CHASE SONNY

Juliet, Naked Creative Editions

Simultaneously celebrated and denigrated, celebrities represent not only the embodiment of success, but also the ultimate construction of false value. *Celebrity and Power* questions the impulse to become embroiled with the construction and collapse of the famous, exploring the concept of the new public intimacy: a product of social media in which celebrities from Lady Gaga to Barack Obama are expected to continuously campaign for audiences in new ways. In a new Introduction for this edition, P. David Marshall investigates the viewing public's desire to associate with celebrity and addresses the explosion of instant access to celebrity culture, bringing famous people and their admirers closer than ever before.

A boy comes up with a way to "save" his beloved tree, named Bertolt, after Bertolt has died.

Un viaggio chiamato adozione Farrar, Straus and Giroux
 THE PHENOMENAL BESTSELLER 'There's a book I've been carrying around like a small Bible, *Seven Brief Lessons on Physics*' - Benedict Cumberbatch
 Everything you need to know about modern physics, the universe and your place in the world in seven enlightening lessons
 These seven short lessons guide us, with simplicity and clarity, through the scientific revolution that shook physics in the twentieth century and still continues to shake us today. In this beautiful and mind-bending introduction to modern physics, Carlo Rovelli explains Einstein's theory of general relativity, quantum mechanics, black holes, the complex architecture of the universe, elementary particles, gravity, and the nature of the mind. In under eighty pages, readers will understand the most transformative scientific discoveries of the twentieth century and what they mean for us. Not since Richard Feynman's celebrated best-seller *Six Easy Pieces* has physics been so vividly, intelligently and entertainingly revealed.

Underground Simon and Schuster

The inspiring true story of Greta Thunberg, a young eco-activist whose persistence sparked a global movement. You are never too young to make a difference. Ever since she learned about climate change, Greta Thunberg couldn't understand why politicians weren't treating it as an emergency. In August 2018, temperatures in Sweden reached record highs, fires raged across the country, and fifteen-year-old Greta decided to stop waiting for political leaders to take action. Instead of going to school on Friday, she made a sign and went on strike in front of Stockholm's parliament building. Greta's solo protest grew into the global

Fridays for Future—or School Strike 4 Climate—movement, which millions have now joined. She has spoken at COP24 (the UN summit on climate change) and has been nominated for the Nobel Peace Prize. This timely, unofficial biography is her story, but also that of many others around the world willing to fight against the indifference of the powerful for a better future.

Bertolt Haymarket Books

Winner of the 2011 PEN Translation Prize
 A collection of autobiographical essays by one of the greatest poets to come from Palestine. Indispensable reading for anyone interested in the roots and ramifications of the Israeli and Palestinian conflict. Muhawi's own prose and meticulous footnotes are impeccable. An inspired and scholarly piece of research. —Words Without Borders
 "Every beautiful poem is an act of resistance," writes Mahmoud Darwish. In these probing essays, Darwish, a voice of the Palestinian people and one of the most transcendent poets of his generation, interrogates the experience of occupation and the meaning of liberation. Calling upon myth, memory, and language, these essays delve into the poet's experience of house arrest, his encounters with Israeli interrogators, and the periods he spent in prison. Meditative, lyrical, and rhythmic—Darwish gives absence a vital presence in these linked essays. *Journal* is a moving and intimate account of the loss of homeland and, for many, of life inside the porous walls of occupation—no ordinary grief.

The Spoken Word Revolution Lulu.com

The diary and essays of Brian Eno republished twenty-five years on with a new introduction by the artist in a beautiful hardback edition. 'One of the seminal books about music . . . an invaluable insight into the mind and working practices of one of the industry's undeniable geniuses.'
 GUARDIAN
 At the end of 1994, Brian Eno resolved to keep a diary. His plans to go to the cinema, theatre and galleries fell quickly to the wayside. What he did do - and write - however, was astonishing: ruminations on his collaborative work with David Bowie, U2, James and Jah Wobble, interspersed with correspondence and essays dating back to 1978. These 'appendices' covered topics from the generative and ambient music Eno pioneered to what he believed the role of an artist and their art to be, alongside adroit commentary on quotidian tribulations and happenings around the world. This beautiful 25th-anniversary hardcover edition has been redesigned in the same size as the diary that eventually became this book. It features two ribbons, pink paper delineating the appendices (matching the original edition) and a two-tone paper-over-board cover, which pays homage to the original design. An intimate insight into one of the most influential creative artists of our time, *A Year with Swollen Appendices* is an essential classic.

