### STEVENS SAGE

*My Dear Boy* Bold Strokes Books Inc

"Dancing the Gay Lib Blues is a personal account of the early days (from 1969 through 1971) of the "Gay Liberation" movement, focusing on the organization Gay Activists Alliance (GAA). Author Arthur Bell (November 6, 1939 - June 2, 1984) was one of the founders of the group, as well as a journalist, author, and gay rights activist."--

**Some of My Best Friends** Teardrops on My Drum

This volume brings into daylight one of the most explosive episodes of censorship and censure of academic scholarship in recent decades, presenting an extended version of Bruce Rind's suppressed essay on sexual relations between male adults and adolescents cross-culturally, accompanied by twelve essays arguing for or against Rind and analysing the controversy.

**Word is Out** Beacon Press

OK2BG is narrative nonfiction, a Memoir about a guy who wants to be a Mentor preferably to a

teenager, so they can have a decent & meaningful conversation about stuff & preferably with a kid at-risk, or just otherwise lost, in order to help both the teenager as well as the determined subject of this story realize their unique potential & find or reinforce their place in the world. Overall, a chronicle about the author's attempt over several years to understand the question of 'why do I want to be a Mentor' which eventually helps him become a more insightful person. Subsequently in September, 2010 after a plague of teen suicides, Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at-risk, from bullying. After 5 years Jack has categorized 2,000+ books in the form of Memoirs, Biographies & Autobiographies written by or about 1,000+ allegedly gay men. The primary message in OK2BG is to read & reassess before you run asunder!

**Hidden from History** U of Minnesota Press

A look at American attitudes toward homosexuality from colonial days to the present.

**Beatle Pete, Time Traveller** Left Coast Press

Discusses the emotional, social, and physical aspects of homosexuality and the problems encountered by homosexuals and lesbians in an anti-homosexual society.

**My Gay Brother** Lulu.com

Threads are all investigative journalist Logan Walker has to go on when he starts digging into a scandal that involves corporate magnate Franklin Judson and his hush money paid to young street hustler Baxster Crown. But when hit man Ben Donovan pays him a visit, Logan discovers that these threads weave an entire tapestry of affairs between men and boys that go back to the Dawn of Time. If he continues pursuing this story, he will not only expose Judson and his indiscretions, but also shed an honest light on what most in society consider sick and twisted behavior.

*Looking At Gay & Lesbian Life* iUniverse

Marching to an Angry Drum deals with the difficulties encountered by both gays and lesbians who are required to lead a double life while serving in the military. The "Angry Drum" is that aspect of the military that destroys lives not only through combat but also through the hostility of purges, intolerance and prejudice. Mitchell has written a fine addition to the turbulent history of gays in the military. It's star-spangled summer reading, replete with guts, romance, and gay patriotism and, importantly, the loyalty of straight friends.-Charles Alexander, *Between The Lines*, Farmington, Michigan, July 2000 Marching to an Angry Drum is a story that needs to be read by anyone apt to

turn a blind eye to gays and lesbians in the military. March to the bookstore and get this one-double-time.-Ken Marten, editor, The Mirror, Royal Oak, Michigan, January 2004

*Sing Out!* Alyson Publications

The story of a brilliant, musically talented gay man who is rejected by family and religion. He marries, fathers a child, comes out, becomes an alcoholic, and dies penniless in his Denver apartment.

Dictionaries CreateSpace

A provocative and eye-opening account of growing up gay and Amish. Poet James Schwartz combines a mixture of poetry, short stories, and essays, to elucidate what it's like to be born gay within an Amish community. The Literary Party is an emotional, touching book with implications that extend to any religion or culture where intolerance is prevalent. GayAndAmish.com

