The Exception to the Rule CreateSpace
Caroline has loved Isaiah for as long as she can remember...even though nothing about him is acceptable, according to her family, her town, and everyone in it. All she has ever wanted is a

simple life with the right person, but when things fall apart in her tiny town, she struggles to remember that. When she loses everything, she rebuilds her life and gains a new, unconventional family. For someone who was neglected, she learns what it's like to truly have people who care about her. When her past clashes with her present, she has to

decide what to leave behind and what to grip with everything she has. And Isaiah has to decide whether he fits in this life or if he's only part of the past. Spanning over a long stretch of time, In the Fields is a timeless story of love conquering all.

Damiano de Luca

Author House

The flame never dies . . . Millie Cross knows what it's like to burn for someone. She was young and wild and he was fierce and even wilder—a Chaos biker who made her heart pound. They fell in love at first sight and life was good, until she learned she couldn't be the woman he needed and made it so he had no choice but to walk away. Twenty years later, Millie's chance run-in with her old

flame sparks a desire she just can't ignore. And this time, she won't let him ride off . . . Bad boy Logan "High" Judd has seen his share of troubles with the law. Yet it was a beautiful woman who broke him. After ending a loveless marriage, High is shocked when his true love walks back into his life. Millie is still gorgeous, but she's just a ghost of her former self. High's intrigued at the change, but her betrayal cut him deep—and he doesn't want to get burned again. As High sinks into meting out vengeance for Millie's betrayal, he'll break all over again when he realizes just how Millie walked through fire for her man . . .

If anyone asks, I knew better than to flash my boobs for Mardi Gras beads. I still don't know why I did it. Maybe it was the dare from my two best friends.

Maybe it was the guys on the balcony saying they'd throw Fireball shots with the beads.

Or maybe it was the quiet guy in the corner of that same balcony with piercing gray eyes, wavy dark hair, and a smile so tempting I wanted to climb up there and lick it off his face. Maybe it was because I never thought I'd see them again. Not that it matters. Not today. Because the hotel I manage was finally bought-and the guy who walks in and introduces himself as

my new boss is Mr. Tall, Dark, and Silent. There are many upsides to being single. Your new boss knowing what your boobs look like? Not one of them. (THE UPSIDE TO BEING SINGLE is a standalone, romantic comedy from the author who brought you MISS FIX-IT and BEING BROOKE.)

When Katrina "Kat" Vallia, an idealistic if somewhat naive 20-something American pediatrician travels halfway across the globe to volunteer in a poor African village, she looks at it as a means of closure. Following a bitter breakup with her unfaithful boyfriend, she decides to throw herself into her work

without any distractions from a man. That's until she encounters Dr. Julian Kiron, a handsome, career driven pediatric oncologist. Even though she tries to fight it, Kat finds herself falling deeply for him; until she painfully realizes that they both want totally different things from life. Not willing to compromise for the other, they sadly say goodbye, cutting all ties. Five years later, Kat's happy world is turned upside down when she is given devastating news. She must now confront her past and the secret she's harbored for years. But will saving the one she loves most also rekindle the love she let slip away?

In the sequel/prequel to An Unplanned Lesson, Nicole and Dailan are living out their happily ever after, raising Ryan and their daughter. Nicole has the perfect life and is no longer running away from her emotions. But when her past collides with her present, that perfect life slowly begins to crumble. When Dailan gets in over his head taking on a huge case, that quickly becomes personal to him, Nicole and their marriage soon get put on the back burner. To make matters worse his new assistant is Rachel Wisser, the girl who made Nicole's life a living hell in high school. Take the emotional journey into Nicole's past when she's faced with old ghosts, while she tries

to cope with the effects that it's having on her present. Nicole must prove that she is no longer a scared teenager and fight with all that she has to protect the one person that she endured so much heartache for while trying to save her marriage to the one and only man who allowed her to open her heart.

Lady Gwendolyn

Forever

My new neighbor is a complete jerk. A tall, brooding, tattooed jerk. I tried to be nice, bake some cupcakes for him and his adorable daughter, and the only reaction I could come up with to his ice-cold reception was to shove those pink cupcakes right into his muscular chest. In my defense, it was a rough week. Being back in Seattle

for the first time in years was hard enough, the fact that I was there for the dispersal of my father's will made it even harder. I had no intention of staying, until I got a football stadium-sized surprise as my dad's final gift to me. No ... really. He left me a football team. It's how I found myself in a conference room, staring down the veteran quarterback who wants nothing to do with a new owner. And that quarterback? It's my tall, brooding, tattooed jerk of a neighbor. Now he's everywhere. Next door with his daughter. In meetings. Don't even get me started on away games. Luke Pierson is under my skin, and pretty soon, I'm not sure I want it any other way.