Never Catch a Cold Passerino Editore

'My father and I head towards a nervous breakdown as he

attempts to erase three years of Communist indoctrination in the course of a single evening. I simply cannot comprehend that Lenin, the friend of all children, is now allegedly an arsehole.'
 When seven-year-old Mischka and her family flee the oppressive USSR for the freedom of Vienna, her world seems to divide neatly in two: there's life as she knew it before, and life as she must relearn it now. But even as she's busy dressing her new Barbie, perfecting her German and gorging on fresh fruit, Mischka is aware that there's part of her that can never escape her homeland, with its terrifying folktales, its insidious anti-Semitism and its old family secrets. As her parents' marriage splinters and her sister retreats into silence, Mischka has to find her own way of living when her head and her heart are in two places at once. There is darkness galore in this novel. But there is also much comedy to be had in its twisted enchanted tales. It is as seductive and unsettling as similar work by Angela Carter or Margaret Atwood, while it shares a geography with *Everything Is Illuminated* and *If I Told You Once*.

Our American Music Dramatists Play Service, Inc.

“What would the world look like if girls grew up reading fairytales made from the magic they carry inside themselves?

Breathtakingly beautiful, is what.” —Lidia Yuknavich, national bestselling author In her debut children’s book, Rebecca Solnit reimagines a classic fairytale with a fresh, feminist Cinderella and new plot twists that will inspire young readers to change the world, featuring gorgeous silhouettes from Arthur Rackham on each page. In this modern twist on the classic story, Cinderella, who would rather just be Ella, meets her fairy godmother, goes to a ball, and makes friends with a prince. But that is where the familiar story ends. Instead of waiting to be rescued, Cinderella learns that she can save herself and those around her by being true to herself and standing up for what she believes. “Being a princess is absolutely fine if that’s what you choose. It’s having those choices taken away from you that make for big problems. Cinderella in Solnit’s book is given that choice. She’s allowed to say what her dreams are, and then she goes out and attains them. And they’re not huge ridiculous dreams but small, happy, manageable ones. Ultimately, that’s the gift Ms. Solnit is giving kids with this book.” —School Library Journal “This is a reminder of hope and possibility, of kindness and compassion, and—perhaps most salient—imagination and liberty. Through the imaginations of our childhoods, can we find our true selves liberated in adulthood?” —Chelsea Handler “This is, hands down, a wonderful book—one that even the jaded reader will clasp upon completion with a contented sigh.” —The New York Times

Home of the Brave Archipelago

THE STORY: A group of American soldiers volunteer for a dangerous mission to a Japanese-occupied island. One soldier develops a complex because he convinces himself that he has failed in his duty to a dying buddy. He imagines that being a Jew and t

Mixed Towns, Trapped Communities Books of Wonder

Since the emergence of rock’n’roll in the early 1950s, there have been a number of live musical performances that were not only memorable in themselves, but became hugely influential in the way they shaped the subsequent trajectory and development of popular music. Each, in its own way, introduced new styles, confronted existing practices, shifted accepted definitions, and provided templates for others to follow. Performance and Popular Music explores these processes by focusing on some of the specific occasions when such transformations occurred. An international array of scholars reveal that it is through the (often disruptive) dynamics of performance – and the interaction between performer and audience – that patterns of musical change and innovation can best be recognised. Through multi-disciplinary analyses which consider the history, place and time of each event, the performances are located within their social and professional contexts, and their immediate and long-term musical consequences considered. From the Beatles and Bob Dylan to

Michael Jackson and Madonna, from Woodstock and Monterey to Altamont and Live Aid, this book provides an indispensable assessment of the importance of live performance in the practice of popular music, and an essential guide to some of the key moments in its history.

In Praise of Reading and Fiction Penguin

Aonia edizioni. La promozione della salute spesso usa l'educazione (alla salute) come strumento per il raggiungimento dei suoi obiettivi. Per questo la SIPS ha organizzato la prima giornata di studio "Strategie e modelli educativi per la promozione del benessere". Gli atti sono una risorsa importante per chi si occupa di promozione della salute. Le relazioni affrontano varie sfide che la promozione della salute oggi trova nei vari ambiti della società. La scuola è il territorio privilegiato per promuovere salute nelle generazioni future, ma anche un luogo di lavoro che genera stress. Si è parlato di modelli educativi mirati all'empowerment for health per i giovani, ma anche di stress lavoro correlato, di benessere soggettivo e della sua valutazione. Questi atti contengono anche gli abstract presentati nelle due sessioni parallele di comunicazioni orali.

