Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."

Vijay & Dev were brothers. From Vijay's debut, they were inextricably wound in

each film's creative process. They trusted each other implicitly, though they did have their own share of creative conflicts too. In an instance, Goldie's unease about a certain decision was echoed by Dev instinctively, in others they never saw eye to eye. The book explores what ticked for Goldie and Dev. How were creative differences resolved? How did the changing India reflect in their films? Was being brothers an advantage or a disadvantage for them? And finally, what was the unknown, the "X-factor" so to speak, which collided and coalesced between these two extraordinary people? Why Leaders Lie All India Radio (AIR), New Delhi
