"All aspects of [Beale Street's] complex, fascinating history are told...with verve and vivid erudition." —Wall Street Journal Between Reconstruction and Prohibition, Beale Street in Memphis thrived as a strip with a unique soul that reshaped American culture. Preston Lauterbach recounts the rise and fall of Beale Street through the life of the South's first black millionaire, an ex-slave who built an underworld dynasty in the booming river town and created a space for black culture to flourish. A thrilling narrative history, Beale Street Dynasty tells an intriguing, previously unknown story about race in an American city.

[Dreamgirl and Supreme Faith](#) National Geographic Books

The story of Motown Records and how it changed the course of American music, as told by its founder—"an

African American culture hero of historic stature" (The New York Times). Berry Gordy Jr., who once considered becoming a boxer, started a record company with a family loan of \$800 in 1959. Gordy's company, Motown Records, went on to create some of the most popular music of all time. By the time he sold the company nearly thirty years later, it was worth \$61 million and had produced musical legends including Jackie Wilson, Smokey Robinson and the Miracles, the Temptations, Marvin Gaye, Diana Ross and the Supremes, Stevie Wonder, and the Jackson 5. Here, the revolutionary who shattered the color barrier in the American entertainment industry and forever changed the way the world hears music, shares his story of ambition and vision. From humble beginnings, Gordy amassed a fortune and became a musical kingmaker in the cultural heydays of the 1960s and '70s. Quelling rumors and detailing his relationships with the artists he managed, Gordy pens "a vivid recreation of a great period and a seminal company in popular music" (Kirkus Reviews).

To Be Loved Da Capo Press

From Nelson George, supervising producer and writer of the hit Netflix series, "The Get Down, Hip Hop America is the definitive account of the society-altering collision between black youth culture and the mass media.

Call Her Miss Ross

Hachette+ORM

From the 1950s through the 1980s girl groups were hot and not just because of their looks. These rocking women had a profound impact in our culture, and left us with a lifetimes worth of memorable tunes. Now you can learn about all your favorite female artists, and you can build the ultimate girl-powered record collection for yourself! This all-new book features biographical information on over seventy of the most significant girl groups of rock n roll and rhythm n blues, everyone from The Supremes to The Go-Gos. These profiles contain complete discographies for each of the groups and quotes from members of the many of the featured groups. Also included: A comprehensive listing of

all girl group and their labels Pricing for 500 of the most collectible girl group records More than 200 photos This book enables all music lovers to learn how those fabulous voices came together to form the harmonies that captured generations and also find out the most current values of the hottest collectible records. He's a Rebel Hachette UK This book tells the story of how this beloved food became the apple of our collective eye-or, perhaps more precisely, the pepperoni of our pie. Pizza journalist Liz Barrett explores how it is that pizza came to and conquered North America and how it evolved into different forms across the continent. Each chapter investigates a different pie: Chicago's famous deep-dish, New Haven's white clam pie, California's health-conscious varieties, New York's Sicilian and Neapolitan, the various styles that have emerged in the Midwest, and many others. The components of each pie-crust, sauce, spices, and much more-are dissected and celebrated, and recipes from top pizzerias provide readers with the opportunity to make and sample the pies

themselves. The Supreme Team: The Birth of Crack and Hip-Hop, Prince's Reign of Terror and the Supreme/50 Cent Beef Exposed W. W. Norton & Company "Pearson delivers a poignant debut that explores the faith of one African American family. . . The writing is strong, and the story is engaging, and readers will be pleased to discover a new voice in Southern inspirational fiction." —Booklist Christy Award winner! To hear Beatrice Agnew tell it, she entered the world with her mouth tightly shut. Just because she finds out she's dying doesn't mean she can't keep it that way. If any of her children have questions about their daddy and the choices she made after he abandoned them, they'd best take it up with Jesus. There's no room in Granny B's house for regrets or hand-holding. Or so she thinks. Her granddaughter, Evelyn Lester, shows up on Beatrice's doorstep anyway, burdened with her own secret baggage. Determined to help her Granny B mend fences with her far-flung brood, Evelyn turns her grandmother's heart and

home inside out. Evelyn's meddling uncovers a tucked-away box of old letters, forcing the two women to wrestle with their past and present pain as they confront the truth Beatrice has worked a lifetime to hide. Encyclopedia of African American Music [3 volumes] Bloomsbury Publishing USA First in the award-winning soul music trilogy—featuring Motown artists Diana Ross & the Supremes, Smokey Robinson, Marvin Gaye, and others. Detroit 67 is "a dramatic account of twelve remarkable months in the Motor City" during the year that changed everything (Sunday Mail). It takes you on a turbulent journey through the drama and chaos that ripped through the city in 1967 and tore it apart in personal, political, and interracial disputes. It is the story of Motown, the breakup of the Supremes, and the damaging clashes at the heart of the most successful African American music label ever. Set against a backdrop of urban riots, escalating war in Vietnam, and police corruption, the book weaves its way through a year when soul music came of age and