Greta's Story Storie del Mondo

George Lucas Diversion Books

Fans of the work of Donald Barthelme, Kurt Vonnegut, George Saunders, and T. Coraghessan Boyle will revel in Alasdair Gray's masterful, witty collection. Gray's stories defy genre, and his angular, playful style, prodigious wit, and razor-sharp intellect are matched by his remarkable skill with the short-story form. In *Job's Skin Game*, the narrator humbly tells his life story like the evenings news. During a moment of awkward revelation, he shares the strangely exquisite pleasure he receives from scratching at the skin condition he's developed since losing his two sons in the Twin Towers tragedy and a small fortune in the dot-com meltdown. In *Big Pockets with Button Flaps*, a wily old man teases and taunts a pair of punk teenage girls as their confrontation takes on social implication through lightning-fast transfers of power and wit. *The Ends of Our Tethers* is vintage Gray--accessible, experimental, mischievous, wide ranging, beautifully written, and wise.

To Catch a Thief Ashgate Publishing, Ltd.

Un viaggio chiamato adozione di Alessia Maria Di Biase, collaboratrice dell'Associazione di Volontariato Ernesto, nasce per diffondere sempre di più la cultura dell'adozione; per condividere le testimonianze di chi ha intrapreso questo cammino e l'ha concluso; per dimostrare che l'adozione è qualcosa che si può fare; ci sono lungaggini burocratiche, attese, intoppi, problemi, ma niente che non si possa risolvere o superare; niente che possa impedire il reale incontro tra il bambino e la sua famiglia. Le testimonianze raccolte in questo diario di bordo, nella maggior parte dei casi, sono state scritte personalmente dalle coppie. Essendo dei racconti privati, personali, intimi non si è preferito non modificarne il contenuto scrivendo, in alcuni casi, soltanto un

breve commento introduttivo o di accompagnamento. Alcuni capitoli invece, sono la sintesi di libri che le coppie hanno scritto per raccontare la loro adozione, dedicati ai loro figli, che ci sono stati gentilmente donati. Questo libro racchiude due anni di lavoro, due anni di incontri, di racconti, di letture, di emozioni, di storie, di condivisioni, ma soprattutto di viaggi. A tutti voi allora, buona lettura e buon viaggio.

Fame Games SAGE

Underground is all about the history and future of DIY punk touring in the USA. Daniel Makagon explores the culture of DIY spaces like house shows and community-based music spaces, their impact on underground communities and economies, and why these networks matter. He shows that no matter who you are, organizing, playing, and/or attending a DIY punk show is an opportunity to become a real part of a meaningful movement and to create long-lasting alternatives to the top-down economic and artistic practices of the mainstream music industry. Punk kids playing an illegal show too loudly in someone's basement might not save the world, but they might just be showing us the way to building something better.

Celebrity and Power Granta Books

Science as well. Finally, all those who were mesmerized by the Thomas/Hill hearings, the Gulf War coverage, and other recent media events will find it enlightening and instructive.

A Year with Swollen Appendices NorthSouth Books

The classic mystery that inspired the Academy Award-winning film by Alfred Hitchcock. “Le Chat” is a legend. He is a mystery. He is a jewel thief, famous and elusive for being able to swipe anything and get away clean. He is John Robie, retired and living a quiet life, tending his rose garden in the South of France. But his retirement plans are thrown for a loop when a series of robberies too closely resemble the work of “Le Chat,” and the police start digging into Robie’s past. To keep himself free, and with the help of an equally mysterious young woman, John Robie will have to catch the true thief, before the police catch him.

Performance and Popular Music Penguin UK

The areas of publicity, public relations and promotions have been considered to be on the periphery of the media. Yet this revealing new book demonstrates that they form a fundamental component of the media industries, with the decline of hard news being accompanied by the rise of gossip and celebrity. In addition to making a substantial contribution to our understanding of the cultural function of celebrity, *Fame Games* outlines how the promotion industry has developed and how celebrity is produced, promoted, and traded within the Australian media. While their analysis will inform academic debates on media practice internationally, the authors have taken the unique step of investigating the workings of the Australian promotion industry from within. Interviews with over 20 publicists, promoters, agents, managers, and magazine editors have provided a wealth of information about the processes through which celebrity in Australia is produced.
