Learn the
overwhelming strength
and calm that comes
over you when you
practice the ancient art

of chanting. Chants of a Lifetime offers an intimate collection of stories, teachings, and insights from Krishna Das, who has been called "the chant master of American yoga" by the New York Times. Since 1994, the sound of his voice singing traditional Indian chants with a Western flavor has brought the spiritual experience of chanting to audiences all over the world. He has previously shared some of his spiritual journey through talks and workshops, but now he offers a unique book-with-audio download combination that explores his fascinating path and creates an opportunity for just about anyone to experience chanting in a unique and special way. Chants of a

Lifetime includes photos from Krishna Das's years in India and also from his life as a kirtan leader—and the audio that is offered exclusively in the book consists of a number of "private" chanting sessions with the author. Instead of just being performances of chants for listening, the recordings make it seem as if Krishna Das himself is present for a one-on-one chanting session. The idea is for the listener to explore his or her own practice of chanting and develop a deepening connection with the entire chanting experience.

Shamanism

CreateSpace
Awaken the bard within in this inspiring journey into your creative potential. Expanding

upon the foundation of The Bardic Handbook, this volume explores the transformations the bardic initiate must go through to become a fully-fledged Bard. This originally took 12 years of study in the Bardic Colleges - but communities need bards right now, bringing healing and hope with their words and music and so the training process is accelerated over 12 months, echoing the 12 years of Taliesin's journey from Gwion Bach to the Shining Brow. Extracts from the author's notebooks and journals over 20 years illustrate his own journey - showing how this ancient wisdom has been gleaned and validated by powerful personal experience. The Way of Awen is a way of living creatively.

 Maliodoma Patrice
 Some was born in a Dagara Village, however he was soon to be abducted to a Jesuit school, where he remained for the next fifteen years, being harshly indoctrinated into european ways of thought and worship. The story tells of his return to his people, his hard initiation back into those people, which lead to his desire to convey their knowledge to the world. Of Water and the Spirit is the result of that desire; it is a sharing of living African traditions, offered in compassion for those struggling with our contemporary crisis of the spirit.

In Shamanism for Every Day: 365 Journeys, shamanic practitioner and intuitive consultant Mara Bishop offers readers profound yet simple tools for weaving spirituality and healing into their busy lives. DISCOVER YOUR UNIQUE PATH For thousands of years, practitioners of shamanism have found healing and wisdom by connecting to their own spirits and the spirit that lives in all things. Shamanism can be practiced by anyone. Wherever we are, the powers within the web of life and the keys to our personal evolution are available. In these pages, longtime shamanic practitioner and intuitive consultant Mara Bishop introduces the simple yet profound method of

shamanic journeying. On this path you will: - Connect to your innate knowing, for calm and confidence in intense times. - Develop meaningful relationships with nature for healing and guidance. - Explore spiritual realms with the aid of compassionate spirits. - Learn to manifest your goals and visions through ceremony. With 365 unique journey topics that can be used in any order, or as meditations, Shamanism for Every Day offers an invaluable guide to anyone searching for a daily connection to the sacred. *A New Way of Working With the Ogham* John Hunt Publishing One of the main tenets of shamanism is a belief in the power of

ceremony to manifest change in the physical world. Virtually all shamanic traditions use a variety of ritual practices as tools for personal transformation, healing, and celebration. Now, in this exciting and practical book, Toltec shaman and New York Times best-selling author don Jose Ruiz introduces and explains a wealth of these shamanic rituals and ceremonies, and provides a detailed and accessible guide to performing them on your own. This book will teach you how to::: Choose and create power objects Build a personal altar and medicine wheel Align your life with the cycles of nature Find and work with your spirit animals Honor

your ancestors, undertake power journeys, and much more Like the medicine bag itself, this book is a potent tool kit of spiritual practices meant to open you to a world of beauty, exploration, and transformation. By offering step-by-step instructions in each chapter, don Jose Ruiz has made these rituals and ceremonies accessible to everyone who feels called to travel the shamanic path.

Soul Journeys

Hierophant Publishing
Our world is fraught with problems that demand attention: climate change, terrorism, poverty, and injustice to name only a few. Healing the World takes the fundamental teachings of shamans—the

healer of communities—and applies them to the problems of today, using terms and concepts that anybody, from business leaders to activists, can relate to and understand. It helps people identify their own gifts and find the pathways forward to using those gifts in the world, no matter what their occupation, civic activity, or interests.

Shaman Pathways -
The Druid Shaman John

Have you ever felt that you were 'different'? That the Otherworld was closer for you than it is for other folk? Have you ever wondered how you can tap into the wild, untamed magic of your own faery heart? Then this book is for you. Once upon a time 'Fey'

meant both the spirits of the natural world and the nature of those humans that were in touch with that magic in themselves; the seers, the spirit workers, the ones who walked between. This is your guide to finding that Fey magic which sings in your heart.

Through this book you will meet your guide, visit faeryland, learn about the beings of the faery worlds and develop your own faery craft to work in harmony with the power and cycles of the earth by unlocking the nature of your Fey spirit. Time for you to become the Fey you truly are.

