This middle grade graphic novel is an excellent choice for tween readers, including for summer reading. *New Kid* is a selection of the Schomburg Center's Black Liberation Reading List. Plus don't miss Jerry Craft's *Class Act!*
Bloom HarperCollins
 The *Negro Motorist Green Book* was a groundbreaking guide that provided African American travelers with crucial information on safe places to stay, eat, and visit during the era of segregation in the United States. This essential resource,

originally published from 1936 to 1966, offered a lifeline to black motorists navigating a deeply divided nation, helping them avoid the dangers and indignities of racism on the road. More than just a travel guide, *The Negro Motorist Green Book* stands as a powerful symbol of resilience and resistance in the face of oppression, offering a poignant glimpse into the challenges and triumphs of the African American experience in the 20th century.

Family Guy: The Official Episode Guide Bloomsbury Publishing USA
 Foreword by Seth MacFarlane On the twentieth anniversary of the seven-time Emmy Award-winning Fox animated television series comes *Inside Family Guy: An Illustrated History*, a fully illustrated, full-color visual guide honoring its reign—from storyboards to character

sketches to script excerpts to cast and crew interviews—and giving fans exclusive access behind the scenes. This comprehensive guide is an essential collector's item for the millions and millions of Family Guy fans around the world. Featuring 240 pages of concept art, exclusive interviews with crew and cast members—including Seth MacFarlane, Seth Green, Mila Kunis, Alex Borstein, and Mike Henry—script excerpts, production notes, and countless insights on the making of the episodes as well as fan favorite characters Meg Griffin, Stewie Griffin, Glenn Quagmire, Brian Griffin, Lois Griffin, and Cleveland Brown, this is the ultimate guide to one of the most popular animated shows ever created.

Commentary from the crew will walk fans through every step of production, from conception meetings to the final print, detailing not only the artistic process but the history of its creation as well. Featuring storyboards, costume designs, reference photographs, immaculate background paintings and much more, the world of Family Guy and its memorable characters has never been revealed in such gorgeous detail before.

Into the Wild McGill-Queen's Press - MQUP

The New York Times Bestseller, with a new afterword "[Michael Lewis's] most ambitious and important book." —Joe Klein, New York Times Michael Lewis's brilliant narrative of the Trump administration's botched presidential transition takes us into the engine rooms of a government under attack by its leaders through willful ignorance and greed. The government manages a vast array of critical services that keep us safe and underpin our lives from ensuring the safety of our food and drugs and predicting extreme weather events to tracking and locating black market uranium before the terrorists do. The Fifth Risk masterfully and vividly unspools the consequences if the people given control over our government have no idea how it works.

Plunder of the Commons Vintage

A funny, colorful, fascinating tour through the work and life of one of today's most influential graphic designers. Esquire. Ford Motors. Burton Snowboards. The Obama Administration. While all of these brands are vastly different, they share at least one thing in common: a teeny little bit of Aaron James Draplin. Draplin is one of the new school of influential graphic designers who combine the power of design, social media, entrepreneurship, and DIY aesthetic to create a successful business and way of life. Pretty Much Everything is

a mid-career survey of work, case studies, inspiration, road stories, lists, maps, how-tos, and advice. It includes examples of his work—posters, record covers, logos—and presents the process behind his design with projects like Field Notes and the "Things We Love" State Posters. Draplin also offers valuable advice and hilarious commentary that illustrates how much more goes into design than just what appears on the page. With Draplin's humor and pointed observations on the contemporary design scene, Pretty Much Everything is the complete package.

Tragedy Plus Time Simon and Schuster
A "gripping" memoir (Rolling Stone) of one man's descent into the depths of addiction and self-destruction—and his successful renewal of family ties that had become almost irreparably frayed. On the surface, Cameron Douglas had everything: descended from Hollywood royalty (son of Michael Douglas, grandson of Kirk Douglas), he was born into a life of wealth, privilege, and comfort. But by the age of thirty, he had become a drug addict, a thief, and—after a DEA drug bust—a convicted drug dealer sentenced to five years in prison, with another five years added while he was incarcerated. Through supreme willpower, a belief in himself, and a steely desire to alter his life's path, Douglas began to reverse his trajectory, to understand and deal with the psychological turmoil that tormented him for years, and to prepare for what would be a profoundly challenging but successful reentry into society at large.