*I Love My Gay Badger Son* William Morrow

Ever since the dawn of time, homosexuality has existed. Whether it was the love between two male or female T-Rex's, or a companionship involving two members of the Whig Party in the 1700s, you couldn't avoid it. Because of its taboo nature, the subject was often discussed and practiced behind closed doors—until someone spilled the beans and ruined it for everyone! Mistakenly diagnosed as a mental health disorder, being gay was often frowned upon by the general public for various reasons, mainly involving religion and people's ignorance of the subject matter. For anything you don't know or understand, you will almost certainly be against it. For years, gay men and women have struggled to prove to the world they are just like you. Now homosexuality is mainstream. The world even seems to be getting along better, but the fight for acceptance is far from over. After coming out to his peers after years of being in the closet, the author was asked many questions about his sexuality, including: “Why are you gay?” “Is it true all gay men want to sleep with straight men?” “Were you molested as a child?” There is a general

knowledge people want to know about the “gay life”. This book is for anyone who may want to ask their gay peers about their life without offending them. The author answers the questions to the best of his ability, based on his experiences as a gay male, delivered with a homespun twist. Growing up he was always asked by daring peers. “Are you gay?” After years of denial and gaining the strength to better answer that question. He wrote this book to explain what it's like to be him and proclaim: Yes, I'm gay; No, I don't want you!

*Dancing the Gay Lib Blues* Lulu.com

After the Ball is required reading for straights interested in understanding a minority that comprises 10% of the population and for gays who are learning that the revolution is far from over.

The Shared Heart Createspace Independent Pub

Know someone with an antwacky stem-winder? Heard the Band of Hope Street? Ever been on a vinegar trip? Do you jangle? Ever met a Cunard yank in the Dingle? Could you pay for a dodger with a joey? Have you heard a maccyowler in a jigger? The Liverpool English Dictionary records the rich vocabulary that has evolved over the past century and a half, as part of the complex, stratified, multi-faceted and changing culture of this singular city. With over 2,000 entries from 'Abbadabba' to 'Z-Cars', the roots/routes, meanings and histories of the words of Liverpool are presented in a concise, clear and accessible format. Born and bred in Liverpool, Professor Tony Crowley has spent over thirty years compiling this bold and innovative dictionary, investigating historical lexicons, sociological studies, works of history, local newspapers, popular cultural representations, and, most importantly, the extensive 'lost' literature of the city. Illuminating, often remarkable, and always enjoyable, this book transforms our understanding of the history of language in Liverpool.

**The Gay Book of Lists** Doubleday Books

Seventeen-year-old Ewan begins to come to terms with being gay.

*Cracks in the Image* Ingroup Press

With a Foreword by symphony orchestra conductor Leonard Bernstein and insight into such varied figures as Beethoven, Billie Holiday, Boy George and Bette Midler and Bruce Springsteen.

*Michigan School Moderator* HarperCollins Publishers

Gay Love Letters Through The Centuries Writers range from Kings and aristocrats, musicians and artists, soldiers and monks, to farm labourers, political activists, hustlers and drag queens. Illustrated.

*Marching to an Angry Drum* Oxford University Press

Clum provides a smart, affectionate, and frequently hilarious book about gay men and the musical theater. 12 illustrations.

Gay/Lesbian Almanac St Martins Press

Teardrops on My Drum Alyson Publications Looking At Gay & Lesbian Life Beacon Press

The Milkman's on His Way Silver Burdett Press

In this witty, insightful memoir, longtime school psychologist Barry Losinsky shares his painful coming of age story as an overweight gay man against the backdrop of the Vietnam War, his Jewish ancestry, Baltimore's race riots and the AIDS epidemic. He eventually comes to terms with himself, finds the love of his life, and uses his own experiences to help troubled kids in the public schools. Written with warmth and heartbreaking honesty, the writer takes the reader on a journey that explores gay relationships and power of acceptance.

**Farm Life**

Life story of Antwaun Gay, son of Marvin Gay, Sr. and brother of Marvin Gaye.

*Eyewitness Drummer Vol. 3*

Discusses gender roles, human sexuality, prejudice, discrimination, lesbian and gay politics, AIDS, gay culture, and the homosexual in literature
