"Digby always felt like he didn't belong--like he was just a little different from everyone else. He longed for a place that felt like home. One day his yearning sends him on a journey of discovery that will take him to a place where 'feeling different' feels just right"--

When Wolf, Weasel, and Fox steal a turkey for their Christmas feast, no one expects the meal to have her own ideas about the celebration. Don't they want to fatten her up first? Haven't they even hung up mistletoe or baked gingerbread? But the more time the three friends spend with Turkey, the less anyone wants the fun to end... Perfect for holiday story times, this festive book will provide plenty of laughs with its witty narration, amusing characters, and playful illustrations.

Clelia, a successful couturier, arrives in Turin after the end of the Second World War to supervise the opening of a salon in the city where she spent her youth in poverty. Drawn into a circle of young people who try to escape the futility and boredom of their lives in a mindless search for pleasure, she encounters Rosetta, whose suicide tragically foreshadows that of the author just a few months after completing this

highly acclaimed contemporary classic.

Lullabies, Lyrics and Gallows Songs Penguin

"A valuable, necessary lesson that beautifully defines peace for children and their adults."--School Library Journal, starred review
A stunning and multicultural introduction to the concept of peace for young readers, now available in paperback.
Peace is on purpose.

Award-winning authors, Baptiste Paul and Miranda Paul, have teamed up with illustrator Estelí Meza—winner of the 'A la Orilla del Viento' the premier Picture Book Contest Award in Mexico—to create an inspiring look at things we can all do to bring peace into our lives and world.

NorthSouth (NY) Robert Knapp brings invisible inhabitants of Rome and its vast empire to life. He seeks out the ordinary men, housewives, prostitutes, freedmen, slaves, soldiers, and gladiators, who formed the fabric of everyday life in the ancient Roman world, and the outlaws and pirates who lay beyond it. He finds their own words preserved in literature, letters, inscriptions and graffiti and their traces in the nooks and crannies of the histories, treatises, plays and poetry created by members of the elite. He tracks down and pieces together these and other tell-tale bits of evidence cast off by the visible mass of Roman history and culture, and in doing so recreates a world lost from view for two millennia. We see how everyday Romans sought to survive and thrive under the afflictions of

disease, war, and violence, and to control their fates before powers that variously oppressed and ignored them.

Chapters on each of the main groups reveal how their worlds were linked in need, dependence, exploitation, hope and fear. Slaves and ex-soldiers merge into the world of the outlaw; slaves become freedmen; the sons of freedmen enlist as soldiers; and the concerns of women transcend every boundary. We see them all at last in the tumult of a great empire that shaped their worlds as it reshaped the wider world around them.

The Church Year for Children Phaidon Press Christmas is coming! In a church tower, three bells practice ringing for Christmas Eve. But the newest and smallest bell in the tower is silent. What could be wrong? The dove, the wise crow, and all the other animals find good words to try to encourage the little bell to ring. But nothing works . . . until Christmas Eve when they find the words that inspire the little bell to ring out—"Peace on earth." An inventive story about the meaning of Christmas, with ethereal illustrations by Maja

Dusíková.

 For daring to peer into the
 heart of an adulteress and
 enumerate its contents
 with profound dispassion,
 the author of Madame
 Bovary was tried for
 "offenses against morality
 and religion." What
 shocks us today about
 Flaubert's devastatingly
 realized tale of a young
 woman destroyed by the
 reckless pursuit of her
 romantic dreams is its
 pure artistry: the poise of
 its narrative structure, the
 opulence of its prose
 (marvelously captured in
 the English translation of
 Francis Steegmuller), and
 its creation of a world
 whose minor figures are
 as vital as its doomed
 heroine. In reading
 Madame Bovary, one
 experiences a work that

remains genuinely
 revolutionary almost a
 century and a half after its
 creation.

 This classic holiday book
 that brings together
 nature, the nativity, and
 the celebration of the first
 Christmas, Jesus's birth,
 makes a perfect gift or
 stocking stuffer for
 toddlers, boys and girls
 from 3 to 5 years old, and
 the young at heart! "Let
 there be peace on Earth."
 A timeless message of
 how peace can spread
 from one person to
 another, ideal for
 Christmas time, and
 throughout the year. Long
 ago a special child was
 born, and the animals
 heard a song of blessing
 and good will for all the
 creatures of the earth. But
 now the birds wonder why
 no one sings the song
 anymore. And so they fly
 far and wide, singing the
 song of joy and peace.
 Here is a beautiful story
 about the powerful role
 we all play in passing on
 the timeless message:
 "Let there be peace.
 Peace on Earth."