*Discover What It Means
To Be Fey and Unlock
Your Natural Power*
John Hunt Publishing
It may be one of the most complex

questions ever asked: What really happens to the soul after death? Some discarnate souls may cross over; others may stay in the earthy realm to help or protect family members; and other earthbound souls may need to work through psychospiritual dilemmas before being escorted to the Other Side with help from a shaman psychopomp. Dr. David Kowalewski relies on personal experiences and his studies with shamans of many continents to illuminate the mysterious worlds of life, death, and afterlife and share an inside look at the ancient craft of psychopomping. While presenting over ninety cases of psychopomp work, Dr. Kowalewski

offers statistics that explain why souls become earthbound; relay how often unfamiliar spirits show up during journeys; and provide reasons why shamanic protocols, practices, and adventures with the dead in daily life can help the task along. Included are other fascinating examples of psychopomp practices of indigenous peoples from around the world. Death Walkers shares compelling stories and evidence for why there are ghosts around us and the important role shamans play in guiding these earthbound souls to their final resting places. Drawing on first-hand accounts and cross-cultural research, David Kowalewski offers us an engaging

Western perspective on the art and methods of the psychopomp Bill Plotkin, PhD, author of *Soulcraft*. This is an important book for the times we live in, for as people die more consciously, the more conscious the earth becomes. Sandra Ingerman, MA, author of *Soul Retrieval*

Ecstasy and Healing
SAGE Publications

"The seabhean (pronounced 'sha-van') is the Irish female shaman, healer and seer, the woman who walks between the worlds." What if we didn't have to look to other traditions for our spiritual practice? What if we could connect to the roots of our own ancestors' rituals? Amantha Murphy was schooled in the ancient and hidden lore of wise women and healers,

rooted in the Irish landscape and guarded over the years by her female forebears. In *The Way of the Seabhean*, she brings to life shamanic practices from the Irish tradition, combining story, ritual, energy teaching and the insights gathered from her own shamanic journeying. At its core lies the pre-Celtic understanding of the Tree of Life and the Wheel of the Year, containing the seasonal turning points such as Samhain and Imbolc, their attendant festivals and the role and powers of long-suppressed Irish goddesses. Along with the better-known goddesses, Medb, Brigid, Áine and the Cailleach, we also meet a pantheon that includes Tailtiu, Boann,

Macha, Tlachtga. These goddesses are archetypes, aspects of ourselves, which can help us to understand and embrace our many facets. Amantha's shamanic teaching in Ireland, the US and Canada has already opened the Way of the Seabhean to an eager audience.

Shaman Pathways - Following the Deer

Trods John Hunt Publishing

Faeries, gnomes, elves, and sprites have been a part of ancient Celtic lore for centuries.

These nature spirits protect and offer guidance to those who truly believe in their power. This book

explores the mystical world of the Fey (nature spirits and guardians) and provides training to become a Faery shaman. Readers learn how to use the energy of nature spirits to heal their bodies, minds, and hearts. This complete guide illustrates the journey to becoming a Faery shaman, offers tips to strengthen partnership with Faery, provides lessons for productive Faery healing sessions, and includes Faery magick for physical, emotional, and spiritual well-being. Bestselling author and Faery shaman Edain McCoy lifts the veil between our world and the world of the Faery to show readers the benefits of a truly magical relationship. Shaman Pathways -

Black Horse, White Horse John Hunt Publishing

A practical guide to shamanic ancestor work, inspired by Huna and supported by guided rituals and exercises • Explains how to heal traumatic experiences and old blockages that are stored in the memory of your lineage • Includes Hawaiian teachings about spiritual and genetic ancestors and reveals how to bond with your spirit family, your Aumakua • Shows how unlocking the support of your ancestors enables you to shine your light fully Knowing your ancestral lineage is not only a matter of curiosity, your life path will unfold with much more ease if you are aware and in harmony with your origins.

Exploring the heritage of your bloodline as well as the energy of your spiritual family, which we are often less aware of, opens you up to enormous potential for healing and self-development. This practical guide explains, in a clear and straightforward way, how the energy field of our ancestors influences our personal lives and how we can draw from their strength as well as liberate ourselves from burdens that have been carried over generations. It helps us to lift the veil of forgetting and allow ourselves to fully shine our light, supported by the souls that came before us, by making peace with past hurts and traumas. Drawing on the Huna Hawaiian shamanic tradition as

well as other shamanic and energetic practices, the authors show how to connect with our Aumakua, our ancestors and higher self, which includes our close relatives, ancestors stretching back thousands of years, and our spiritual ancestors or karmic family. The authors offer practices to reconcile with our parents and spiritual family, uncover suppressed matters and family secrets, clear and charge our personal energy field and our family energy field, and awaken the potential of our bloodline. They explain how to perform an ancestor healing circle, carry out an ancestor release ritual, and offer blessings for children and grandchildren as well as providing

meditative journeys to meet our ancestors, our spiritual family, and our spiritual roots in other realms. They also provide short case studies to illustrate how the rituals and exercises have worked for other people. By enacting ancestral healing, we can recognize who we are, where we come from, and truly fulfill our destiny in this life.

