Arts and  
Crafts  
Embroidery  
Harper Collins  
Celebrating its  
30th  
anniversary in  
2024,

internationally  
bestselling  
author and  
literary icon  
Julia Alvarez's  
In the Time of  
the Butterflies  
is "beautiful,  
heartbreaking  
and alive ... a  
lyrical work of  
historical  
fiction based

on the story of  
the Mirabal  
sisters,  
revolutionary  
heroes who  
had opposed  
and fought  
against  
Trujillo."  
(Concepción  
de León, New  
York Times)  
Alvarez's new

novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading

opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas—the Butterflies*. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule.

Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing

best-seller lists across the Americas."—Francisco Cantú, *The New York Times Book Review* "This Julia Alvarez classic is a must-read for anyone of Latinx descent." —Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." —People "Shimmering . . . Valuable and necessary." —Los Angeles Times "A magnificent

treasure for all cultures and all time." —St. Petersburg Times "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."—Cosmopolitan.com *The Art of Needle-Work, from the Earliest Ages: Including Some Notices of the Ancient Tapestries* Storey Publishing, LLC

New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection "Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty." —Los Angeles Times Book Review *The Poisonwood Bible*, now celebrating its 25th anniversary, established

Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleana Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable

questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable

mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility. **How to Amuse Yourself and Others: The American Girl's Handy Book** Tuttle Publishing A blend of modern-day travel memoir and nineteenth-century

history, “infused with the fresh air and spirit of the Northwest” (The New York Times Book Review). The author of the acclaimed *This House of Sky and Mountain* Time provides a magnificent evocation of the Pacific Northwest through his exploration of the unpublished diaries of James Gilchrist Swan, an early settler of the region who was drawn there from Boston in the

1850s. Winter Brothers fuses excerpts from these diaries with author Ivan Doig's own journal entries, as he travels in Swan's footsteps one winter along the once-wild coastline of Puget Sound and the Strait of Juan de Fuca. What emerges is a remarkable interaction of two minds, a dialogue across time that links the present with the reality of the American frontier. "Absorbing . . . A double portrait of

striking clarity, yet with wonderfully subtle hues." —San Francisco Chronicle *Stitchy Kitty Fuzzy Puppy* Image Comics This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you

will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or

corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an

important part of keeping this knowledge alive and relevant.

The Unbroken Thread

DigiCat Needlework as art is an unchanged, high-quality reprint of the original edition of 1886.

Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the

preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

**Mystical Stitches**

Lucia Marquand The American Girl's Handy Book was one of the earliest

works written primarily for girls' amusement and enjoyment. It introduced original and novel ideas to open new routes for enterprise and entertainment for girls. The main goal was to engrave upon the girls' minds that they all have talent and the ability to achieve more than what they think is possible. During the time of this book's publication, it was unusual to promote girls to be

inventive. But the writer desired to awaken this creative side in them by giving detailed methods of new tasks and amusements, to put them on the road they could travel and explore alone. Anyone curious about knowing the initiatives taken for girls' empowerment in the olden days will find this work beneficial.  
**In the Time of the Butterflies**  
Courier Dover Publications  
"Embroidered textiles are

the most personal art form practiced by the Arts & Crafts Movement (c. 1860-1910). This is art from another time, which has its own story to tell. Some are the humble workaday pieces for home use, while others are staggering works of art. This book features over 380 photos of the work of famous designers, including William Morris and Gustav Stickley."--  
Publisher description.

**The Cat  
Lover's Craft  
Book**

Walter Foster Publishing  
This popular book by Ruth Chamberlin now returns as a Search Press Classic, with an updated design and preface on the author by the illustrious embroiderer Mary Corbet. A needle art that dates back over a thousand years, goldwork embroidery involves sewing with lavish metal threads. It has been prized and often

used by religious orders and royal households for its opulence and the way the light glimmers and plays on the beautiful metallic designs. Those in love with this brilliant style of embroidery can now create their own with easy-to-follow, step-by-step guide. Through calm and deliberate instruction, Chamberlin's book aims to teach the reader how to create a personal

sampler - a piece of embroidery containing a mixture of designs and stitches, which shall provide a basis for future projects and enable readers to continue on their goldwork journey. With multiple stitch techniques - from simple laid stitch to the more complex basket stitch, several design motifs with corresponding templates that can be used, and a luminous gallery of finished work

interspersed throughout, Chamberlin's work gently introduces beginners to the exquisite needle art of goldwork embroidery. EMBROIDERED CAT IN MY POCKET Interweave This user-friendly book is aimed at helping students of Mandarin Chinese learn and remember Chinese characters. At last—there is a truly effective and enjoyable way to learn Chinese characters!

This book helps students to learn and remember both the meanings and the pronunciations of over 800 characters. This otherwise daunting task is made easier by the use of techniques based on the psychology of learning and memory. key principles include the use of visual imagery, the visualization of short "stories," and the systematic building up of more complicated characters from basic

building blocks. Although Learning Chinese Characters is primarily a book for serious learners of Mandarin Chinese, it can be used by anyone with an interest in Chinese characters, without any prior knowledge of Chinese. It can be used alongside (or after, or even before) a course in the Chinese language. All characters are simplified (as in mainland China) but

traditional characters are also given, when available. Key features: Specially designed pictures and stories are used in a structured way to make the learning process more enjoyable and effective, reducing the need for rote learning to the absolute minimum. The emphasis throughout is on learning and remembering the meanings and pronunciations of the characters.

