The Pilgrim's Regress

InterVarsity Press

A comprehensive volume containing five of C.S. Lewis's inspirational and spiritual works. The titles are: The Pilgrim's Regress, Prayer: Letters to Malcolm, Reflections of

the Psalms, The Abolition of Man and Till We Have Faces (1956), described by Lewis as his personal favourite.

The Company They Keep
Read Books Ltd

The Pilgrim's Regress was C.S. Lewis' first work that reflected his new-found Christian faith. Though recognized by many as one of his best works, Pilgrim's Regress has

never gained the popularity of Lewis' other works, mostly because it contains so many references to classic literature and philosophy. Finding the Landlord explains all obscure references in Pilgrim's Regress, as well as chronicling Lewis' near-parallel journey to faith. The Romantic Rationalist
Ballantine Books

A repackaged edition of the revered author's definitive collection of short fiction, which explores enduring spiritual and science fiction themes such as space, time, reality, fantasy, God, and the fate of humankind. From C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved

classics—comes a collection of his dazzling short fiction. This collection of futuristic fiction includes a breathtaking science fiction story written early in his career in which Cambridge intellectuals witness the breach of space-time through a chronoscope—a telescope that looks not just into another world, but into another time. As powerful, inventive, and profound as his theological and philosophical works, *The Dark Tower* reveals another side of Lewis's

creative mind and his longtime fascination with reality and spirituality. It is ideal reading for fans of J. R. R. Tolkien, Lewis's longtime friend and colleague.

Screwtape Letters and *The*
Lion, the Witch and the

Wardrobe. Yet C. S. Lewis was not always a literary giant of Christian faith. How did he leave behind a staunch atheism to become one of the most beloved and renowned Christian authors of our time? Other biographies of Lewis explore his childhood or his dramatic conversion to Christianity. But as David Downing reveals in this fascinating book, the rarely discussed period from Lewis's childhood to his early thirties took him on a tumultuous journey of spiritual and intellectual

exploration before he became a "most reluctant convert." It was not despite this journey but precisely because of it that Lewis understood the search for life's ultimate meaning so well and went on to become one of the most compelling authors of the twentieth century. Weaving the people, places and events of Lewis's life together with excerpts from Lewis's own writing, Downing shows how Lewis's spiritual quest can also light the path for other seekers. Collected Works of C S

Lewis HarperCollins
The creators of 'Narnia' and 'Middle Earth', C.S. Lewis and J.R.R Tolkien were friends and colleagues. They met with a community of fellow writers at Oxford in the 1930s and 1940s, the group known as the Inklings. This study challenges the standard interpretation that the Inklings had little influence on one another's work.

Reflecting the Eternal TAN Books

This carefully crafted ebook: "THE PILGRIM'S

REGRESS" is formatted for your eReader with a functional and detailed table of contents. The Pilgrim's Regress is a book of allegorical fiction. It charts the progress of a main character named John through a philosophical landscape in search of the Island of his desire. He struggles with the modern phoniness, hypocrisy and intellectual vacancy of the Christian church, Communism, Fascism and various philosophical and artistic movements. It balances Lewis's Neoplatonic

mindset with a Kierkegaardian faith-based understanding. Clive Staples Lewis (1898-1963) was a British novelist, poet, academic, medievalist, lay theologian and Christian apologist. He is best known for his fictional work, especially The Screwtape Letters, The Chronicles of Narnia, and The Space Trilogy, and for his non-fiction Christian apologetics, such as Mere Christianity, Miracles, and The Problem of Pain. Confession And Communion For Religious

And For Those Who Communicate Frequently
Simon and Schuster
In this urgently relevant, wholly enlightening discussion of modern moral decisions, the Harvard theology professor Harvey Cox considers Jesus's contemporary significance. Moving far beyond the simple question "What Would Jesus Do?" Cox shows how we can extrapolate moral guidance from the parables of Jesus. As he did in his undergraduate class "Jesus and the Moral

Life"-a course that grew so popular that the lectures were held in a theater often used for rock concerts-Cox holds contemporary dilemmas in the light of lessons gleaned from the Gospels. Delving into centuries of theological exploration, he "pulls off a near miracle as he gathers disparate scholarly and religious views of Jesus, while demonstrating respectful, deep knowledge of Jewish, Muslim, and Buddhist traditions, and various Christian teachings"

(Seattle Times). Invigorating and incisive, this book encourages an intellectual approach to faith and inspires a clear way of thinking about moral choices for all readers.

