From World Fantasy

Award finalist Kate

Elliott comes a thrilling

companion novella that links *Poisoned Blade* and *Buried Heart*, the final two books in the enthralling *Court of Fives* series. Bettany has always been an outsider in her family: the angry one, the wild one, the daughter who refused to accept the dominance of her Patron father's people over her Commoner mother. When her family is torn apart by a vengeful lord, Bettany makes a dangerous choice to accompany their household servants being transported to the mines, hoping she can keep them from suffering a fate worse than death. Their only chance lies with a stuffy foreign doctor who may be able to help them escape, but can Bettany trust him? Her instincts tell her

there is much more to this man than meets the eye. Read the untold story of what happened to Jessamy's missing twin sister in this beautifully written companion novella to the *New York Times* bestselling *Court of Fives*!

Istanbul has long been a place where stories and histories collide, where perception is as potent as fact. From the Koran to Shakespeare, this city with three names-- Byzantium, Constantinople, Istanbul -- resonates as an idea and a place, real and imagined. Standing as the gateway between East and West, North and South, it has been the capital city of the Roman, Byzantine, and

Ottoman Empires. For much of its history it was the very center of the world, known simply as "The City," but, as Bettany Hughes reveals, Istanbul is not just a city, but a global story. In this epic new biography, Hughes takes us on a dazzling historical journey from the Neolithic to the present, through the many incarnations of one of the world's greatest cities-- exploring the ways that Istanbul's influence has spun out to shape the wider world. Hughes investigates what it takes to make a city and tells the story not just of emperors, viziers, caliphs, and sultans, but of the poor and the voiceless, of the women and men whose aspirations and dreams have continuously

reinvented Istanbul. Written with energy and animation, award-winning historian Bettany Hughes deftly guides readers through Istanbul's rich layers of history. Based on meticulous research and new archaeological evidence, this captivating portrait of the momentous life of Istanbul is visceral, immediate, and authoritative -- narrative history at its finest.

Résumé 1775,  
Steventon — Écoutez...  
Entendez-vous le tic-tac de l'horloge du grand salon qui se fait entendre ? Moi aussi je l'entends dans un bruit sourd avant que maman pousse un dernier cri sauvage qui couvre ce petit bruit.

Silencieusement, je prends de l'air dans mes poumons, puis je crie. J'apparais enfin à la vie et l'on me nomme tout de suite Jane... Message de l'auteur : Je n'ai pas la prétention d'avoir le fin talent de la très célèbre Jane Austen, mais il me tenait à cœur de vous raconter cette histoire poussée par mon admiration pour les écrits et par la vie de cette grande romancière anglaise. Au fil des pages, vous serez certainement saisie par les émotions en parcourant les premières années de sa vie et de celles de son écriture. Cependant, attendez-vous à être surpris par la mystérieuse romance qui s'est animée sous le sceau de ma plume. Il se pourrait même que

vous ne vous en remettiez jamais ! Et si d'aventure, vous souhaitiez poursuivre cette lecture, il vous faudrait le faire sans soulever le moindre sourcil. Alors, peut-être qu'il vous sera dévoilé l'un des mystérieux secrets de Jane Austen : pourquoi ne fut-elle fiancée qu'une seule nuit à Harris Bigg-Wither ? Et seule cette histoire saurait vous le dire...

'A work of towering authority: large in scope; rich in detail; overflowing with ripe humanity . . . more than an engrossing novel: it is a stirring one.' Sunday Telegraph  
An enthralling novel from Thomas Keneally, set in Australia and the Sudan, and spanning the 19th and 20th

centuries. When Dimp Bettany, a Sydney film producer, comes into possession of her ancestor John Bettany's journals, she believes she has finally found the subject of her next masterpiece. Even her more detached sister Prim, an aid worker in the Sudan, becomes intrigued as the story unfolds of how John Bettany carved out a living in the wilds of New South Wales in the 1840s, and of the internment in the notorious Female Factory of Sarah Bernard, the convict woman he was destined to meet. As John's and Sarah's paths converge, each sister finds her life cast in a new and galvanising light.

A gripping fantasy novel set in Marion Zimmer Bradley's Darkover universe. Regis Hastur was the

heir to the most powerful domain on Darkover. When his grandfather died, he would inherit the title Hastur of Hastur, Regent of Darkover—king in everything but name. But ironically, this mantle was the last thing Regis had ever wanted. For he dreamed of a different kind of life—a life with the freedom to live and love like an ordinary man, without the expectations and responsibilities of his position. Yet even Regis recognized Darkover's desperate need for strong, rational leadership—leadership only he had been trained to provide. necessary to lead his world? Or would he turn away from his destiny and finally make his real dreams come true? For on his grandfather's deathbed Regis learns that he has a brother—an older half-brother who could finally relieve Regis of the burden of title he had never wanted.... Lord Bettany

Paris - C'est lors d'une dispute qui les divise dans leur enfance que Polina Leonidov et Vadim Volochenko tombent éperdument amoureux l'un de l'autre. Les années s'écoulaient voyant ainsi leur amour s'élever, toutefois dans le plus grand secret, car leurs cercles familiaux résident dans des milieux fort différents.