Ritual, Magic and Initiation in the Life of an African Shaman

Routledge
Probably the oldest known spiritual discipline, shamanism is the timeless art of living in harmony with creation, providing a universal system to work with today, whatever our religion or spiritual affiliation may be. A reflection of a living tradition with a

supremely practical approach to life, it teaches skills for living and ways to utilize latent abilities which we all possess. Celtic Shamanism derives from the native traditions of North-West Europe. The shamanic contribution of the Celts and their predecessors has been overlooked until recently, and is one of the last shamanic traditions to be explored. While it shares common elements with American, Australian and Siberian teachings, it derives entirely from Celtic source material. The Celtic Shaman offers a varied and easily followed plan of self-tuition for anyone interested in Celtic mythology and the Western mysteries.

Tibetan Shamanism

Citadel Press
According to José Stevens and Lena Stevens, business leaders and shamans share many important traits: the abilities to solve problems, to achieve goals, to see the big picture, and to forecast events. What their previous book, *Secrets of Shamanism*, did for the growth of the individual, *The Power Path* does for the growth of business managers and entrepreneurs. On the basis of years of study with shamans, the authors share a new way of thinking about the nature of power. By applying shamanic traditions of power to the workplace, readers learn how to improve work relationships, to understand employees' strengths and limitations, and to

inspire effective teamwork — techniques aimed ultimately toward increasing business success.

Discover the Magical World of the Nature

Spirits John Hunt Publishing

Using shamanic journeying, meditation, movement, sound, and storytelling, Rysdyk shows you how to get in touch with these parts of yourself so that you can develop the creative energy that lives inside you. Using the Siberian shamanistic approach to life, she explains how to evoke the inner hunter/gatherer from deep within. Easy exercises and some basic changes will bring you a renewed way of living, full of richness, peace, physical health, and

harmony for yourself and for the future of our planet.

British Shamanism - Following the Deer Trods Weiser Books

What can Christianity learn from

Shamanism? What can Shamanism learn from Christianity? The conversation starts here... Daniel L.

Prechtel is an Episcopal priest who studies and applies Core Shamanism alongside Christian prayer practices. John R.

Mabry is a United Church of Christ pastor and seminary professor who uses Core

Shamanism techniques in his prayer. Katrina Leathers is a Core Shamanism

Practitioner and interfaith seminary dean. All three authors are spiritual directors. Together, they write

about the intersection of these two great traditions, and the powerful spiritual gifts they bring. Soul Journeys: Christian Spirituality and Shamanism as Pathways for Wholeness and Understanding introduces readers to Christian spirituality and Core Shamanism; and then draws on each author's knowledge and personal experiences to show readers the importance and reality of the spiritual realm in our everyday lives. In this book, you'll discover: -The similarities and differences between Core Shamanism and Christianity -The universe of both traditions, including upper and lower worlds -Christian spiritual

practices for healing and discernment -Core Shamanism's healing methods and divination -Helping spirits that provide healing, and guidance -Unexpected resonances and breathtaking epiphanies -Practical wisdom for our daily spiritual lives Soul Journeys is a breath of fresh air, opening up new spiritual perspectives from ancient traditions. If you enjoy exploring the insights of other faiths, and then bringing those insights back to your own spiritual practice, you will love Soul Journeys. Buy Soul Journeys today and begin your next spiritual adventure! *Shaman Pathways - What is Shamanism?* Penguin Reflecting sixteen years of intensive

fieldwork, this book is a rich chronicle of the daily lives, belief systems, and healing rituals of four highly revered Tibetan shamans forced into exile by the Chinese invasion during the 1950s. Larry Peters lived and studied closely with the shamans in Nepal, learning their belief system, observing and participating in their rituals, and introducing many dozens of students to their worldview. Including photographs of the shamans in ecstatic ritual and trance, this book—one of the most extensive ethnographic works ever done on Tibetan shamanism—captures the end of Tibetan shamanism while opening a window onto the culture and

traditions that survived centuries of attack in Tibet, only to die out in Nepal. The violent treatment of shamans by the Buddhist lama has a long history in Tibet and neighboring Mongolia. At one point, shamans were burned at the stake. However, in the mountainous Himalayan terrain, especially in the difficult to reach areas geographically distant from the Buddhist monastic urban centers, shamans were respected and their work revered. Peters's authoritative and meticulous research into the belief systems of these last surviving representatives of the shamanic traditions of the remote Himalayas preserves, in vivid detail, the techniques of ecstasy, described as pathways to the

shamanic spiritual world.

Helping Them Cross the Bridge New World Library

What is Shamanism? is the product of a collaboration between eleven leading Shaman authors and practitioners each tasked with the discussion of a particular central aspect or theme. The result serves as both an excellent introduction to anyone coming to Shamanism for the first time and a stimulating read for the more experienced Shaman interested in engaging with

contemporary thinking and debate. Edited by Trevor Greenfield, What is Shamanism? features essays from Dorothy Abrams, Elen Sentier, Hearth Moon Rising, Imelda Almqvist, Julie Dollman, Janet Gale, Jez Hughes, Kenn Day, Laura Perry, S. Kelley Harrell and Taz Thornton.