So You're Going Bald! Thomas Dunne Books

Find out what's going on any day of the year, anywhere across the globe! The world's date book, Chase's is the definitive day-by-day resource of what America and the world are celebrating and commemorating. Leonardo da Vinci's 500th death anniversary The 100th anniversary of the 1919 World Series Scandal The 50th anniversary of the Apollo 11 moon landing The 200th birthdays of Queen Victoria and Walt Whitman The 150th birth anniversary of Mohandas Gandhi and the 100th birth anniversary of Jackie Robinson Scores of new holidays and national days Birthdays of new world leaders, office holders, and breakout stars And much more! All from the reference book that NPR's Planet Money calls the "Oxford English Dictionary of holidays."

The Fifth Risk: Undoing Democracy John Wiley & Sons

A Best Book of the Year: The Washington Post • Chicago Tribune • NPR • Vogue • Elle • Real Simple • InStyle • Good Housekeeping • Parade • Slate • Vox • Kirkus Reviews • Library Journal • BookPage Longlisted for the 2020 Booker Prize An Instant New York Times Bestseller A Reese's Book Club Pick "The most provocative page-turner of the year." -- Entertainment Weekly "I urge you to read Such a Fun Age." --NPR A striking and surprising debut novel from an exhilarating new voice, Such a Fun Age is a page-turning and big-hearted story about race and privilege, set around a young black babysitter, her well-intentioned employer, and a surprising connection that threatens to undo them both. Alix Chamberlain is a woman who gets what she wants and has made a living, with her confidence-driven brand, showing other women how to do the same. So she is shocked when her babysitter, Emira Tucker, is confronted while watching the Chamberlains' toddler one night, walking the aisles of their local high-end supermarket. The store's security guard, seeing a young black woman out late with a white child, accuses Emira of kidnapping two-year-old Briar. A small crowd gathers, a bystander films everything, and Emira is furious and humiliated. Alix resolves to make things right. But Emira herself is aimless, broke, and wary of Alix's desire to help. At twenty-five, she is about to lose her health insurance and has no idea what to do with her life. When the video of Emira unearths someone from Alix's past, both women find themselves on a crash course that will upend everything they think they know about themselves, and each other. With empathy and piercing social commentary, Such a Fun Age explores the stickiness of transactional relationships, what it means to make someone "family," and the complicated reality of being a grown up. It is a searing debut for our times.

Chase's Calendar of Events 2019

McFarland

The hand-written, pun-packed "Burger of the Day" special on the Belcher's restaurant chalkboard is one of the show's best sight gags and a fan favorite. Now, Bob's Burgers fans can grill up 75 of the best burgers Bob Belcher ever created with this hilarious cookbook. This fantastic collection of recipes lists which season and episode each burger comes from, and it also includes original artwork exclusive to the cookbook, plus all-new character commentary from the entire Belcher family as well as beloved characters including Teddy, Jimmy Pesto Jr., and Aunt Gayle. Along with some general cooking tips on how to turn out the best burgers and fries, a selection of the recipes included are: The "Bleu is the Warmest Cheeseburger" The "Bruschetta-Bout-It Burger" The "Texas Chainsaw Massa-Curd Burger" The "We're Here, We're Gruyère, Get Used to It Burger" The "I Know Why the Cajun Burger Sings Burger" The "Final Kraut-Down Burger" All recipes originated from Cole Bowden's wildly popular "The Bob's Burger Experiment" blog and were further developed together with Bouchard and the rest of the Bob's Burgers writing team. Ravenous Bob's Burgers fans can now create the ultimate Bob's Burgers experience at home—why not make the burger, then put on the episode where it appears!

MOX Simon and Schuster

Seth MacFarlane has made an immense mark on popular culture through both his live action and animated television series: Family Guy, American Dad!, The Cleveland Show, and The Orville. While MacFarlane has garnered a large legion of fans, even those who do not personally watch Family Guy, this longest running series, will be quick to recognize images of Peter and Stewie Griffin: a caricature of the clueless dads from sitcoms of yesteryear and an inexplicably queer-coded evil baby genius, respectively. This book explores Family Guy and Seth MacFarlane's other animated series closely, examining how the series uses satire and other strategies to construct specific ideas related to sex, gender, and family. The authors argue that the series, like many other television series, contribute to our collective understanding of family, and reinforce (at times) unfavorable gender stereotypes. On Earth We're Briefly Gorgeous Crown 'A passionate, provocative book. It isn't just a self-help book. It is a manifesto for a better society' Sunday Times 'One of the most rigorous articulations of the new mood of acceptance...a persuasive demolition of many of our cultural stories about how we ought to live' Oliver

