ERICK KRISTOPHER

Cinders and Sparks #1: Magic at Midnight Penguin

In this book, The Old Steam Engine, who knows the real stories of what really happened in those fairy tales we all hear, tries to set the record straight. He is, in fact, the real Little Engine that Couldn't. When a little girl named Regan happens upon the old steam engine, he is an abandoned and broken down steam engine. But he begins to speak to her. He tells her that she has heard the wrong stories about what happened to people like Little Green Riding Hood and Snow Purple. He tells the little girl that Little Green Riding Hood was not helpless and did not need a woodsman to save her. So, too, Snow Purple did not need to marry a prince. The real stories of the fairy tales tell children that real people are the heroes of the stories. The uniqueness of the stories appeals to adults as well as children so that the adults reading the stories will find them fun to read and to discuss with the children.

Forgotten Fairy Tales Feiwel & Friends

The famous Cinderella and her neighbor Cinder Edna each worked sunup to sundown for their wicked stepmother and stepsisters. But while Cinderella had the good fortune to be rescued by her fairy godmother, Edna was strong, self-reliant, spunky--and she lived happier ever after! "Nicely executed....This Cinderella send-up is full of kid-pleasing jokes."--Publisher's Weekly.

Angelfall Turtleback Books

The official print edition of the internet phenomenon. Already over 8,000 five star different reader reviews. (And counting.) It's been six weeks since the angels of the apocalypse destroyed the world as we know it. Only pockets of humanity remain. Savage street gangs rule the day while fear and superstition rule the night. When angels fly away with a helpless girl, her seventeen-year-old

sister Penryn will do anything to get her back...

The Glass Queen Lost Plot Press

In the Dreaming, evil fairies hunt rebels like Briar into the darkest nightmares of the kingdom....

Cinder Maid Running Press Kids

Loving dirt more than anything, the blonde-haired witch Hazel manages to follow her stepmother and stepsisters to the Halloween Witches' Ball, where she meets her true love, the equally messy Prince Alarming, in a zany version of the classic fairy tale. Reprint.

Cinderelliot Penguin

Cinders & Sparks is a fresh, funny, and fabulous take on Cinderella for everyone who loves series like Whatever After and Grimmstastic Girls. Cinders isn't supposed to know how to do magic. Her dog, Sparks, isn't supposed to talk. And they're definitely not supposed to go to the fancy palace ball.... But with a fairy godmother named Brian, do we really think that's going to stop them?

Bestselling author Lindsey Kelk makes her children's debut with the first book in a ridiculously entertaining trilogy filled with adventure, talking dogs, and pure comic silliness. Perfect for readers age 8-12.

Cinder's Flame Simon and Schuster

When Cinder Franco finds herself in a new city after fleeing an abusive home, she hopes to start fresh. Her new job may be cleaning up after others, but it pays her bills and keeps her off the street. And right now that is all she can hope for. Ryder Prince has never taken anything for granted. He has worked his way to the top of his career to become one of the most renowned surgeons in the country. But because he has immersed himself in his career, he has found himself alone and detached when it comes to the female population. When he hires Cinder, he instantly sees a light in her eyes. She has been hurt, he can see that, and there is something inside of him that wants to help her. As time progresses and his feelings for her grow, he knows there is something special about her. He wants her, wants to protect and shelter her. When Ryder has to attend a charity event he invites Cinder as his date, hoping that things can naturally progress forward despite her dark past, and the fears they both harbor. But Cinder flees after her emotions get the better of her, and it is up to Ryder to show her that she is worth so much more than she gives herself credit for. It is up to him to show her that to him she is his world now.

Sinful Cinderella Library of Alexandria

A lonely elephant mistreated by her warthog cousins charms Prince Trunky with the help of a furry godmouse.

Joe Cinders Simon and Schuster

A gay retelling of the classic fairy tale--a scrumptious love story featuring ungrateful stepsiblings, a bake-off, and a fairy godfather. Cinderelliot is stuck at home taking care of his ungrateful stepsister and stepbrother. When Prince Samuel announces a kingdom-wide competition to join the royal staff as his baker, the stepsiblings insist that Cinderelliot bake their entries, leaving no time for he, himself, to compete. Fairy Godfather Ludwig appears and magically helps Cinderelliot bake his best chocolate cake, clean up, and get to the competition via limo. At the bake-off, Prince Samuel falls in love with Cinderelliot's cake, but our hero has to run off as the clock strikes midnight, leaving behind his chef hat. The next day, Prince Samuel searches the kingdom for the owner of the hat and finds that it fits perfectly on Cinderelliot's head. The prince is delighted to find not only his new baker but also the man of his dreams, and Cinderelliot creates a magnificent wedding

cake--and the two live scrumptiously ever after.

Strange Alchemy Arthur A. Levine Books

If I didn't know better, I'd think my life is a fairytale. Orphan? Check. Evil stepmom? Check. The only problem with my theory is the lack of a dashing prince coming to my rescue. That is until Xander comes along. He's charming, gorgeous, and caring. With him my life doesn't feel like a neverending list of chores. After my stepmother does the unthinkable, my only hope is winning a publishing competition. But when I find who Xander really is, even that becomes a lost cause. Midnight Ash is a sweet romance with a sexy kinky twist on the side, and a cast who don't quite behave as you'd expect. Midnight Ash is a contemporary Cinderella retelling, and part of the MM Fairy Tale Romance series. All books are completely standalone and are modern retellings of classic fairy tales with a gay romance twist.

Cinder's Trial Simon and Schuster

This Cinderella doesn't need a prince charming, but she would like a happily-ever-after. Silly me, I thought I'd beaten the Grimm Effect when I ditched the old man who wouldn't stop chasing me at the ball. However, here I am, decades later, with my fairy godmother popping back in for round two. No thanks. I intend to marry for love and not because of a curse. Avoiding the marriage trap might be easier if I wasn't roped into acting as a liaison for a certain European prince. A good thing he's at least charming compared to his assigned protective Grimm Knight. The upcoming ball for the prince's birthday is turning into a chaotic mess, with hundreds of Cinderellas showing up determined to lose their shoe. While I'm busy trying to screen them before they come near His Royal Highness, I'm being plagued by oddities, some of which are threatening my life. As the curse does its best to force me into playing my role, I am equally determined to fight it. The question is, will my refusal to conform ruin my chance at happiness? A twisted, fairytale romance featuring a Cinderella who is determined to avoid marrying a prince.

Bigfoot Cinderrrrrella Arcturus Publishing

A 1st Place Inkitt Novel Contest Winner for January 2018 Selected as Feminist Book of the Month by F-BOM Book Club for Sep/Oct 2019 I'm not who they think I am. A docile girl who meekly obeys her stepmother and stepsisters. Some kind of sick angel who cheerfully bears their mistreatment. That's what I WANT them to think. Because then they won't suspect what I'm really up to. The ball, the prince - it's all part of my plan to come out on top. Stepmother and her demented daughters will pay for every floor I have scoured, every sneer I have borne. They don't know about the white magic, how I use it to enhance myself. They can't see that my heart is black as midnight, rotten as a poisoned apple. They're about to find out.

Cinder & the Prince of Midnight Dark Fairy Tale Queens

Danielle Whiteshore, aka Cinderella, reveals what really happens after the "happily ever after" as she, along with Snow White and Sleeping Beauty, race against time to rescue her husband, Prince Armand, from the clutches of some of fantasyland's most nefarious villains. Original.