the underground counterculture flourished. LSD arrived in the city with hallucinogenic power, and local guitar band MC5—self-styled holy barbarians of rock—went to war with mainstream America. A summer of street-level rebellion turned Detroit into one of the most notorious cities on earth, known for its unique creativity, its unpredictability, and self-lacerating crime rates. The year 1967 ended in social meltdown, rancor, and intense legal warfare as the complex threads that held Detroit together finally unraveled. “A whole-hearted evocation of people and places,” *Detroit 67* is “a tale set at a fulcrum of American social and cultural history” (Independent). *Bambi and the Supremes* Voyageur Press (MN) The first definitive biography of music legend Stevie Wonder, “Signed, Sealed, and Delivered” explores the life and work of one of pop music’s most compelling masters of invention. [The Emergence of Rock and Roll](#) HarperPrism Sumptuously illustrated, engaging, and insightful, Mary Wilson’s book charts the glittering story of The Supremes, as it

showcases their glamorous and iconic ensembles. As Motown’s leading act in the 1960s, The Supremes became synonymous with glamorous, elegant, coordinated ensembles. Supreme Glamour presents founding member Mary Wilson’s unparalleled collection, showcasing thirty-two of the group’s most eye-catching gowns, meticulously reassembled and photographed on the Grammy Museum stage. Detailed captions accompany each photograph, providing information about the design, fabric, and embellishments of each ensemble, as well as the occasion on which each was first worn. In addition to the fashion history of The Supremes, the book chronicles the evolution of the group and celebrates the cultural icons they became. Engaging and insightful narrative text by Mary Wilson and close personal friend Mark Bego is interspersed among hundreds of archival photos. Packed with anecdotes and insights, Mary Wilson tells the complete story of The Supremes, both on- and off- stage, from their founding in Detroit in 1959 as The Primettes to

their 1964 breakthrough hit, “Where Did Our Love Go,” and from the departure of Diana Ross to The Supremes’ disco hits of the 1970s. Supreme Glamour builds a complete picture of the charm, sophistication, and magic of The Supremes. [Sorta Like a Rock Star](#) National Geographic Books Profiles the legendary icon, temperamental superstar, Civil Rights trailblazer, and mother, delving into all aspects of her life, including her family, her romances, and her career. [Catholic School Girls](#) Cooper Square Press “Black men could finally stand up and be men because here’s Black Moses; he’s the epitome of Black masculinity. Chains that once represented bondage and slavery now can be a sign of power and strength and sexuality and virility.” —Isaac Hayes Within the stoned soul picnic of Black music icons in the ’60s and ’70s, only one could bill himself without a blush as Moses, demanding liberation for Black men with his notions of life and self—Isaac Lee Hayes Jr., the beautifully sheen, shaded, and chain-spangled acolyte of cool,

whose high-toned “lounge music” and proto-rap was soul’s highest order—heard on twenty-two albums and selling millions of records. Hayes’s stunning self-portraits, his obsessive pleas about love, sex, and guilt bathed in lush orchestral flights and soul-stirring bass lines, drove other soul men like Barry White to libidinous license. But Hayes, who called himself a “renegade,” was a man of many parts. While he thrived on soulful remakes of pop standards, his biggest coup was writing and producing the epic soundtrack to *Shaft*, memorializing the “black private dick” as a “complicated man,” as coolly mean and amoral as any white private eye. This new musical and cultural coda delivered Hayes the first Oscar ever won by a Black musician, as well as the Grammy for Best Song. Yet, few know Hayes’s remarkable achievements. In this compelling buffet of sight and sound, acclaimed music biographer Mark Ribowsky—who has authored illuminating portraits of such luminaries as Stevie Wonder, Little Richard, and Otis Redding—gallops

through the many stages of Hayes’s daring and daunting life, starting with Hayes’s difficult childhood in which his mother died young and his father abandoned him. Ribowsky then takes readers through Hayes’s rise at Memphis’s legendary soul factory, Stax Records, first as a piano player on Otis Redding sessions then as a songwriter and producer teamed with David Porter. Tuned to the context of soul music history, he created crossover smashes like Sam & Dave’s “Soul Man,” “Hold on I’m Comin’,” and “I Thank You,” making soul a semi-religion of Black pride, imagination, and joyful emotion. Hayes’s subsequent career as a solo artist featured studio methods and out-of-the-box ideas that paved the way for soul to occupy the top of the album charts alongside white rock albums. But his prime years ended prematurely, both as a consequence of Stax’s red ink and his own self-destructive tendencies. In the ’90s he claimed he had finally found himself, as a minion of Scientology. But Scientology would cost him the gig that had revived him—the cartoon voice of the naively cool “Chef” on South

Park—after he became embroiled in controversy when South Park’s creators parodied Scientology in an episode that caused the cult’s leaders to order him to quit the show. Although Hayes was honored by the Rock & Roll Hall of Fame in 2002, the brouhaha came as his seemingly perfect body finally broke down. He died in 2008 at age sixty-eight, too soon for a soul titan. But if only greatness can establish permanence in the cellular structure of music, Isaac Hayes long ago qualified. His influence will last for as long as there is music to be heard. And when we hear him in that music, we will by rote say, “We can dig it.”

Palisades Park Samuel French, Inc.

