My Mother Goose

Gryphon House, Inc.
 ✓ Nursery Rhymes & Sing-Along Songs for Kids Volume 1, with pictures colorful, is a large and beautifully illustrated collection of familiar English nursery rhymes. It is the first in a collection of three provided. ✓ Nursery Rhymes are a great

way for toddlers to learn to speak and read since their familiarity helps children recognize and guess words. The pattern of recognition and guessing helps build confidence and reinforce common spelling and pronunciation. ✓ As either bedtime stories or reading as lessons for young children, I find it's best to pick a few of your favorites and read them repeatedly. Then have your child first try to read words in them, often the last rhyming word is the first one they will be able to guess. Thereafter have them reading themselves. I can speak from experience, the familiarity, short length, and rhythmic pattern makes it easy to learn so making the

reading exercise fun. ♦

 The spirited itsy bitsy
 spider has captured
 the hearts of
 generations of children
 in the much-loved
 nursery rhyme. Now
 she's back—on a new
 magical journey! Over
 2.5 million copies in
 print! This all-new
 adventure for the itsy
 bitsy spider has
 exciting encounters
 with a fan, a mouse, a
 rocking chair, a cat,
 and a big maple tree.
 Finally, the itsy bitsy
 spider finds a lovely
 spot to spin a new silky
 web. Iza Trapani's
 vibrant watercolor
 illustrations paired with
 a playful rhythm makes
 this new take on an old
 favorite feel like an
 instant classic. A

perfect read-aloud; children will enjoy time and again the delightful antics of the energetic itsy bitsy spider.

School Song Book ...

North Winds Press

Baby bumble bee This book is based on the popular American nursery rhyme. I came across a video on YouTube a few years ago of a beautiful baby girl called Olivia sitting in a high chair singing this gorgeous song and doing the actions with her chubby hands.

Growing up in the UK and Australia I was not familiar with it at all and could only just make out the words Baby Bumble Bee. I found out more about it on the Internet. No one really knows where it originates but It has been passed down through the

generations. The lyrics vary somewhat but I chose the ones I liked the most for the book. It was an absolute joy to create and done with love and the hope that it will bring pleasure to young readers and maybe introduce the song to children in countries outside of the US.

The Nursery Rhyme

Book Usborne Books

A beautifully presented collection of famous nursery rhymes and fairy stories that perfectly capture the loveliness of childhood.