Burkeman, Guardian Paul Dolan, the bestselling author of Happiness by Design, shows us how to escape the myth of perfection and find our own route to happiness. Be ambitious; find everlasting love; look after your health ... There are countless stories about how we ought to live our lives. These narratives can make our lives easier, and they might sometimes make us happier too. But they can also trap us and those around us. In Happy Ever After, bestselling happiness expert Professor Paul Dolan draws on a variety of studies ranging over wellbeing, inequality and discrimination to bust the common myths about our sources of happiness. He shows that there can be many unexpected paths to lasting fulfilment. Some of these might involve not going into higher education, choosing not to marry, rewarding acts rooted in self-interest and caring a little less about living forever. By freeing ourselves from the myth of the perfect life, we might each find a life worth living.

Inside Family Guy First Second

** A New York Times Bestseller ** NAMED ONE OF THE BEST BOOKS OF THE YEAR BY: Time • The New Yorker • NPR • GQ • Elle • Vulture • Fortune • Boing Boing • The Irish Times • The New York Public Library • The Brooklyn Public Library "A complex, smart and ambitious book that at first reads like a self-help manual, then blossoms into a wide-ranging political manifesto."—Jonah Engel Bromwich, The New York Times Book Review One of President Barack Obama's "Favorite Books of 2019" Porchlight's Personal Development & Human Behavior Book of the Year In a world where addictive technology is designed to buy and sell our attention, and our value is determined by our 24/7 data productivity, it can seem impossible to escape. But in this inspiring field guide to dropping out of the attention economy, artist and critic Jenny Odell shows us how we can still win back our lives. Odell sees our attention as the most precious—and overdrawn—resource we have. And we must actively and continuously choose how we use it. We might not spend it on things that capitalism has deemed important ... but once we can start paying a new kind of attention, she writes, we can undertake bolder forms of political action, reimagine humankind's role in the environment, and arrive at more meaningful understandings of happiness and progress. Far from the simple anti-technology screed, or the back-to-nature meditation we read so often, How to do Nothing is an action plan for thinking outside of capitalist narratives of efficiency and techno-determinism.

Provocative, timely, and utterly persuasive, this book will change how you see your place in our world.

Chaos HarperCollins

In the game of love you can't afford to drop the ball... Zoe's always been shy. At college, to try to help her, her friend dares her to do the craziest thing she can think of... kiss a random guy. She follows Dylan into a room she thinks is a classroom and ends up seeing a little too much of him. She can hardly kiss him now... not when after their embarrassing encounter and certainly not after he tells her he has a girlfriend. But when he finds out about the dare, the two make a pact... if they ever cross paths again - and they're both single - they'll kiss. Two years later, fate intervenes, and they end up as accidental roommates. Now Zoe's seeing a lot more of Dylan than she bargained for and it's even harder to resist peeking the second time round.

A Good Girl's Guide to Murder TokyoPop

The complete 411 on the First 50 episodes of this mega cult hit! If you consider Spooner Street in Quahog to be the center of the TV universe, this is the book for you! It's packed with details from each and every episode of the first three seasons of the Emmy-nominated series. Learn more about Peter, Lois, Meg, Chris, Stewie, Brian, and friends than you can shake a stick at -- or, in Brian's case, shake a martini at! There's a ton of insider stuff too: Commentary from the show's creator, producers, writers, and voice-over artists, including thoughts about those guys at Fox who did the unthinkable (like canceling the show) ... and then the unheard of (like bringing it back to the network!) Behind-the-scenes jokes and pranks Subtle things you may have missed And lots more It's all here -- Family Guy, uncanceled, unbanned, and uncensored! It's a must-have for all Family Guy fans. *New Kid* W. W. Norton & Company #1 NEW YORK TIMES BESTSELLER • David Brooks challenges us to rebalance the scales between the focus on external success—"résumé virtues"—and our core principles. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE ECONOMIST With the wisdom, humor, curiosity, and sharp insights that have brought millions of readers to his New York Times column and his previous bestsellers, David Brooks has consistently illuminated our daily lives in surprising and original ways. In *The Social Animal*, he explored the neuroscience of human connection and how we can flourish together. Now, in *The Road to Character*, he focuses on the deeper values that should inform our lives. Looking to some of the world's greatest