Essential C. S. Lewis
Wm. B. Eerdmans
Publishing
From the editor-in-chief and managing editor of the Babylon Bee! A millennial seeker travels through a twenty-first century take on The Pilgrims's Progress with allegorical versions of all our modern vices

tempting him along the way—as well as a few timeless personified virtues that just might see him through. Biting satire and uncommon wisdom from the creators of the internet's most influential comedy site, and an author of national bestsellerThe Babylon Bee Guide to Wokeness! Ryan Fleming is a young agnostic reeling from his brother's death. Though he is deeply angry with God, he makes good on a promise he made to his brother in the final moments of his life: to

visit a church at least once. But shortly after his arrival, the slick megachurch's shoddily installed video projector falls on his head—sending Ryan through a wormhole into another world. After a narrow escape from the City of Destruction, where the comfortably numb townspeople are oblivious to the fire and brimstone falling like bombs in their midst and destroying their homes, Ryan finds himself on a quest: To make it back to his own universe, he must partner with a woman named Faith to

awaken a long-sleeping King—the World-Maker who can make all things new. Replete with characters ripped straight from the twenty-first century American church—including Radical, Mr. Satan, the Smiling Preacher, and others—this sometimes-humorous, always-insightful trek parallels Christian's fictional journey in *Pilgrim's Progress*. Prepare to laugh, cry, cringe, feel convicted, and ultimately be changed by the time the story ends. *The Postmodern Pilgrim's*

Progress is brought to you by Kyle Mann and Joel Berry, the two comedic minds behind *The Babylon Bee*—which, with 250,000 newsletter subscribers and more than fifteen million page views per month, is the most popular satirical news site on the planet.

[Studies in Words](#)

InterVarsity Press

C. S. Lewis, the great British novelist and Christian apologist, has been credited by many—including the author—for aiding their journey to the Catholic Church. For this

reason, it is often perplexing that Lewis himself never became Catholic. In *C. S. Lewis and the Catholic Church*, Joseph Pearce delves into Lewis's life, writings, and spiritual influences to shed light on the matter. Although C. S. Lewis's conversion to Christianity was greatly influenced by J. R. R. Tolkien, a Catholic, and although Lewis embraced many distinctively Catholic teachings, such as purgatory and the sacrament of Confession, he never formally entered

the Church. Meticulously researched and beautifully written, this book digs deep to present the facts of Lewis's life, to illuminate key points in his writings, and to ask the question: Was C. S. Lewis on the path to Rome? This revised and updated edition-with a new introduction by Father Dwight Longenecker-is a fascinating historical, biographical, theological, and literary account of a man whose writings have led scores to the Catholic Church, despite never

having become a Catholic himself.

The World's Last Night and Other Essays

Cambridge University Press

This vintage book contains a collection of Christian prayers designed to aid and inspire people when confessing and giving thanks 'Confession And Communion For Religious And For Those Who Communicate Frequently' is highly recommended for all modern Christians, and it is not to be missed by collectors of vintage

literature of this ilk. Contents include: 'Prayer for Light and Help', 'Examination of Conscience', 'Contrition', 'Firm Purpose of Amendment', 'Thanksgiving', 'Christ our Lord as the Second Person of the Blessed Trinity', 'Christ our Lord as Judge', 'Christ our Lord as Saviour', 'Christ our Lord as Guest', 'Christ our Lord as Master', etc. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an

affordable, high-quality, modern edition complete with the original text and images. This book was first published in 1900. *The Personal Heresy* InterVarsity Press This collection brings together the best of C.S. Lewis's letters, many published for the first time. Arranged in chronological order, this final volume covers the years 1950 - the year 'The Lion, the Witch and the Wardrobe' was published - through to Lewis's untimely death in 1963. **Selected Books** Wm. B.

