But Kabir Also Emphasised That

The True Value Of Shri Rama Should Be Realised Which Will Help Man To Realise The Intrinsic Value Of God And Ingrain True And Deep Love For The Lord. And Kabir Acted Accordingly As He Has Shown In His Songs And Maxims Which Flowed From His Lips In Thousands. Overview of Buddhist Tantra Yen Press LLC

This book closes the gap for beginners who want to study the Amharic language and had difficulties in finding the right grammar for this purpose: The first grammar of Amharic, the national language of Ethiopia, was published by Hiob Ludolf in 1698. The Amharic grammar published by Praetorius in 1879 is based on Amharic religious texts and on scattered material, usually composed by missionaries. A milestone in the study of Amharic is Marcel Cohen's *Traite de langue amharique* (1936), but this grammar, too is not completely suited for beginners since the author's generalizations are at times aimed at linguists. The grammar that comes closest to the concept of a beginner's grammar is that of C.H. Dawkin (1960), yet this grammar is extremely short, does not give examples and does not introduce the student to the intricacies of the language. The new book gives all the grammatical forms and the sentences of the present grammar in Amharic script and in phonetic transcription. The illustrative examples have a free and a literal translation. This procedure should likewise prove to be useful for the Semitist as well as for the general

linguist.

The Maxims of Kabir VIZ Media LLC

Facts, figures, and essays on women and poverty by Barbara Ehrenreich, Kirsten Gillibrand, LeBron James, and other high-profile contributors. Fifty years after President Lyndon B. Johnson called for a War on Poverty and enlisted Sargent Shriver to oversee it, the most important

social issue of our day is once again the dire economic straits of millions of Americans. One in three live in poverty or teeter on the brink—and seventy million are women and the children who depend on them. The fragile economic status of millions of American women is the shameful secret of the modern era—yet these women are also our greatest hope for change, and our nation's greatest undervalued asset. The Shriver Report: A Woman's Nation Pushes Back from the Brink asks—and answers—big questions. Why are millions of women financially vulnerable when others have made such great progress? Why are millions of women struggling to make ends meet even though they are hard at work? What is it about our nation—government, business, family, and even women themselves—that drives women to the financial brink? And what is at stake? To forge a path forward, this book brings together a power-packed roster of big thinkers and talented contributors, in a volume that combines academic research, personal reflections, authentic photojournalism, groundbreaking poll results, and insights from frontline workers; political, religious, and business leaders; and major celebrities—all focused on a single issue of national importance: women and the economy. "A startling wake-up call for policymakers and anyone hoping to survive a culture that siphons wealth upward to a very powerful few." —Booklist Contributors include: Carol Gilligan, PhD * Barbara Ehrenreich * Beyoncé Knowles-Carter * LeBron James * Anne-Marie Slaughter * Kirsten Gillibrand * Hillary Rodham Clinton * Tory Burch * Sister Joan Chittister * Arne Duncan * Kathleen Sibelius * Howard Schultz * and more!