Sinking in the Shadows

Penner Publishing

A free-spirited baker becomes the best kind of mess in her uptight landlord's perfectly ordered life in this next installment of the Off Guard series by Katie Ruggle writing as Katie Allen Leah loves everything about her bakery—the heavenly smells, the satisfaction of feeding people and, of course, unlimited cookies. The only thing she doesn't like is her uptight landlord's daily visits. Sure, the man's drop-dead gorgeous, but for someone with an insatiable taste for treats, he's anything but sweet. Army vet Hamilton knows he comes off as rigid. He just can't seem to bite his tongue around Leah—he might be a virgin but he can imagine a dozen better

ways to use his mouth. But when the woman he considers absolutely delicious is threatened by an unwanted admirer, Hamilton intervenes, captivating Leah with his softer side. Now the man Leah couldn't avoid is swiftly becoming the one she can't resist. Unrelenting temptation soon overwhelms them both, leading to an indulgence in everything they've been craving. But when past actions bring a fallout neither imagined, they'll be forced to confront whether their affair is half-baked—or something to savor forever. And don't miss the first Off Guard book, *Acting Lessons*, available now! This book is approximately 90,000 words One-click with confidence. This

title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN.

It's a promise! Carina Press acknowledges the editorial services of Deborah Nemeth *Dirty Talker* Zebra Books

A gutsy Puerto Rican chef and an exiled queen turned Texas debutante summon ancient powers, expose a double agent and confound Prince Charming in the battle to deliver the people of Baelcrest from the hellish reign of a vile sorceress.

An Unplanned Life Alexandria Bishop Shinto is finally receiving the attention it deserves as a fundamental component of Japanese culture. Nevertheless, it remains a

remarkably complex and elusive phenomenon to which Western categories of religion do not readily apply. A knowledge of Shinto can only proceed from a basic understanding of Japanese shrines and civilization, for it is closely intermingled with the Japanese way of life and continues to be a vital natural religion. This book is a convenient guide to Shinto thought. As a reference work, the volume does not offer a detailed critical study of all aspects of Shinto. Instead, it overviews the essential teachings of Shinto and provides the necessary cultural and historical context for understanding Shinto as a dynamic force in Japanese civilization. The book begins with an

historical overview of Shinto, followed by a discussion of Japanese myths. The volume then discusses the role of shrines, which are central to Shinto rituals. Other portions of the book discuss the various Shinto sects and the evolution of Shinto from the Heian period to the present. Because Japanese terms are central to Shinto, the work includes a glossary.

When Autumn Ends
Elizabeth Stephens

Turn-ons... Party girls. Platinum blondes. Zero expectations. I used to think that if you could combine all three into one female, you'd have the perfect woman. Then why the hell does Ava Pearson—an outdoorsy girl, a brunette, and a woman who screams stability and

responsibility—seem to be the only woman on my mind lately? I've got enough obligations without adding any complications to the mix—my son, my bar...well, that's about it. But that's enough for a guy like me. It's the cupcakes. It's gotta be the cupcakes she bakes that keep me coming back for more. The way to a man's heart is through his stomach, right? Apparently, it's a direct target to his junk, too. Did I forget to mention that she's my buddy's daughter... another member of the Single Dads Club's daughter? Ava might say she can handle being friends-with-benefits, but I'm not sure she can. Unfortunately for her, I'm too selfish of a prick to care—until I do.

Baking Lessons Willow Aster

From USA Today bestselling author Parker S. Huntington comes a steamy, slow-burn love story full of second-chance romance.

Renata Vitali Harlequin / SB Creative

She's a biker chick with an edge. Daughter of an MC President, Trix Slade is used to living on the wild side, but nothing prepares her for being kidnapped by the Grim Bastards MC. Hell bent on getting back home, Trix will do anything to get away from her captors-anything. There's only one problem. Boz is as sexy as he is wild-a tempting combination for a woman like Trix. He's a bastard with a soul. The Bastards' president, Boz Creed, wants to bring Trix's

father down and knows the best way to get to him is by using his precious daughter. Determined to get the revenge he seeks, Boz is willing to do anything to get what he wants-anything.