Eerdmans Publishing In 1962, The Christian Century published C. S. Lewis's answer to the question, "What books did most to shape your vocational attitude and your philosophy of life?" Lewis responded with ten titles, ranging from Virgil's Aeneid to James Boswell's The Life of Samuel Johnson and from George Herbert's The Temple to Boethius's The Consolation of Philosophy. C. S. Lewis's List brings together experts on each of the ten books to discuss their significance

for Lewis's life and work, illuminating his own writing through those he most admired.

The Pilgrim's Regress

DigiCat

It is no secret that C. S. Lewis's imagination was shaped by his beloved medieval and Renaissance literature. Here, Marsha Daigle-Williamson demonstrates that Lewis used Dante's *Divine Comedy* throughout his writing career, from *The Pilgrim's Regress* to *The Chronicles of Narnia* and *Till We Have Faces*. Book jacket.

When Jesus Came to Harvard InterVarsity Press
Several years before he converted to Christianity, C. S. Lewis published a narrative poem, *Dymer*, under the pseudonym Clive Hamilton. Later, of course, Lewis became well known for his beloved imaginative stories, such as *The Chronicles of Narnia* and *Till We Have Faces*, as well as his ability to defend and articulate the faith in works such as *Mere Christianity*. But what about his literary work before his conversion? In

this Hansen Lectureship volume, Jerry Root contends that Lewis's early poem *Dymer* can not only shed light on the development of Lewis's literary skills but also offer a glimpse of what was to come in his intellectual and spiritual growth—a "splendour in the dark," to borrow one of Lewis's own lines from the poem. Under Root's careful analysis, *Dymer* becomes a way to understand both Lewis's change of mind as well as the way in which each of us is led on a journey of faith. This

volume also includes the complete text of *Dymer* with annotations from David C. Downing, co-director of the Marion E. Wade Center. Based on the annual lecture series hosted at Wheaton College's Marion E. Wade Center, volumes in the Hansen Lectureship Series reflect on the imaginative work and lasting influence of seven British authors: Owen Barfield, G. K. Chesterton, C. S. Lewis, George MacDonald, Dorothy L. Sayers, J. R. R. Tolkien, and Charles Williams.

The Most Reluctant Convert Bloomsbury Publishing USA
Modeled after John Bunyan's famous *Pilgrim's Progress*, C. S. Lewis's *Pilgrim's Regress* represents a number of firsts for Lewis -- the first book he wrote after his conversion to Christianity, his first book of fiction, and the first book he published under his own name. This splendid annotated edition, produced in collaboration with the Marion E. Wade Center in Wheaton, Illinois, helps readers

recover the richness of Lewis's allegory. Often considered obscure and difficult to read, *The Pilgrim's Regress* nonetheless remains a witty satire on cultural fads, a vivid account of spiritual dangers, and an illuminating tale for generations of pilgrims old and new. Editor David C. Downing's critical introduction provides needed biographical and cultural context for fully appreciating *The Pilgrim's Regress*. Downing relies throughout both on his own expertise and on

previously unpublished sources from Lewis himself to identify allusions to other authors, translate quotations, and explain humor hidden within Lewis's text.

Among the hundreds of annotations are references that draw parallels to Lewis's later works, including *Mere Christianity*, *Surprised by Joy*, and the *Chronicles of Narnia*.

