Poor Mia Thermopolis. Not only has she made a total ass of herself with J.P. (a.k.a. the Guy Who Hates It When They Put Corn in the Chilli), trying to prove that she's a super-chilled party girl. She's also bankrupted the student council. Way to go, Princess. Just as Mia's scared that she's lost Michael AND a ton of money, Grandmere steps in with a fundraising plan. She's going to stage a musical in front of the world's hottest celebs - and the star will be none other than Princess Amelia Mignonette Grimaldi Thermopolis Renaldo! PRAISE FOR MEG CABOT "There is a school of thought that says reading should be entertaining, and this is exactly what Meg Cabot produces for us: fun. She is the master of her genre; she is the George Bernard Shaw, if not the George Eliot of [her genre]." Publishers Weekly "Cabot has . . . an off-the-wall sense of humor that will have readers laughing out loud and a knack for creating fully realized characters that readers will miss when the story ends." Princess in the Spotlight Harper Collins

The tenth book in the #1 New York Times bestselling Princess Diaries series by Meg Cabot. It's Mia's senior year, and things seem great. She aced her senior project, got accepted to her dream college(s), and has her eighteenth birthday gala coming up . . . not to mention prom, graduation, and Genovia's first-ever elections. What's not to love about her life? Well . . . everyone adores her dreamy boyfriend, J.P., but Mia is not sure he's the one. Her first love, Michael, is back from Japan . . . and back in her life. That senior project? It's a romance novel she secretly wrote, and no one wants to publish it. And her father is losing in the Genovian polls—to Mia's loathsome cousin René! With not just Genovia's but her own future hanging in the balance, Mia's got some choices to make. And what she decides might determine not just the next four years but . . . forever! Forever Princess is the tenth book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.

The Princess Diaries Volume II: Princess in the Spotlight HarperTeen

The eighth book in the #1 New York Times bestselling Princess Diaries series by Meg Cabot. At last, Mia is a junior. An upperclassperson. So why is it that everything is going so terribly wrong? What is she doing in Intro to Creative Writing? When she has made it through Algebra and Geometry, why must she be faced with Precalculus? All this is nothing compared to the news Michael springs on her, however. Her beloved boyfriend could be leaving for Japan for a year—or more! Precalc has nothing

Royal Wedding Harper Collins

The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep." Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

Princess for president Student body president, that is. It's all the fault of Princess Mia's power-mad best friend and campaign manager, Lilly, who nominates her in the first place. This is not how Mia imagined kicking off her sophomore year, even if Grandmère thinks ruling her high school makes good practice for ruling Genovia someday. As usual, though, Mia has bigger problems to worry about. Sophomore Geometry appears to be just as hard as freshman Algebra, and a shocking B on her first English assignment has Mia reeling. And with Michael, her one true love, uptown at college, what is the point of even getting up for school in the morning? The last straw is what Lana whispers to her on the lunch line about what college boys expect of their girlfriends ... Really, it's almost more than a princess in training can bear.

Princess Diaries 1 & 2 Bind Up Turtleback Books

The fourth book in the #1 New York Times bestselling Princess Diaries series by Meg Cabot. Never before has the world seen such a princess. Nor have her own subjects, for that matter. But Genovian politics are nothing next to Mia's real troubles. Between canceled dates with her long-sought-after royal consort, a second semester of the dreaded Algebra, more princess lessons from Grandmère, and the inability to stop gnawing on her fingernails, isn't there anything Mia is good at besides inheriting an unwanted royal title? Princess in Waiting is the fourth book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.

The Princess Diaries: Volume 7 and 3/4: Valentine Princess Akashic Books

From the #1 New York Times bestselling author of the Princess Diaries series, comes the very first adult installment, which follows Princess Mia and her Prince Charming as they plan their fairy tale wedding—but a few poisoned apples could turn this happily-ever-after into a royal nightmare. For Princess Mia, the past five years since college graduation have been a whirlwind of activity, what with living in New York City, running her new teen community center, being madly in love, and attending royal engagements. And speaking of engagements. Mia's gorgeous longtime boyfriend

Michael managed to clear both their schedules just long enough for an exotic (and very private) Caribbean island interlude where he popped the question! Of course Mia didn't need to consult her diary to know that her answer was a royal oui. But now Mia has a scandal of majestic proportions to contend with: Her grandmother's leaked "fake" wedding plans to the press that could cause even normally calm Michael to become a runaway groom. Worse, a scheming politico is trying to force Mia's father from the throne, all because of a royal secret that could leave Genovia without a monarch. Can Mia prove to everyone—especially herself—that she's not only ready to wed, but ready to rule as well?