Tips are also included on learning techniques and how to avoid common problems. Characters are introduced in a logical sequence, which also gives priority to learning the most common characters first. Modern simplified characters are used, with pronunciations given in pinyin. Key information is given for each character, including radical, stroke-count, traditional form, compounds,

and guidance on writing the character. This is a practical guide with a clear, concise and appealing layout, and it is well-indexed with easy look-up methods. The 800 Chinese characters and 1,033 compounds specified for the original HSK Level A proficiency test are covered. *A Court of Wings and Ruin* Shambhala Publications Celebrate the seasons through

contemporary embroidery motifs for a year of stitching. Give each month more beauty by stitching embroidery motifs with unique seasonal designs. Follow the course of a year—from snow flowers and skiing bears in January to lily of the valley in May, a collection of seed pods in October, trumpeting angels in December, and much more—to enliven your embroidery

with a seasonal flair. Through thirty-eight patterns, designer Yumiko Higuchi offers organic yet modern designs with colorful and detailed imagery and a sweet and lively feel. Stitch projects to display as art or transform your work into small projects you can use. With beautiful photographs, clear step-by-step instructions, and detailed diagrams, A Year of Embroidery

offers dynamic and unique designs that will inspire embroiderers of all skill levels.

**Folk Embroidered Felt Birds**

 century  
 convent of

Santo Domingo church, now the Regional Museum of Oaxaca, Mexico, is an important collection of textiles representing the area's indigenous cultures. The collection includes a wealth of exquisitely made traditional weavings, many that are now considered rare. The Unbroken Thread: Conserving the Textile Traditions of Oaxaca details a joint project of the Getty Conservation Institute and the National Institute of Anthropology and History (INAH) of Mexico to conserve the collection and to document current use of textile traditions in daily life and ceremony. The book contains 145 color photographs of the valuable textiles in the collection, as well as images of local weavers and project participants at work. Subjects include anthropological research, ancient and present-day weaving techniques, analyses of natural dyestuffs, and discussions of the ethical and practical considerations involved in working in Latin America to conserve the materials and practices of living cultures.

*The Paper Hat Book*  
Shambhala Publications  
Here's a delightful book for cat fanciers, embroiderers, and anyone wishing to

make a unique fashion statement. Japanese embroidery artist Hiroko Kubota introduces a technique for "painting with thread" that uses a small needle, single strands of thread, and two repeating stitches. Ten original patterns -- plus ready-to-use iron-on transfers -- allow crafters to transform ordinary shirts into works of art that feature adorable felines peering from the pockets.

Alphabets Galore HMH Hats are pure fun and the perfect item to cap off any costume or ensemble. The right headgear ensures complete transformation, especially on the head of an imaginative child. The Paper Hat Book offers creative families 20 fantastic paper hats, all of which can be created quickly and easily from readily accessible papers: shopping bags, newspapers,

comics, recycled story books, magazines, packaging scraps, and junk mail! Artist and designer Alyn Carlson creates hats that are perfect for birthday parties, playdates, costumes, and everyday dress up. Each hat can be styled to perfectly suit the wearer by merely selecting the right paper and colors. The hat themes range from Floral Flappers to Viking

Warriors, and from superheroes and pirates to beautiful butterfly hats. Corcoran Gallery of Art Quarry Books Beautiful bird and animal designs, inspired by the African world, in crewel and Jacobean embroidery. Following the success of Crewel Intentions and Crewel Twists, which introduced embroiderers to using needle-lace and loom-weaving techniques, comes Crewel

Creatures, the third title in this series by renowned embroiderer Hazel Blomkamp. Animals and birds are popular subjects in crewel embroidery, and here Hazel introduces needleworkers to the beautiful, exotic creatures found in the African wild. Following the Jacobean embroidery style for which Hazel is well known, and incorporating the subtle influence of

the fractal designs found in zentangle art, Hazel brings beads and other three-dimensional elements into her designs, capturing the stunning and colourful art that is traditionally associated with Africa. Those new to Hazel's work will find a useful guide to the essential crewel stitches, needle-lace and needle-weaving techniques in an easy-to-follow how-to section and

stitch gallery, and all embroiderers will be impressed by the wealth of design ideas and inspiration this book has to offer. With every project, step-by-step instructions and gorgeous photographs are included, along with a template of the design. All the projects are stitched and embellished on natural coloured linen, making them not only perfect for framing for display but also

wonderfully economical for embroiderers to work on. [Armenia](#) C&T Publishing Inc E. H. Gombrich's Little History of the World, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was

of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the Little History brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful.

They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-

grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history. Tuttle Learning Chinese Characters Union Square & Company Sarah J. Maas hit the New York Times SERIES list at #1 with A Court of Wings and Ruin! Home Sweet Home Tuttle Publishing Presents full-colour, easy-to-use books

and a CD-ROM for CLAI T 2006, which focus on enthusing students and leading them to success. The modular approach allows students to choose a book per unit or one book covering the first three units. Winter Brothers Schiffer Craft Explore personal transformation through the stitching of dreams and intentions. Anything but ordinary, Mystical Stitches combines the

beloved and accessible craft of embroidery with a spiritual element, introducing a rich treasury of 200 magical symbols you can use to set an intention and create personal icons to wear or embellish items in the home. Christi

Johnson offers unique patterns inspired by botanicals, animals, numbers, the cosmos, earth elements, zodiac signs, and mythical beasts, for novice or well-practiced crafters to combine into talismans with personal meaning.

Johnson's folk art style is vibrant and unintimidating and provides a framework for bringing spiritual elements into physical form. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA.
