We all have 'sad stuff' to deal with in life. What makes Michael Rosen most sad is thinking about his son, Eddie, who died. In this book he writes about his sadness, how it affects him, and some of

the things he does to try to cope with it.

The True Story of a Fake Heiress New York Review of Books

When Piggie plays her new trumpet for Gerald, the elephant decides he must be honest in his response.

Hyperion Books for Children

Two best friends grow up—and grow apart—in

this innovative contemporary YA novel Told in dual timelines—half of the chapters moving forward in time and half moving backward—*We Used to Be Friends* explores the most traumatic breakup of all: that of childhood besties. At the start of their senior year in high school, James (a girl with a boy's name) and Kat are inseparable, but by graduation, they're

no longer friends. James prepares to head off to college as she reflects on the dissolution of her friendship with Kat while, in alternating chapters, Kat thinks about being newly in love with her first girlfriend and having a future that feels wide open. Over the course of senior year, Kat wants nothing more than James to continue to be her steady rock, as James worries that everything she believes about love and her future is a lie when her high-school sweetheart parents

announce they're getting a divorce. Funny, honest, and full of heart, *We Used to Be Friends* tells of the pains of growing up and growing apart. *Today I Will Fly!* The Experiment IN DEVELOPMENT AS A HULU ORIGINAL SERIES • From the New York Times bestselling author of *Normal People* . . . “[A] cult-hit . . . [a] sharply realistic comedy of adultery and friendship.”—Entertainment Weekly SALLY ROONEY NAMED TO THE 2019 TIME 100 NEXT LIST • WINNER

OF THE SUNDAY TIMES (UK) YOUNG WRITER OF THE YEAR AWARD • ONE OF BUZZFEED'S BEST BOOKS OF THE DECADE • ONE OF THE TEN BEST BOOKS OF THE YEAR: Vogue, Slate • ONE OF THE BEST BOOKS OF THE YEAR: Buzzfeed, Elle Frances is a coolheaded and darkly observant young woman, vaguely pursuing a career in writing while studying in Dublin. Her best friend is the beautiful and endlessly self-possessed Bobbi. At a local poetry performance one night,

they meet a well-known photographer, and as the girls are then gradually drawn into her world, Frances is reluctantly impressed by the older woman's sophisticated home and handsome husband, Nick. But however amusing Frances and Nick's flirtation seems at first, it begins to give way to a strange—and then painful—intimacy. Written with gemlike precision and marked by a sly sense of humor, *Conversations with Friends* is wonderfully alive to the pleasures and

dangers of youth, and the messy edges of female friendship. SHORTLISTED FOR THE INTERNATIONAL DUBLIN LITERARY AWARD “Sharp, funny, thought-provoking . . . a really great portrait of two young women as they're figuring out how to be adults.”—Celeste Ng, “Late Night with Seth Meyers Podcast” “The dialogue is superb, as are the insights about communicating in the age of electronic devices. Rooney has a magical ability to write scenes of such verisimilitude that

even when little happens they're suspenseful.”—Curtis Sittenfeld, *The Week* “Rooney has the gift of imbuing everyday life with a sense of high stakes . . . a novel of delicious frictions.”—New York “A writer of rare confidence, with a lucid, exacting style . . . One wonderful aspect of Rooney's consistently wonderful novel is the fierce clarity with which she examines the self-delusion that so often festers alongside presumed self-knowledge. . . . But Rooney's natural

power is as a psychological portraitist. She is acute and sophisticated about the workings of innocence; the protagonist of this novel about growing up has no idea just how much of it she has left to do.”—Alexandra Schwartz, *The New Yorker*

 If you’re a dinosaur, all of your friends are dead. If you’re a pirate, all of your friends have scurvy. If you’re a tree, all of your friends are end tables. Each page of this laugh-out-loud illustrated humor book showcases the downside of being everything from a clown to a cassette tape to a zombie. Cute and dark all at once, this hilarious children’s book for adults teaches valuable lessons about life while exploring each cartoon character’s

unique grievance and wide-eyed predicament. From the sock whose only friends have gone missing to the houseplant whose friends are being slowly killed by irresponsible plant owners (like you), *All My Friends Are Dead* presents a delightful primer for laughing at the inevitable.

