The Goddess represents a divine spirit that is as old as Earth herself. She is the source of all creation. When you call on her, she will help you draw from her infinite power and wisdom to create a brighter, more loving life for yourself. Goddess Bless! begins by exploring the different forms and names the Goddess has taken around the world and throughout time -- Kali and Kwan Yin, Aphrodite and Artemis, Inana and Maeve. The Goddess as we know her often follows the stages of life -- Maid, Mother, Crone. Goddess Bless! couldn't be more practical -- or more needed. Knight has collected blessings and prayers that have been passed down for generations. She combines them with contemporary, specific affirmations and prayers she's created to help readers call on the Goddess's wisdom and energy to achieve their goals. With prayers, blessings, and affirmations to the Goddess associated with topics including: * love * creativity * good health and vitality * abundance and attaining goals * peace and harmony * greater spiritual awareness With tools to inspire and heal, Goddess Bless! will appeal to women of many religious and spiritual traditions and couldn't be more timely.

Do you long to feel more alive, to see the vibrancy in your daily life? Do you feel the seeds of a new calling tugging at you? Look to the Blessed Mother for help. In *Birthing the Holy*, Christine Valters Paintner--abbess of the online Abbey of the Arts--invites you to better know Mary and her heart through thirty-one of her titles, and, along the way, you'll nurture the new growth in your life. The Blessed Mother is known by many beautiful titles, some of which are familiar--Virgin, Queen of Peace, and Star of the Sea--and some we may not be aware of--Vessel of Grace, Greenest Branch, and Our Lady of Silence. Paintner offers a flexible format to reflect on Mary's titles through a thirty-one-day personal retreat, a series of novenas, or with visio divina exercises using striking images by printmaker Greg Yingst. As you reflect on Mary in her role as Mother of Good Counsel, Woman Clothed with the Sun, Mystical Rose, Mother of Sorrows, Queen of the Angels, and other titles, Paintner invites you to hear what God calls you to develop in your life, help that dream or vision grow, and then nourish it in the world. Whether you're meeting Mary for the first time in these magnificent titles or revisiting her as a beloved companion, *Birthing the Holy* invites you to see the exploration of Mary and your life as a spiritual and creative act, one that can help deepen your faith even as it sparks new growth within you. *Goddess Bless!* Simon and Schuster

Your Soul has the clear guidance and tools to help you move from lack to abundance and attract wealth and healing and the Archangels will show you how. Speaking through Belinda Womack, who has been a channel for the 12 Archangels for more than 30 years, the Angels explain that the root issue behind our lack of abundance is the fear of not enough. Sharing 64 healing visualizations, the Angels guide you to dissolve the deep subconscious layers of guilt and shame that keep you stuck in a fear-induced lack of wealth and become receptive to the infinite bounty of the Universe. Reading the visualizations from the 12 Archangels, with intention, helps you tap into the singing colors and undiluted love of the Central Sun mirrored in your chakras. The visualizations raise the vibration of your thoughts, feelings, and beliefs to attract wealth—not only financial gain but all that you need to receive from Source to feel safe, happy, healthy, and free. The 12 Archangels share lessons on the relationship between money and divine law, how to cultivate your garden of intuition and creativity, and how to resolve financial debt with understanding and love. They offer nighttime practices that support your transformation into a vessel to receive the full blessings of Source. They also offer advanced practices on harnessing your innate power to transform suffering. Helping you connect with the boundless care and “deep pockets” of your Soul to transform financial struggles and eliminate self-doubt, the 12 Archangels show that life keeps improving when you make room for the vast flow of creative genius and abundance coming from the Universe through the divine feminine.

Fierce Woman Watkins Media Limited

It is no secret that men are in trouble today. From war to ecological collapse, most of the world's critical problems stem from a distorted masculinity out of control. Yet our culture rewards the very dysfunctions responsible for those problems. To Matthew Fox, our crucial task is to open our minds to a deeper

understanding of the healthy masculine than we receive from our media, culture, and religions. Popular religion forces the punitive imagery of fundamentalism on us, pushing most men away from their natural yearning for spirituality and toward intolerance and domination. Meanwhile, many men, particularly young men, are looking for images of healthy masculinity to emulate and finding nothing. To awaken what Fox calls “the sacred masculine,” he unearths ten metaphors, or archetypes, ranging from the Green Man, an ancient pagan symbol of our fundamental relationship with nature, to the Grandfatherly Heart to the Spiritual Warrior. He explores archetypes of sacred marriage, showing how partnership becomes the ultimate expression of healthy masculinity. By stirring our natural yearning for healthy spirituality, Fox argues, these timeless archetypes can inspire men to pursue their higher calling to reinvent the world.

14 Steps to Awaken the Sacred Feminine Simon and Schuster Dark, earthy, and immensely powerful, the Black Goddess has been a key force in world history, manifesting in images as diverse as the Indian goddess Kali and the Black Madonnas of medieval Europe. She embodies the energy of chaos and creativity, creation and destruction, death and rebirth. Images of Her, however, have been conspicuously missing in the Western world for centuries—until now, when awareness of the Goddess is re-arising in many spheres, from the women's movement to traditional religion, from the new discoveries of quantum physics to the dreams of ordinary men and women. Why now particularly? The answer provided by Marion Woodman and Elinor Dickson is bold and thrilling: the reemergence of the Divine Feminine in our time indicates our readiness to move to an entirely new level of consciousness. The reemerging Goddess calls for a shattering of rigid categories, a willingness to hold opposition. She calls us to marry reason and order to creativity, and to embrace the chaos that can ultimately lead to wisdom and transformation on personal and global levels.