thinkers and inspiring leaders, Brooks explores how, through internal struggle and a sense of their own limitations, they have built a strong inner character. Labor activist Frances Perkins understood the need to suppress parts of herself so that she could be an instrument in a larger cause. Dwight Eisenhower organized his life not around impulsive self-expression but considered self-restraint. Dorothy Day, a devout Catholic convert and champion of the poor, learned as a young woman the vocabulary of simplicity and surrender. Civil rights pioneers A. Philip Randolph and Bayard Rustin learned reticence and the logic of self-discipline, the need to distrust oneself even while waging a noble crusade. Blending psychology, politics, spirituality, and confessionals, *The Road to Character* provides an opportunity for us to rethink our priorities, and strive to build rich inner lives marked by humility and moral depth. "Joy," David Brooks writes, "is a byproduct experienced by people who are aiming for something else. But it comes." Praise for *The Road to Character* "A hyper-readable, lucid, often richly detailed human story."—The New York Times Book Review "This profound and eloquent book is written with moral urgency and philosophical elegance."—Andrew Solomon, author of *Far from the Tree* and *The Noonday Demon* "A powerful, haunting book that works its way beneath your skin."—The Guardian "Original and eye-opening . . . Brooks is a normative version of Malcolm Gladwell, culling from a wide array of scientists and thinkers to weave an idea bigger than the sum of its parts."—USA Today

Family Guy Volume 1 Little, Brown

From a writer/producer of *Family Guy*, a satirical look at a dysfunctional southern family complete with an overbearing stage mom, a 9 year-old pageant queen, a cheating husband, his teenage girlfriend, a crazy grandmother, and Jesus. After eight-and-a-half years and three hundred twenty-three pageants, Miranda Miller has become the ultimate stage mother. Her mission in life is to see that her nine-year-old daughter, Bailey, continues to be one of the most successful child pageant contestants in the southern United States. But lately, that mission has become increasingly difficult. Bailey wants to retire and has been secretly binge eating to make herself "unpageantable;" and the reality show Miranda has spent years trying to set up just went to their biggest rival. But Miranda has a plan. She's seven months pregnant with her fourth child, a girl (thank God), and she is going to make damn sure this one is even more

successful than Bailey, even if the new girl is a little different. Miranda's husband, Ray, however, doesn't have time for pageants. A full-time nurse, Ray spends his days at the hospital where he has developed a habit of taking whatever pills happen to be lying around. His nights are spent working hospice and dealing with Courtney, the seventeen-year-old orphan granddaughter of one of his hospice patients who he has, regrettably, knocked up. With a pregnant wife, a pregnant teenage mistress, two jobs, a drug hobby, and a mountain of debt, Ray is starting to take desperate measures to find some peace. Meanwhile, the Millers' two sons are being homeschooled by Miranda's mother, Joan (pronounced Jo-Ann), a God-fearing widow who spends her free time playing cards and planning a murder with Jesus. Yes, Jesus. A bright new voice in satirical literature, Kirker Butler pulls no punches as he dissects our culture's current state of affairs. It's really funny, but it's also pretty ugly.

The Madness of Crowds University of Texas Press

A journalist's twenty-year fascination with the Manson murders leads to "gobsmacking" (The Ringer) new revelations about the FBI's involvement in this "kaleidoscopic" (The New York Times) reassessment of an infamous case in American history. Over two grim nights in Los Angeles, the young followers of Charles Manson murdered seven people, including the actress Sharon Tate, then eight months pregnant. With no mercy and seemingly no motive, the Manson Family followed their leader's every order - their crimes lit a flame of paranoia across the nation, spelling the end of the sixties. Manson became one of history's most infamous criminals, his name forever attached to an era when charlatans mixed with prodigies, free love was as possible as brainwashing, and utopia -- or dystopia -- was just an acid trip away. Twenty years ago, when journalist Tom O'Neill was reporting a magazine piece about the murders, he worried there was nothing new to say. Then he unearthed shocking evidence of a cover-up behind the "official" story, including police carelessness, legal misconduct, and potential surveillance by intelligence agents. When a tense interview with Vincent Bugliosi -- prosecutor of the Manson Family and author of *Helter Skelter* -- turned a friendly source into a nemesis, O'Neill knew he was onto something. But every discovery brought more questions: Who were Manson's real friends in Hollywood, and how far would they go to hide their ties? Why didn't law

enforcement, including Manson's own parole officer, act on their many chances to stop him? And how did Manson -- an illiterate ex-con -- turn a group of peaceful hippies into remorseless killers? O'Neill's quest for the truth led him from reclusive celebrities to seasoned spies, from San Francisco's summer of love to the shadowy sites of the CIA's mind-control experiments, on a trail rife with shady cover-ups and suspicious coincidences. The product of two decades of reporting, hundreds of new interviews, and dozens of never-before-seen documents from the LAPD, the FBI, and the CIA, Chaos mounts an argument that could be, according to Los Angeles Deputy District Attorney Steven Kay, strong enough to overturn the verdicts on the Manson murders. This is a book that overturns our understanding of a pivotal time in American history.

