Tarot of the 78 Doors Norma Editorial

More than thirty years ago, U.S. Games Systems published the The Golden Dawn Tarot, revealing for the first time many truths and secrets of the Hermetic Order of the Golden Dawn, and its interpretation of the tarot. Dr. Robert Wang has faithfully rendered in authentic detail each card of The Golden Dawn Tarot deck based upon the esoteric notebooks of MacGregor Mathers. The card designs follow the symbolic framework of the Inner Tradition formulated by Mathers. Dr. Israel Regardie, the leading author/scholar in the occult field, skillfully guided the creation of The Golden Dawn Tarot, the last great secret teachings of the Order. The deck is now a classic, its symbols and references familiar to tarot experts everywhere.

For centuries, the love-struck, lovesick, and lovelorn have consulted the tarot—a tradition still thriving today. Tall Dark Stranger makes it easy for anyone to explore matters of the heart through tarot. Corrine Kenner's tour of the tarot begins with its colorful, romantic history. She goes on to describe the deck itself—explaining its structure, suits, symbolism, archetypes, and astrological associations—while relating its special significance in love and relationships. The second part of the book is devoted to the nitty-gritty of tarot readings: choosing a deck, preparing for a reading, asking appropriate questions, timing events, and interpreting cards and spreads. By the end of the book, readers will have a powerful edge in conquering the ever-mysterious ways of love.

The latest of Lo Scarabeo's stunning metallic decks, The Golden Tarot of Tsar is printed with shining gold foil, evocative of the richness of the art of the Tsars. Atanassov meticulously captures the intricate art of the Russian miniaturists who exemplified the art of this time. He also brilliantly merges the archetypes of the Tarot with the histories of Christian saints. Just as the saints achieved spiritual enlightenment and expressed their precepts in their daily actions, so the Tarot helps us access the spiritual and manifest it in our everyday lives.

Soma Summarum Llewellyn Publications

Whispers of twilight twist in the corners of your soul. Surreal images surprise your mind. Colors and curves delight your eyes. Bittersweet beauty stirs your heart. You change, grow wiser, and find that the world is complicated, but no less beautiful. Publisher Review: Honesty is imperative. You must know from the start: I love this deck. My heart was lost to it almost a year ago when I was in Italy working in the Lo Scarabeo offices. Riccardo Minetti, the editor there, pulled out Cristina's original artwork and that was, as they say, that. Later, the little flame in my heart was fanned—again by Riccardo—into a bonfire when I was asked to write the dreaded Little White Booklet. If you think using those books is frustrating, try writing them! Luckily, Riccardo turned what could have been a wretched experience into a magical one. He knows that my "mental deck" is the Rider-Waite-Smith deck. He knows that it is my wont to force all decks into that mold. So he instructed me to just sit with this art, one picture at a time and forget what card it is supposed to be and what the Rider-Waite-Smith version looks like. Just sit with the art and write down what it says. And so I did. And in doing so, [read more]

Your cat can now reveal the fate of each of his or her nine lives! Humans aren't the only creatures fascinated by the mysteries of the universe.

2038. The world has transformed from dream to nightmare. Gargoyle-like figures observe the streets from the rooftops. Many of the huge warehouses have become hotbeds for sinister beings, only possible in a perturbed mind or directly extracted from atavistic terrors. Ironically, New York remains the emblem of the world. Decimated of inhabitants, decrepit and ruinous metropolis, yet at the same time infected by new residents impossible to define in waging the final war. At the heart of this fatal scenario: Luz, her sword Malefic, and lots of questions. Apocalypse is only the beginning of the most ambitious work by Luis Royo and Romulo Royo, who launch themselves into creating the fantasy universe of Malefic Time with three illustration books.
