**The Sirens of
Surrentum**

Bonnier Zaffre
Ltd.

There's an
empty
notebook lying
on the table in

the moonlight.
It's been there
for an age. I
keep on
saying that I'll
write a
journal. So I'll
start right
here, right
now. I open
the book and
write the very
first words: My
name is Mina
and I love the

night. Then
what shall I
write? I can't
just write that
this happened
then this
happened
then this
happened to
boring
infinite. I'll
let my journal
grow just like
the mind
does, just like

a tree or a beast does, just like life does. Why should a book tell a tale in a dull straight line? And so Mina writes and writes in her notebook, and here is her journal, Mina's life in Mina's own words: her stories and dreams, experiences and thoughts, her scribblings and nonsense, poems and songs. Her vivid account of her vivid life. In this stunning book, David Almond revisits Mina before she has met Michael,

before she has met Skellig. Shortlisted for the 2012 Carnegie Medal. **War and Millie McGonigle** Orion Jonathan's father, Doctor Mordecai, is summoned to Rome to help the plague victims. The four young detectives are wanted too, as the Emperor Titus believes that they can find the mysterious enemy who seeks Rome's destruction. Can the friends prevent disaster? And

what is Jonathan's secret mission? The Charioteer of Delphi Hodder Children's Books Anaxandra is taken from her birth island at age 6 by King Nicander to be a companion to his crippled daughter, Princess Callisto. Six years later, her new island is sacked by pirates and she is the sole survivor. Alone with only her Medusa figurine, she reinvents herself as

Princess Callisto when Menelaus, great king of Sparta, lands with his men. He takes her back to Sparta with him where Helen, his beautiful wife, does not believe that the red-headed child is Princess Callisto. Although fearful of the half-mortal, half-goddess Helen, Anaxandra is able to stay out of harm's way—until the Trojan princes Paris and Aeneas arrive. Paris and Helen's fascination

with each other soon turns to passion and plunges Sparta and Troy into war. Can Anaxandra find the courage to reinvent herself once again, appease the gods, and save herself? In Caroline B. Cooney's epic tale of one girl's courage and will to survive, Anaxandra learns that home is where you make it and identity goes deeper than just your name. *P.K. Pinkerton*

Imperium

Penguin Grade 4-7-A mystery set in ancient Rome. When Flavia, Jonathan, Lupus, and Nubia rescue an admiral from a boating accident, he not only rewards them, but he also offers them a riddle that holds the promise of great treasure to anyone who can solve it. He explains that he saw

the riddle on the wall of a blacksmith shop and that the blacksmith could help solve it if they can find him. Later, the four friends spend the summer with Flavia's uncle, who lives near Mt. Vesuvius in Pompeii and find Vulcan, the blacksmith. He is an orphan and wants to solve his own mystery of why his parents abandoned him. Just as they are all beginning to figure out these

conundrums, the great Vesuvius erupts and they must flee for their lives. The action begins slowly and doesn't really pick up until the volcano starts erupting, about halfway through the book. Also, the mystery element is somewhat confusing and hard to follow. However, the many interesting details about Roman life incorporated into the story provide insight into the period. Readers who

are interested in the time as well as fans of the first book in the series, *The Thieves of Ostia* (Roaring Brook, 2002), may be willing to stick with it until the end. *The Twelve Tasks of Flavia Gemina* Orion Children's Books National Book Award Finalist * Printz Award Winner for Best Young Adult Book of the Year "Ruby's novel deserves to be read and reread. It is powerful, beautiful, extraordinary."—School Library Journal