There's only one problem. Trix is as sexy as she is stubborn-a deadly combination for a man like Boz. Can love between two rival clubs survive without someone taking the ultimate fall?

The Bombshell Effect

Piper Rayne, Inc.

It started as a simple search for a landscape designer...I wanted a beautiful backyard for my new home and my neighbors suggested I look into Ward Landscaping & Design. The owner had no pictures of himself on

his website, just a portfolio of nice outdoor sitting areas, pools, and vibrant gardens that I'd always dreamed of having. Of course I hired him. I expected to meet an average guy, but Mr. Marcel Ward is far from your average man. He's handsome, and well-built, and his smile-though a rare trait-is truly infectious. He's every woman's dream-a handsome, older man who doesn't mind getting down and dirty to create something beautiful all because of his passion for it. Unfortunately that lucky woman can't be me. Although Mr. Ward tests my limits, quickens my breath, and makes my heart skip a beat when he's around, I've made a promise to devote myself to my

husband. So why am I falling for a man I know I can't have?

As It Seems

CreateSpace
Out of the dark comes a knight she least expects. He's the Sergeant at Arms for the Dark Knights MC. He enforces the rules and gets his hands dirty. She's the daughter of a biker. Property of another MC. She's young. He's not. He's lived a life. She's just finding her way. She's a bad idea. A very bad idea. One which can quickly turn allies into rivals. One war is over, he's not ready to begin another. But the temptation might make it unavoidable. Note: While this interracial/age gap story can be read as a standalone, it's best to read it after the Down

& Dirty: Dirty Angels MC books to know the background of both the H and h. As with all my books, it doesn't have a cliffhanger and has an HEA.

Kayla Marlowe is slowly vanishing... Last year, Kayla's world imploded. Her beloved father died, leaving her alone with a narcissistic mother who is quick to criticize her daughter's appearance. During her winter break from college, Kayla's dangerous obsession with losing weight begins. Kayla feels like her world changes for the better overnight. Being skinny seems to be the key to the happiness she has desperately been

seeking. Her mother and friends shower her with compliments, telling her how fantastic she looks. Kayla is starving, but no one knows it. Cameron Bennett explodes into Kayla's life. He's sexy and kind-he has every quality she has been looking for in a guy. As Cameron grows closer to Kayla and learns of how far she's willing to go to stay thin, he becomes desperate to save her. Kayla's struggles with anorexia and bulimia reach a breaking point and she is forced to confront her body image issues in order to survive. She wonders if Cameron could be the one to help heal her from the pain of her past. New Adult Contemporary- Ages 17+ due to language and sexual

situations.

The Upside to Being

Single Carina Press

When Stephanie McGuire witnesses a mysterious stranger plunge into the unforgiving ocean on a stormy afternoon, never to emerge again, her life will change forever. That stranger in the water may have been more acquainted with her than she could've ever imagined. As she tries to put together the pieces of the mystery that surrounds him, she also begins to put back together the pieces of her broken heart. While learning of a past she never knew existed, she manages to face the one she was fully aware of and had been avoiding for far too long. One man

she never knew will lead her down an unknown road to her past and onto a path of new beginnings.

Caveman Alien's Ransom Bloomsbury Publishing USA

He has no idea I can speak his language, or that I know he calls me mine. I'm awoken after a thousands' year sleep to a brutal world ruled by a male who may be the devil himself - Ero. Strange that, though so much has changed, language hasn't lost its roots. Because of that, I'm able to interpret his tongue - the only one who can. I plan to use my strengths to free the captive tribes from Ero's brutality or, better yet, teach Ero that we can be stronger by working together. If I do that, I won't just change the

warlord himself, I'll change everything. Too bad he's vowed to kill me first. _____

Welcome back to Earth - what's left of it, that is, in Xiveri Mates book 7. This barbarian warlord romance is gritty and by far the darkest in the Xiveri Mates universe, containing multiple violent scenes - including acts by the hero against the heroine. It is a complete standalone that can be read at any point and, as ever, comes with fighting heroine who ensnares the villain and a guaranteed HEA.

The Disappearing Girl
Harlequin

Our marriage wasn't just in trouble- mere threads were all that held it together. What was once my perfect happily ever after had

dissolved right before my eyes. I can tell you when it started to happen. What I can't tell you is why. And after seven months of watching my husband turn into someone I didn't recognize, I'd given up hope in finding answers. So I decided to break his heart... and he did

nothing to stop me.
