*Il maestro d'inglese nuovo metodo facile e pratico del dott. Giuseppe Levi* London, Rivers  
 This book presents a semiotic study of the re-elaboration of Christian narratives and values in a corpus of Italian novels published after the Second Vatican Council (1960s). It tackles the complex set of ideas expressed by Italian writers about the biblical narration of human origins and traditional religious language and ritual, the perceived clash between the immanent and transcendent nature and role of the Church, and the problematic notion of sanctity emerging from contemporary narrative.

 They say there's a fine line between love and hate. There is. I fell in love with a monster. He used me. He destroyed me. He made a fool out of me. I didn't know it at the start. You never do. You think you have found the man of your dreams. You think nothing could break you apart. How wrong you are. I loved Marcus Tandem with everything that was me. To him, I was just a business deal, a way to keep something he'd worked hard for. He never had any intentions of returning my affections. He never wanted me in his life. But I wanted him in mine. When you fall in love with the devil, you expect to get burned. Marcus burned me. He consumed me. He devastated me. Somewhere inside, I knew he was no good. I just prayed having me in his life might be enough. I hold onto that small hope, that maybe, just maybe, somewhere deep down in his soul, he might love me too. Someday.

 «Una storia vera alla ricerca di qualcosa là fuori, che conduce inevitabilmente a guardarsi dentro.» Un racconto di viaggio e un'esperienza straordinaria. All'interno si trovano amicizia, saggezza, onestà, divertimento, alcune volte rabbia e... tanto amore! Potrebbe sembrare un romanzo fantastico, ma sono le riflessioni di un viaggiatore durante la sua esperienza australiana alla ricerca di un sogno e di un luogo. È un cammino iniziatico, il punto di unione tra occidente e spiritualità Zen. Un racconto intenso, pieno di vita e mai forzato, che sicuramente farà riflettere. Un libro pieno di energia che cattura fino all'ultima pagina. La ricerca della Baia della Luna, un luogo reale, ma che è nei sogni di ognuno di noi. «La prima volta che avevo visto le foto sul libro che Peter mi aveva regalato mi si era aperta una breccia nell'anima, fino a farmi pensare di partire alla ricerca di quel luogo. Il libro era dedicato a una spedizione negli anni Settanta,

ma non c'era alcun riferimento sulla posizione geografica. L'unica informazione certa diceva che era in Australia, ma dove?... »

 "With grace, humor, and sensitivity, Diana R. Zimmerman renders a traditional Mennonite farm family in Lancaster, Pennsylvania, as seen through a child's eyes and spoken in the hypnotic rhythms of a young girl's voice. The spirited speaker develops a rich sense of herself and her community as she grows up in a conservative religious context where "help means spank," and female children are reared for lives of obedience, modesty, and piety. This is a remarkably immediate work of memory and imagination—authentic, fair-minded, and unsentimental—suitable for readers of all ages."—Julia Spicher Kasdorf, author of *Sleeping Preacher* and *The Body and the Book: Writing from a Mennonite Life*"Diana R. Zimmerman has written a great American memoir. I was reminded of Huck Finn and Harriet the Spy and Jo March as I chuckled and gasped and laughed out loud through this book. You will love this little Mennonite girl, and she will lead you back to your own inner child. You will also start seeing the world through her eyes. You won't want this story to end."—Shirley Hershey Showalter, author of *Blush: A Mennonite Girl Meets a Glittering World*

 In 1638, a small book of no more than 92 pages in octavo was published "appresso Gioanne Calleoni" under the title "Discourse on the State of the Jews and in particular those dwelling in the illustrious city of Venice." It was dedicated to the Doge of Venice and his counsellors, who are labelled "lovers of Truth." The author of the book was a certain Simone (Simḥa) Luzzatto, a native of Venice, where he lived and died, serving as rabbi for over fifty years during the course of the seventeenth century. Luzzatto's political thesis is simple and, at the same time, temerarious, if not revolutionary: Venice can put an end to its political decline, he argues, by offering the Jews a monopoly on overseas commercial activity. This plan is highly recommendable because the Jews are "wellsuited for trade," much more so than others (such as "foreigners," for example). The rabbi opens his argument by recalling that trade and usury are the only occupations permitted to Jews. Within the confines of their historical situation, the Venetian Jews became particularly skilled at trade with partners from the Eastern Mediterranean countries. Luzzatto's argument is that this talent could be put at the service of the Venetian government in order to maintain - or, more accurately, recover - its political importance as an intermediary between East and West. He was the first to define the role of the Jews on the basis of their economic and social functions, disregarding the classic categorisation of Judaism's alleged privileged religious status in world history. Nonetheless, going beyond the socio-economic

arguments of the book, it is essential to point out Luzzatto's resort to sceptical strategies in order to plead in defence of the Venetian Jews. It is precisely his philosophical and political scepticism that makes Luzzatto's texts so unique. This edition aims to grant access to his works and thought to English-speaking readers and scholars. By approaching his texts from this point of view, the editors hope to open a new path in research into Jewish culture and philosophy that will enable other scholars to develop new directions and new perspectives, stressing the interpenetration between Jews and the surrounding Christian and secular cultures.

Lisa is 4 years and 5 months old and Giulia 3 years and 4 months. One morning, the girls' father is taking them to nursery school. L: ... e bravissima, ha riscaldato l'auto. E' bravissima, vera? In praising the sun for having warmed up the car, Lisa has referred to it in the feminine gender, as in the German die Sonne. Her father corrects her by using the masculine gender. F: E' bravissimo. E' if sale. L: E' un maschietto, if sale? (Is the sun a little boy?) F: E' maschife. (It's masculine.) G [determined]: E' una femmina! (No, it's a girl!) F: Forse in tedesco. (Perhaps it is in German.) is left disoriented, speechless. Giulia This book is devoted to language acquisition in children who have been exposed to two languages since birth. It has often been said that the study of simultaneous bilingualism is the "most fertile ground" for the formulation of general theories on language acquisition processes, and indeed, most of the studies on early bilingualism aim in this direction. But in a sense this book serves the reverse purpose. Using the results of psycholinguistic research as a basis, I have sought to understand the peculiarities of the process of language organization in the child who faces the problem of learning two languages when other children are learning only one. Thus, the recurring theme of my study is the diversity of bilingual as opposed to monolingual acquisition.