Your Goddess Year Simon and Schuster

The Moonlit Path is an anthology of writing by figures from throughout the spiritual world on the dark feminine. Known variously as Lilith, Kali, the Black Madonna, Morrigan, Guadalupe, and Tara, the dark feminine appears in many cultures and throughout the ages. "It is only by embracing her," writes Murray Stein in his preface, "that we can learn intelligent tolerance of paradox, tough-minded respect for important differences, and compassion for the alien other in our midst."

Forgiving the Unforgivable Quest Books

Anyone interested in the feminine face of God throughout the ages will find Sophia an illuminating experience. Caitlin Matthews' scholarship connects us to past, present, and future in the very depths of our femininity. ---Marion Woodman, Jungian analyst and author of *Bone: Dying into Life*. Sophia, or "wisdom" in Greek, has been revered in many forms throughout history--from the Dark Goddess of ancient Anatolia; to her Egyptian, Greek, Celtic, and Cabalistic manifestations; to her current forms as Mary and the orthodox St. Sophia. In the Gnostic Gospel of Thomas, Sophia sits with God until the creation. Then she falls into matter and becomes manifest in every atom, permeating all things "like the sparks that run through charcoal," as Matthews says. While God is "out there," the Goddess is "in here"-- the mother-wit of practical inspiration and compassion at the heart's core. This definitive work comprehensively establishes a realistic Goddess theology for Westerners in the twenty-first century: grounding spirituality in daily life and the natural world; learning to work playfully and play seriously; ending the gender war to enjoy sacred marriage.

Rig Veda for Modern Seekers Sacred Verses for Daily Living Simon and Schuster

A Book for Women...and for Men This is a powerfully moving book that goes beyond gender roles into the soul of the archetypal feminine, exploring how it has been damaged and traumatized, and finding out how this condition affects all of us. Written in a way that makes the material truly accessible to a wide audience,

the authors' own personal and professional experiences are dynamically woven throughout the book in the form of rich and compelling stories. Massimilla and Bud Harris show how our feminine vitality can be restored by journeying into its heart and into the archetypal ruins of the feminine within ourselves. In these ruins, we will find the fertile ground and the archetypal motifs for healing the feminine within ourselves and our lives and renewing our capacities for strength, love and creativity. Imagine within each of us, there is a deep, powerful source for living lives of love, creativity and fulfillment...To imagine this foundation for life and the energy it produces is to imagine ourselves and our world filled with the influence of the archetypal feminine - her passionate creativity, love and ageless knowing. Personally and culturally, this force - which lives at the heart of our lives - has been diminished and wounded until it seems to have retreated beyond the horizon, in a world filled with rationalism and an anxious search for the material "good life."

Sacred Woman Tarcher/Perigee

Reveals sacred spiritual tools to connect with the love, passion, and creative powers of the Great Mother for spiritual transformation • Explores the three faces of the Great Mother's love and wisdom in our lives and how to build our magician's wand, which enables us to be masters of our creativity • Details the journey of the soul through the twelve signs of the zodiac to integrate the shadow self and embody the soul's true light • Explains how we are being called to birth a new world, one that embraces the divine feminine qualities of intuition, emotional creative power, and rhythmic renewal The year 2012 marked the birth of a new cycle of time that will last for the next 26,000 years. In charge of such birth is the Great Mother, the eternal source of all creation. She is calling on the feminine within us all to create a world worthy of the next seven generations and begin an era of peace, abundance, and spiritual evolution. To birth this new world, we must release our hold on old destructive patterns and instead embrace the divine feminine qualities of intuition, powerful creativity, and rhythmic renewal. As Christine Page reveals, the Great Mother hears our heart's yearning to escape our old ways of suffering and struggle to find peace, fulfillment, and joy. She is reaching out to us across the dimensions, offering spiritual initiation and the chance to know ourselves fully right now. Dr. Page explains how important it is to acknowledge and integrate our shadow selves--the unloved parts of us--so we can radiate our light from the fullness of who we are without shame or judgment. Drawing on alchemy and mythology, the author details the journey of the soul through the twelve signs of the zodiac until our inner light shines. She also explores how to connect with and use sacred spiritual tools to open our hearts and merge with the Great Mother's love and creative powers. Exploring the mythology of the Triple Goddess, the author explains how the three faces of the Great Mother help us on our spiritual journey of transformation: As virgin she inspires us to manifest our dreams. As mother, she teaches us to celebrate and nurture all living things, especially ourselves. As crone, she shows us that creativity changes like the seasons, encouraging us not to be possessed by our creations but to embrace mystery and impermanence. Finally, the Great Mother emboldens us to build our magician's wand, the rod of light along the spine which enables us to be masters of our creativity, bringing forth transformation for ourselves and generations of children still to come as we embark into a new era of expanded consciousness and love.

Into the Heart of the Feminine Llewellyn Worldwide

This book is a radical exploration of the mystical teachings in the Gospel of John. It helps the reader to experience these spiritual truths for themselves, and go beyond the everyday mind, which is dominated by the ego and realize their eternal Being, which Johns Gospel calls Logos. By approaching the teachings in a meditative state, the symbolism contained within the Greek text opens out and comes alive in the present moment. The Gospel is not a historical document; it speaks directly to each person now and the states of consciousness represented in the stories are accessible now. The book contains guided meditations to help

bring this to life for the reader. This awakening concerns our relationship with the whole of life. Spiritual consciousness means

that we are aware of the sacredness of our connections to each other as fellow human beings, and to the creatures of the natural world. Christ and the Logos contain both masculine and feminine

in balance; at this critical time, our well-being and that of our fellow creatures is dependent on this realization. ,