Talking to Strangers Disney Electronic Content

Fast-paced history-cum-memoir about rock climbing in the wild-and-wooly '80s Highlights ground-breaking achievements from the era Hangdog Days vividly chronicles the era when rock climbing exploded in popularity, attracting a new generation of talented climbers eager to reach new heights via harder routes and faster ascents. This contentious, often entertaining period gave rise to sport climbing, climbing gyms, and competitive climbing--indelibly transforming the sport. Jeff Smoot was one of those brash young climbers, and here he traces the development of traditional climbing "rules," enforced first through peer pressure, then later through intimidation and sabotage. In the late '70s, several climbers began introducing new tactics including "hangdogging," hanging on gear to practice moves, that the old guard considered cheating. As more climbers broke ranks with traditional style, the new gymnastic approach pushed the limits of climbing from 5.12 to 5.13. When French climber Jean-Baptiste Tribout ascended To Bolt or Not to Be, 5.14a, at Smith Rock in 1986, he cracked a barrier many people had considered impenetrable. In his lively, fast-paced history enriched with insightful firsthand experience, Smoot focuses on the climbing achievements of three of the era's superstars: John Bachar, Todd Skinner, and Alan Watts, while not neglecting the likes of Ray Jardine, Lynn Hill, Mark Hudon, Tony Yaniro, and Peter Croft. He deftly brings to life the characters and events of this raucous, revolutionary time in rock climbing, exploring, as he says, "what happened and why it mattered, not only to me but to the people involved and those who have

followed.”

Family Guy: It takes a Village Idiot, and I Married One Penguin UK

Malcolm Gladwell, host of the podcast Revisionist History and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? Talking to Strangers is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in

ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller *David and Goliath*, Malcolm Gladwell has written a gripping guidebook for troubled times.

The Hardest Fall HarperCollins
A NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER
An intimate, powerful, and galvanizing memoir by Pulitzer Prize winner, human rights advocate, and former US Ambassador to the UN Samantha Power. Named one of the best books of the year: The New York Times • National Public Radio • Time • The Economist • The Washington Post • Vanity Fair • Christian Science Monitor • Publishers Weekly • Audible “Her highly personal and reflective memoir . . . is a must-read for anyone who cares about our role in a changing world.”—President Barack Obama Includes an updated afterword Tracing her distinctly American journey from immigrant to war correspondent to presidential Cabinet official, Samantha Power's acclaimed memoir is a unique blend of suspenseful storytelling, vivid character portraits, and shrewd political insight. After her critiques of US foreign policy caught the eye of Senator Barack Obama, he invited her to work with him on Capitol Hill and then on his presidential campaign. When Obama won the presidency, Power went from being an activist outsider to serving as his human rights adviser and, in 2013, becoming the

youngest-ever US Ambassador to the United Nations. Power transports us from her childhood in Dublin to the streets of war-torn Bosnia to the White House Situation Room and the world of high-stakes diplomacy, offering a compelling and deeply honest look at navigating the halls of power while trying to put one's ideals into practice. Along the way, she lays bare the searing battles and defining moments of her life, shows how she juggled the demands of a 24/7 national security job with raising two young children, and makes the case for how we each can advance the cause of human dignity. This is an unforgettable account of the power of idealism—and of one person's fierce determination to make a difference. “This is a wonderful book. [...] The interweaving of Power's personal story, family story, diplomatic history and moral arguments is executed seamlessly and with unblinking honesty.”—THOMAS L. FRIEDMAN, The New York Times Book Review “Truly engrossing...A pleasure to read.”—RACHEL MADDOW “A beautiful memoir about the times we're living in and the questions we must ask ourselves...I honestly couldn't put it down.” —CHERYL STRAYED, author of *Wild* “Power's compelling memoir provides critically important insights we should all understand as we face some of the most vexing issues of our time.” —BRYAN STEVENSON, author of *Just Mercy*