THE PILGRIM'S

REGRESS Hassell Street Press

"In John Bunyan's classic allegory, Christian

abandons his family and the City of Destruction and sets off to find salvation. His path is straight but not easy, and he is beset by trials, including the terrible violence of the destructive Apollyon and the Giant Despair, as he pursues his pilgrimage through the Slough of Despond, the Delectable Mountains and Vanity Fair towards the Celestial City. In the second part of the narrative his wife, Christiana, is escorted by Great-Heart through the same difficult terrain.

Written with the urgency of persecuted faith and a fiery imagination, *The Pilgrim's Progress* is a spiritual as well as a literary classic." "In his introduction, Roger Pooley discusses Bunyan's life and theology, as well as the text's biblical and historical backdrop, its success and critical history. This edition also includes accompanying seventeenth-century illustrations, a chronology, suggested further reading, notes and an index."--BOOK JACKET.

C.S. Lewis in Context

William B. Eerdmans
Publishing Company

This classic fantasy novel tells the story of Ralph of Upmeads, a prince who sets out on a journey to find the fabled well at the world's end, hoping to find eternal youth. Written by renowned poet and artist William Morris, this tale is hailed as a landmark of the fantasy genre. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the

United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and

relevant.

Finding the Landlord

Hendrickson Publishers
C. S. Lewis's allegory enhanced with a wealth of annotations, including notes by Lewis himself
Modeled after John Bunyan's famous Pilgrim's Progress, C. S. Lewis's Pilgrim's Regress represents a number of firsts for Lewis--the first book he wrote after his conversion to Christianity, his first book of fiction, and the first book he published under his own name. This splendid annotated edition,

produced in collaboration with the Marion E. Wade Center in Wheaton, Illinois, helps readers recover the richness of Lewis's allegory. Often considered obscure and difficult to read, *The Pilgrim's Regress* nonetheless remains a witty satire on cultural fads, a vivid account of spiritual dangers, and an illuminating tale for generations of pilgrims old and new. Editor David C. Downing's critical introduction provides needed biographical and cultural context for fully

appreciating *The Pilgrim's Regress*. Downing relies throughout both on his own expertise and on previously unpublished sources from Lewis himself to identify allusions to other authors, translate quotations, and explain humor hidden within Lewis's text. Among the hundreds of annotations are references that draw parallels to Lewis's later works, including *Mere Christianity*, *Surprised by Joy*, and the *Chronicles of Narnia*.
The Pilgrim's Regress

HarperCollins UK
A repackaged edition of the revered author's set of dueling critical essays with fellow scholar E. M. W. Tillyard in which they debate the role of an author's biography in the critical appraisal of literature. C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved

classics—challenges fellow scholar E. M. W. Tillyard on one of the most intriguing questions involving writers and writing. Is a work of imaginative literature primarily influenced by the author or by the subject matter? Lewis argues that the author's own personality and biography has little to no impact on the writing, while Tillyard contends the opposite: that the author's own imagination and story have an indelible influence on a piece of work. Clever,

erudite, and enlightening, their debate may not definitively settle the issue, but it does offer invaluable insight and intellectual delight for all dedicated readers. *The Pilgrim's Regress* Legare Street Press "Captivating reading that builds the faith while it fills the mind with greatness."—Sherwood Wirt, former editor, DECISION Magazine One of this century's greatest writers of fact, fiction, and fantasy explores, in utterly beautiful terms, questions of faith in the

modern world: • On the experience of miracles • On silence and religious belief • On the assumed conflict between work and prayer • On the error of trying to lead "a good life" without Christ • On the necessity of dogma to religion • On the dangers of national repentance • On the commercialization of Christmas . . . and more "The searching mind and the poetic spirit of C.S. Lewis are readily evident in this collection of essays edited by his one-time secretary, Walter Hopper. Here the reader finds the

tough-mind polemicist
relishing the debate; here
too the kindly teacher
explaining a complex
abstraction by means of

clarifying analogies; here
the public speaker
addressing his varied
audience with all the

humility and grace of a
man who knows how
much more remains to be
unknown.”—The New York
Times Book Review