From acclaimed poet and creator of the popular twitter account @SoSadToday comes the darkly funny and brutally honest collection of essays that Roxane Gay called "sad and uncomfortable and their own kind of gorgeous." Melissa Broder always struggled with anxiety. In the fall of 2012, she went through a harrowing cycle of panic attacks and dread that wouldn't abate for months. So she began @sosadtoday, an anonymous Twitter feed

that allowed her to express her darkest feelings, and which quickly gained a dedicated following. In *So Sad Today*, Broder delves deeper into the existential themes she explores on Twitter, grappling with sex, death, love low self-esteem, addiction, and the drama of waiting for the universe to text you back. With insights as sharp as her humor, Broder explores--in prose that is both ballsy and beautiful, aggressively colloquial and achingly poetic--questions most of

us are afraid to even acknowledge, let alone answer, in order to discover what it really means to be a person in this modern world. [Evalhena Stories](#) Blue Owl Books

 Bove's tale of a World War I veteran living in postwar Paris, searching for friendship and warmth, is an ironic, entertaining masterpiece by one of France's favorite authors. My Friends is Emmanuel Bove's first and most famous book, and it begins simply, though unusually, enough: "When I wake up, my mouth is open. My teeth are furry: it would be better to brush them in the evening, but I am never

brave enough." Victor Baton is speaking, and he is a classic little man, of no talent or distinction or importance and with no illusions that he has any of those things, either; in fact, if he is exceptional, it is that life's most basic transactions seem to confound him more than they do the rest of us. All Victor wants is to be loved, all he wants is a friend, and as he strays through the streets of Paris in search of love or friendship or some fleeting connection, we laugh both at Victor's

meekness and at his odd pride, but we feel with him, too. Victor is after all a kind of everyman, the indomitable knight of human fragility. And, in spite of everything, he, or at least his creator, is some kind of genius, investing the back streets and rented rooms of the city and the unsorted moments of daily life with a weird and unforgettable clarity.

Harper Collins  
Literary Nonfiction. Poetry  
History & Criticism. This  
book of interviews with  
seven senior American

poets—Jack Gilbert, Donald Hall, Galway Kinnell, Maxine Kumin, Lucille Clifton, Ruth Stone, and Robert Bly—and essays on Elizabeth Bishop and Robert Lowell's correspondence, specifically her delicate outrage over his use of his wife's and daughter's letters in his 1974 book, *The Dolphin*, James Wright's poem "To the Muse," and Philip Levine's poems "The Simple Truth" and "Call It Music," presents a broad view of the bold and original epoch in contemporary

American poetry following World War II. In their wise and always engaging responses and commentaries, deNiord's subjects reflect candidly on their careers and the unprecedented big tent of American poetry today. "Chard deNiord is master of the immersed conversation. Informed, curious, knowing when to contend and when to unbend, he meets each of his poets on the high ground of their art, and seduces from them their most closely-held wisdom. SAD FRIENDS, DROWNED

LOVERS, STAPLED SONGS is at once a schooling and a delight."—Sven Birkerts

 When two friends—a sock

monkey and a plush toy dog—get into an argument during playtime, Monkey gets his feelings hurt and proclaims, "You are not my friend!" But when he takes his ball to find someone new to play with, he quickly learns that maybe he hasn't been a very good friend, either. Bestselling author/illustrator Daniel Kirk uses bold and humorous illustrations to convey the important message that sharing and other acts of friendship are two-way streets.

BESTSELLER What Melania wants, Melania gets. The former director of special events at Vogue and producer of nine legendary Met Galas, Stephanie Winston Wolkoff met Melania Knauss in 2003 and had a front row seat to the transformation of Donald Trump's then girlfriend from a rough-cut gem to a precious diamond. As their friendship deepened over lunches at Manhattan hot spots, black-tie parties, and giggle sessions in the penthouse at Trump

Tower, Wolkoff watched the newest Mrs. Trump raise her son, Barron, and manage her highly scrutinized marriage. After Trump won the 2016 election, Wolkoff was recruited to help produce the 58th Presidential Inauguration and to become the First Lady's trusted advisor. Melania put Wolkoff in charge of hiring her staff, organizing her events, helping her write speeches, and creating her debut initiatives. Then it all fell apart when she was made the scapegoat for

inauguration finance irregularities. Melania could have defended her innocent friend and confidant, but she stood by her man, knowing full well who was really to blame. The betrayal nearly destroyed Wolkoff. In this candid and emotional memoir, Stephanie Winston

Wolkoff takes you into Trump Tower and the White House to tell the funny, thrilling, and heartbreaking story of her intimate friendship with one of the most famous women in the world, a woman few people truly understand. How did Melania react to the Access Hollywood tape and her husband's affair

with Stormy Daniels? Does she get along well with Ivanka? Why did she wear that jacket with "I really don't care, do u?" printed on the back? Is Melania happy being First Lady? And what really happened with the inauguration's funding of \$107 million? Wolkoff has some ideas...