The Princess Diaries Harper Collins

Return to the world of Meg Cabot's bestselling and beloved Princess Diaries series in *From the Notebooks of a Middle School Princess*—this time through the illustrated diary of a spunky new heroine: Princess Mia's long lost half-sister, Olivia! Olivia Grace Clarisse Mignonette Harrison is a completely average twelve-year-old: average height, average weight, average brown hair of average length, average brown skin and average hazel eyes. The only things about her that aren't average are her name (too long and princess themed), her ability to draw animals (useful for her future career as a wildlife illustrator), and the fact that she is a half-orphan who has never met her father and is forced to live with her aunt and uncle (who treat her almost like their own kids, so she doesn't want to complain). Then one completely average day, everything goes wrong: the most popular girl in school, Annabelle Jenkins, threatens to beat her up, the principal gives her a demerit, and she's knocked down at the bus stop . . . Until a limo containing Princess Mia Thermopolis of Genovia pulls up to invite her to New York to finally meet her father, who promptly invites her to come live with him, Mia, Grandmère and her two fabulous poodles . . . Maybe Olivia Grace Clarisse Mignonette Harrison isn't so average after all!

Holiday Princess: A Princess Diaries Book HarperCollins

What on earth is that princess up to now? Hammer in hand, Princess Mia embarks on an epic adventure for one so admittedly unhandy: Along with her cohorts from school, she's off to build houses for the less fortunate. It doesn't take Mia long to realize that helping others -- while an unimpeachably noble pastime -- is very hard work. Will her giving spirit prevail? Will the house collapse due to royally clumsy construction? And most importantly, will Michael stop working long enough to kiss her? What comes between Volumes IV and V of *The Princess Diaries*? Volume IV and

a Half, of course!

The Princess Diaries, Volume X: Forever Princess Turtleback Books

The second book in the #1 New York Times bestselling Princess Diaries series by Meg Cabot. Just when Mia thought she had the whole princess thing under control, things get out of hand, fast. First there's an unexpected announcement from her mother. Then Grandmère arranges a national primetime interview for the brand-new crown princess of Genovia. On top of that, intriguing, exasperating letters from a secret admirer begin to arrive. Before she even has the chance to wonder who those letters are from, Mia is swept up in a whirlwind of royal intrigue the likes of which she's never before witnessed. *Princess in the Spotlight* is the second book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.

This series provides a wide variety of reading material for all learners of English. The books are retold versions of popular classics and contemporary titles as well as specially written stories.

The Princess Diaries, Volume IX: Princess Mia Harper Collins

The first book in the #1 New York Times bestselling Princess Diaries series by Meg Cabot. Mia Thermopolis is pretty sure there's nothing worse than being a five-foot-nine, flat-chested freshman, who also happens to be flunking Algebra. Is she ever in for a surprise. First Mom announces that she's dating Mia's Algebra teacher. Then Dad has to go and reveal that he is the crown prince of Genovia. And guess who still doesn't have a date for the Cultural Diversity Dance? *The Princess Diaries* is the first book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.

The Princess Diaries, Volume 7 and a Half: Sweet Sixteen Princess Harper Collins

That is, it usually means those things. But when you're Princess Mia, nothing happens the way it's supposed to. For one thing, Grandmère seems determined to prove that boy (or Michael, as he is commonly known) isn't the right one for the crown princess of Genovia. And Mia isn't having much luck proving otherwise, since Michael has a history of being decidedly against any kind of exploitative commercialization (Valentine's Day, as it is commonly known). Boris can declare his love openly to Lilly, and even Kenny comes through with a paltry Whitman's Sampler. So why can't Michael give in to Cupid and tell Mia he loves her—preferably with something wrapped in red or pink and accompanied by roses—in time to prove he's Mia's true prince?