Malencontreusement

pour eux deux, Piotr Leonidov mis au parfum de leur idylle s'y oppose implacablement, jugeant le jeune homme de petit arriviste. Ne laissant aucun choix à sa fille aînée, il lui impose des fiançailles avec l'un de ses associés, M. Levkine, un homme bien plus âgé qu'elle et appartenant à son milieu, s'assurant ainsi d'éloigner pour toujours le jeune Vadim. Le cœur aussi brisé que sa belle d'apprendre leur union prochaine, Vadim quitte aussitôt le pays et coupe les ponts avec tout le monde, même avec ses propres parents. Mais après plusieurs années d'absence, Vadim revient finalement en France et apprend par sa mère que Polina, la

seule femme qu'il a toujours aimée, n'a pas épousé M. Levkine. Seulement, voilà ! Vadim n'est clairement plus libre, car il est totalement, fermement, officiellement marié avec Moïsha, une belle infirmière...

**Hastur Lord** Sceptre Standing in stark contrast to the conservative churchmen of Victorian Britain, the Anglican clergyman Stewart Headlam was a passionately progressive reformer, a champion of the working poor--especially women --a defender of the music hall performers his colleagues attacked as licentious, and, in short, a man of God who remained firmly and controversially engaged with the society in which he lived and worked. This

book, the first significant study of Headlam since 1928, paints a rich and complex picture of this larger-than-life man of the cloth, charting the trail he blazed across the social, political, and religious landscape of late nineteenth- and early twentieth-century Britain. Dissatisfied from an early age with his family's Evangelical faith, Headlam became an Anglican curate, but his political views were increasingly radicalized as he befriended working-class atheists and trade union leaders. John Richard Orens details Headlam's repeated conflicts with the establishment figures of his faith over his defense of music hall ballet performers' right to reveal their legs, his role in the early years

of the Fabian Society, his anti-puritanism, and his passionate socialism. Headlam was even instrumental in having Oscar Wilde bailed out of prison following the writer's arrest for "homosexual offenses." With this intellectual biography, Orens places Headlam's life, beliefs, and actions in the context of the period, contributing to the ongoing debate about the proper relationship between Christianity, on the one hand, and society, sexuality, and the arts, on the other. *A Pictorial and Descriptive Guide to Plymouth, Stonehouse, Devonport, and South-West Devon* Macmillan Company of Canada

Secrecy and the Media is the first book to examine the development of the D-

Notice system, which regulates the UK media's publication of British national security secrets. It is based on official documents, many of which have not previously been available to a general audience, as well as on media sources. From Victorian times, British governments have consistently seen the need, in the public interest, to prevent the media publishing secret information which would endanger national security. The UK media have meanwhile continuously resisted official attempts to impose any form of censorship, arguing that a free press is in the public interest. Both sides have normally seen the pitfalls of attempting to resolve this sometimes

acrimonious conflict of interests by litigation, and have together evolved a system of editorial self-regulation, assisted by day-to-day independent expert advice, known colloquially as the D-Notice System. The book traces the development of this system from nineteenth-century colonial campaigns, through two world wars, to modern operations and counter-terrorism in the post-Cold War era, up to the beginning of the Labour government in 1997. Examples are drawn from media, political and official sources (some not yet open), and cover not only defence issues (including Special Forces), but also the activities of the secret

intelligence services MI5, MI6 and GCHQ. These cases relate principally to the UK, but also to American and other allies' interests. The story of how this sometimes controversial institution now operates in the modern world will be essential reading for those in the media and government departments, and for academics and students in the fields of security, defence and intelligence, as well as being an accessible expos for the general reader. Nicholas Wilkinson served in the Royal Navy 1959-98, and from 1999 to 2004 he ran the independent Defence, Press and Broadcasting Advisory Committee. He was a Press Complaints Commissioner from 2005 to 2008, and is a

Cabinet Office  
Historian.

This book draws on over twenty years' investigation of scientific archives in Europe, Australia, and other former British settler colonies. It explains how and why skulls and other bodily structures of Indigenous Australians became the focus of scientific curiosity about the nature and origins of human diversity from the early years of colonisation in the late eighteenth century to Australia achieving nationhood at the turn of the twentieth century. The last thirty years have seen the world's indigenous peoples seek the return of their ancestors' bodily

remains from museums and medical schools throughout the western world. Turnbull reveals how the remains of the continent's first inhabitants were collected during the long nineteenth century by the plundering of their traditional burial places. He also explores the question of whether museums also acquired the bones of men and women who were killed in Australian frontier regions by military, armed police and settlers.

is desperate to save the damsel in distress, but has no idea what it will cost him, or what more he will have to pay to save his kingdom. Tristan despairs for his kingdom on his drunken, bullying, idolatrous brother Dunstan's coronation day. After a raging river whips him a hundred miles away into an impoverished, isolated village, he sees no way to get back home and has to be content to work with and serve these people instead of his own. On one agonizing night, Tristan thinks he has lost his last hope of saving his beloved and ever returning to his kingdom. He cannot see how God can still use him, but love and courage prepare him to face an old enemy and

a new opportunity to rescue the damsel in distress and win the kingdom.
