At first, Christiane is horrified by the freezing cold, the bleak landscape the lack of equipment and supplies... But as time passes, after encounters with bears and seals, long treks over the ice and months on end of perpetual night, she finds herself falling in love with the Arctic's harsh, otherworldly beauty, gaining a great sense of inner peace and a new appreciation for the sanctity of life.

Could this all be a bad dream? How was she to know? Rebecca had far more questions than answers. Five years ago, during the Holmes Hole student cruise, teacher Melissa Smith complained about hearing voices and seeing visions, then disappeared without a trace-from the very same cabin where Rebecca will be staying. Everything seems normal on Sunday as Rebecca boards the impressive Shenandoah. But as she sits in Cabin 8, she hears hushed voices that don't sound like they're from this century. Mike, a crewmember, insists he believes the crazy Island story that Melissa time-traveled to Colonial Boston. His eerie interest in constantly tracking Rebecca's whereabouts rattles her nerves. Her first night onboard, Rebecca drifts off to sleep...and wakes the following morning with memories of a secretive conversation about a battle with Britain. Monday night Rebecca crawls into her bunk after an adventurous day of sailing, swimming, and overseeing students. She's startled awake when a man grabs her and yells, "Stowaway " Dragged in front of Captain Benjamin Reed, she looks up into the most gorgeous brown eyes she's ever seen.... A Vineyard Romance. The most northerly of Britain's island groups, Shetland is so far removed from the rest of the UK that it usually appears as an inset on maps. Although relatively little known to those from outside the islands, Shetland is a magnificent terrain for walkers, especially those who love to really explore and get away from the beaten track. The coastal walking here includes some of the finest in the country, with superb cliffs, towering sea stacks, caves and natural arches seemingly around every corner. Added to this is Shetland's better known claim to fame for its spectacular seabird colonies - huge gannetries, moorland packed with arctic and great skuas, arctic terns in the more sheltered spots, and everyone's favourite - the puffins. The islands also enjoy a dense population of otters, many seals, and a chance to see killer whales or other giants of the deep. Beyond all this natural grandeur, Shetland's history is fascinating too. The archaeological attractions are much less known than those on Orkney, but sites such as Jarlshof have amazingly preserved remains from prehistory right up to more recent times. These include iron age villages, chambered cairns, viking longhouses, pictish carvings, and impressive brochs - including the most complete of all these iron-age defensive towers, on Mousa.