The epic story of an Irish family in the 1840s immigrating to America, where love, adventure, tragedy, and a terrible secret are waiting.

Come and Get These Memories Marvel

The Supremes is a sprawling tale of unforgettable music, cutthroat ambition, and heartbreaking betrayal. Mark Ribowsky explodes Dreamgirl fantasies by taking the reader behind the closed doors of

Motown to witness the rise of group leader Diana Ross, the creation of timeless classics like “Where Did Our Love Go?,” and the dramatic power struggles within Detroit's fabled music factory. Drawing on firsthand, intimate recollections from knowledgeable sources such as the Temptations's Otis Williams and other Motown contemporaries—many never before interviewed—The Supremes is “a comprehensive look at the tumultuous relationships within the Supremes as well as among others at the Motown label” (Library Journal).

The Story of Motown

Grove Press

The Lost History of the Capitol is an account of the many bizarre, tragic, and violent episodes that have occurred in and around the Capitol Building, from the founding of the federal capital city in 1790 up to contemporary times, including the events of January 6, 2021. In this 230-year span, the Senate, the House of Representatives, and the neighborhoods nearby have witnessed dozens of high-profile scandals, trials, riots, bombings,

and personal assaults, along with not a few significant achievements. It is a popular work about the U.S. Capitol Building and its environs.

African Americans' historical roots are encapsulated in the lyrics, melodies, and rhythms of their music. In the 18th and 19th centuries, African slaves, longing for emancipation, expressed their hopes and dreams through spirituals.

Inspired by African civilization and culture, as well as religion, art, literature, and social issues, this influential, joyous, tragic, uplifting, challenging, and enduring music evolved into many diverse genres, including jazz, blues, rock and roll, soul, swing, and hip hop. Providing a lyrical history of our nation, this groundbreaking encyclopedia, the first of its kind, showcases all facets of African American music including folk, religious, concert and popular styles. Over 500 in-depth entries by more than 100 scholars on a vast range of topics such as genres, styles, individuals, groups, and collectives as well as historical topics such as music of the Harlem

Renaissance, the Black Arts Movement, the Civil Rights Movement, and numerous others. Offering balanced representation of key individuals, groups, and ensembles associated with diverse religious beliefs, political affiliations, and other perspectives not usually approached, this indispensable reference illuminates the profound role that African American music has played in American cultural history. Editors Price, Kernodle, and Maxile provide balanced representation of various individuals, groups and ensembles associated with diverse religious beliefs, political affiliations, and perspectives. Also highlighted are the major record labels, institutions of higher learning, and various cultural venues that have had a tremendous impact on the development and preservation of African American music. Among the featured: Motown Records, Black Swan Records, Fisk University, Gospel Music Workshop of America, The Cotton Club, Center for Black Music Research, and more. With a broad scope, substantial entries, current coverage, and special attention to historical, political, and

social contexts, this encyclopedia is designed specifically for high school and undergraduate students. Academic and public libraries will treasure this resource as an incomparable guide to our nation's African American heritage. *Girl Groups* Bloomsbury Publishing USA

The Supremes Trade Paper Press

She was Motown's brightest star, the one with guts enough and ambition enough to make her dreams come true, no matter where they took her. Rules that apply to others have never applied to Diana Ross. She won't let them. CALL HER MISS ROSS goes behind the footlights and stage facade, behind the broad smile and beautiful voice, for an exclusive look at the real Diana. J. Randy Taraborrelli has interviewed over 400 people and uncovered stories that have never been told before. The ultimate control maven, she became the star of The Supremes without giving Mary Wilson and Florence Ballard a second thought, but also gave them both money when they ended up broke; self-centered, she dated newlywed Smokey Robinson on the sly in order to get more work at Motown; fiercely devoted mother of five, she gives her children anything they desire; impossible employer, she insists that everyone call her "Miss Ross"; insecure star, she demands complete control over every record, every movie, and every performance, no matter

what the result. Her triumphs and tragedies, her virtues and vices, her lovers and enemies -- here's Miss Diana Ross as she's never been seen before. "Enjoyable . . . [A] marathon bitchfest." -- The Village Voice

[A Long Time Comin'](#) Rosetta Books

Now in paperback, the definitive visual history of Motown, the Detroit-based record company that became a music powerhouse. The music of Motown defined an era. From the Jackson 5 and Diana Ross to Stevie Wonder and Smokey Robinson, Berry Gordy and his right-hand man, Barney Ales, built the most successful independent record label in the world. Not only did Motown represent the most iconic recording artists of its time and produce countless global hits—it created a cultural institution that redefined pop and gave us the vision of a new America: vibrant, innovative, and racially equal. This new paperback edition of the first official visual history of the label includes a dazzling array of images, and unprecedented access to the archives of the makers and stars of Motown. Extensive specially commissioned

photography of treasures extracted from the Motown archives, as well as the personal collections of Barney Ales and Motown stars, lends new insight into the lives of the legends. Motown also draws on interviews with key players from the label's colorful history, including Motown founder Berry Gordy; Barney Ales; Smokey Robinson; Mary

Wilson, founding member of the Supremes; and many more.
