*Dracula: Company of Monsters Vol.1*

Marvel

A graphic novel dealing with such subjects as alienation, empathy and understanding beyond appearance.

**Bram Stoker's Dracula** Simon and Schuster

Bram Stoker's legendary novel of gothic horror to life in this stunning adaptation by comics legends Roy Thomas and Dick Giordano-newly colored by June Chung. Solicitor Jonathan Harker travels to distant Transylvania encounters the enigmatic and sinister Count Dracula unearthing dread secrets about his foreign host and his castle. Then the horror continues as Dracula makes his way to England, setting

his sights on Lucy Westenra and Mina Murray, Jonathan's fiancée, and we're introduced to Abraham Van Helsing, the one man who may be able to stop the vampire lord's terrifying plans.

Dracula Caliber Comics

An adaptation of the story of Count Dracula, a vampire who comes to Transylvania to feed on new blood and to widen his ever-increasing circle of vampires.

**Dracula** Arcturus Editions

This abridged, easy-to-read, and illustrated version of the granddaddy of all the modern vampire stories offers a gripping journey into the past, recounting a Victorian-era struggle against an ancient form of evil.

Dracula Vanguard

In this lavish version of Bram Stoker's Gothic tale, contemporary language and

illustrations, similar to those found in graphic novels, transport readers back to Transylvania's Carpathian Mountains, where young Jonathan Harker first meets the Count, then on to Victorian London where Dracula unleashes his reign of terror on Harker's fiancée, Mina. Brooding images and dramatic 3-D scenes rise from the pages as the evil Count Dracula works his sinister spells on a new generation. Reluctant readers, horror fans, and pop-up collectors will marvel as Dracula, the world's most popular and feared vampire, literally jumps off the page in search of victims. With multiple interactive elements on every page, readers will undoubtedly shriek as they watch a cemetery's mist inch toward them, and, just when they've caught their breath, try to keep in the sunlight as a stake is finally plunged into the heart of the villain. A superb example

of paper engineering, this classic pop-up tale offers an interactive, blood-curdling experience while remaining true to the author's original version.

*Bram Stoker's Dracula* Caliber Comics  
Renfield is haunting and sophisticated mini-series of the bug eating inmate from Bram Stoker's classic Dracula novel. It centers on a man who is slowly being consumed by madness because of the visions and voices that intrude upon his dreams and nightmares. While the events from the Dracula novel swirl around him, Renfield faces his pre-ordained task of preparing for his mysterious "master" and struggles to understand what his "messiah" is asking of him. Upon discovering that Dracula is offering him eternal life, Renfield realizes that for beings such as Dracula to live, others must die. This includes Mina Harker who Renfield reveres and this conflict throws Renfield into an internal struggle of the darkness of immortality against his own humanity. And as such Renfield struggles to grasp the overwhelming need to serve the darkness. Staying true to the original Stoker story in chronological order and events, this mini-series focuses primarily on events prior to Dracula's actual arrival in England with a story that runs parallel to Stoker's classic with all the major players of that book present. See why Independent Propaganda called Renfield, .."a truly classic tale in graphic format" and 5 stars (out of 5 possible) "A must have for any serious sequential graphic narrative (comics) fan." and Comic Buyer's Guide called "a gothic jewel." 10 out of 10. .."a rare treat; a truly classic piece..." - Dimstore Reviews "Renfield calls Dracula his master, but I must say that Gary Reed proves that he is the master of storytelling and Renfield proves it!" - Paul Dale Roberts, Jazma Online "Most intelligent graphic novel I've ever read." - Combo Magazine "One of the best..." - Tomorrow's
