A Tree Oxford

 Winner at the

2019 Independent Press Awards. A beautiful story, printed on stone paper, about the importance, care, and preservation of trees, and the small steps we can all take to care for the planet. One night, the trees in the forest decided it's time to uproot and leave. They yanked out their roots and dragged themselves off across the fields. On his way to school, Goran soon realized what is happening... All the trees had disappeared and holes could be seen where they used to be. Bewildered, he rushed home to find if the tree in his garden had vanished as well. He loved that tree, it used to be his friend during springtime when he swung from his branches, and also in summer when its leaves protected him from the hot sun. Understanding the consequences this would have for animals, humans, and the environment, he set off to counteract the damage that had already been done.

The Selfish Giant
Doubleday Books for Young Readers
NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated

around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review The House on

Mango Street is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting.” Told in a series of vignettes—so

metimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s *Main Street* or Toni Morrison’s *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of

the power of
telling one's
story and of
being proud of
where you're
from.

"The Selfish
Giant" is a
short fantasy
story for
children by
the Irish
author Oscar

Wilde. The
story's plot
revolves
around a giant
who builds a
wall to keep
children out of
his garden,
but learns
compassion
from the
innocence of
the children.

The short
story contains
significant
religious
imagery. The
Selfish Giant
owns a
beautiful
garden which
has 12 peach
trees and
lovely fragrant
flowers, in
which children
love to play
after returning
from the
school. The
Giant put a

notice board
"TRESPASSER
S WILL BE
PROSECUTED"
. The garden
falls into
perpetual
winter. One
day, the giant
is awakened
by a linnet,
and discovers
that spring
has returned
to the garden,
as the children
have found a
way in
through a gap
in the wall... It
was first
published in
1888 in the
anthology *The
Happy Prince
and Other
Tales*, which,
in addition to
its title story,
also includes
"The
Nightingale

and the Rose", "The Happy Prince", "The Devoted Friend" and "The Remarkable Rocket".

 With simple instructions and bright, clear illustrations, award-winning artist Taeun Yoo invites children to enjoy yoga by assuming playful animal poses. And she sparks their imagination further by encouraging them to

pretend to be the animal - to flutter like a butterfly, hiss like a snake, roar like a lion and more. Yoga is great for kids because it promotes flexibility and focus - and it's relaxing good fun! The charming pictures of children and animals and the lyrical text make this gentle introduction to yoga a book to be treasured.

 A tree that had seen a thousand winters before the Vikings came to America tells the stories of

what she and her fellow trees have seen in their lives.
The House on Mango Street
Young Eco Fiction
An oak tree and a crow help their neighbors embrace their differences in this beautiful, nuanced, New York Times-bestselling middle-grade novel from Newbery Medalist author Katherine Applegate. Trees can't tell jokes, but they can certainly tell stories. . . . Red is an oak

tree who is many rings old. Red is the neighborhood "wishtree"—people write their wishes on pieces of cloth and tie them to Red's branches. Along with a crow named Bongo and other animals who seek refuge in Red's hollows, this wishtree watches over the neighborhood. You might say Red has seen it all. Until a new family moves in. Not everyone is welcoming, and Red's experience as a wishtree is

more important than ever. Funny, deep, warm, and nuanced, this is Katherine Applegate at her very best—writing from the heart, and from a completely unexpected point of view. This book has Common Core connections.

Give the gift of holiday spirit with this classic picture book that celebrates how one Christmas tree brings joy to a whole forest

of critters!
 Christmas is here and Mr. Willowby's tree has arrived. There's just one big problem: The tree is too tall for his parlor! He cuts off the top so it will fit, and soon the top of that tree is passed along again and again to bring holiday cheer to all the animals in the forest. Kids will love watching the tree move from home to home, and families will appreciate the subtle message of conservation

and recycling, as the tree top spreads joy to all. This heartwarming story is the perfect way to start the yuletide season, and a warm addition to any family's festive holiday traditions.

 "Watch out Dan Brown and Umberto Eco! Here's a real esoteric thriller written

by some real Illuminati who know the real thing and aren't afraid to let the secret out. Sex, magic, politics, and mystery. The Forbidden Book is a gripping, exciting, and illuminating read." -Gary Lachman, author of Turn Off Your Mind
 "This is a really excellent book-- gripping, thought-provoking, mysterious, deep and resonant with esoteric knowledge. It keeps you

turning the pages in a most compelling way. I couldn't put it down." - Graham Hancock, author of the international bestsellers *The Sign and the Seal*, *Fingerprints of the Gods*, and *Heaven's Mirror* This gripping page-turner has something for every fan of occult fiction: a murder mystery set against the conflicts of Islam and the West with symbolism, alchemy, and magic fueling the action.

The evocative setting of Venice and the Veneto dominates the plot, along with vivid scenes in Santiago de Compostela, Provence, Washington, and the Vatican. The *Forbidden Book* delves deep into esoteric knowledge and practice, thanks to Guido Mina di Sospiro's extensive knowledge of Catholicism and Joscelyn Godwin's authoritative studies of the western esoteric

tradition. Underlying the fast-paced action, the reader will find a profound treatment of moral and political dilemmas, the conflict of religions, and the frightening possibilities of the occult. [Green Was My Forest](#) Parragon Make storytime a little spookier with fantasy master Ray Bradbury as he takes readers on a riveting trip through space and time to discover the

true origins of Halloween. Join the shadowy Carapace Clavicle Moundshroud as he takes eight trick-or-treaters on an unforgettable journey to find their missing friend, Pip. Travel through space and time, from the tombs of ancient Egypt to the gargoyles of Notre-Dame Cathedral, all the way to the cemeteries of Mexico on el Día de Los Muertos, the Day of the Dead. Is Pip still alive? And if so, can his

friends save him from a ghastly fate before it's too late? "If you want to know what Halloween is, or if you simply want an eerie adventure, take this mystery history trip. You couldn't ask for better than master fantasizer Ray Bradbury." -- The Boston Globe
