I want to see her cry. But, more than anything, I want to watch as panic seizes her immobile. I need to see the look on her face when she realizes, the man she couldn't spare a second at, is the one who will love her so fiercely that she'll never be the same. Now, until the time comes for our happily ever after, I'll be forced to endure the hell of witnessing her stumble through the life she doesn't know she's about to lose. She. Is. My. Electa Rome Parks paints a powerful portrait of a crazed fan who can't seem to close the book on the affair after a one-night-stand with a famous author—and who will stop at nothing to make him hers. Even if that means killing him. . . Bestselling author Xavier Preston is used to women throwing themselves at him. On top of being a successful writer, he's also tall, dark and sexy as sin. He's always relished the attention, in fact, and is ever-

willing to entertain the erotic urges of women wanting to get between more than the covers of his novels. Except once he meets Kendall, he decides it's time to put his womanizing ways behind him and devote himself to her entirely. Well, almost. . . Gorgeous Pilar is the last decadent treat Xavier decides he'll help himself to—thinking they are both on the same "no strings" page. Except behind Pilar's fine façade beats the heart of a raving maniac—a fatally attracted fan addicted to the kind of hot loving only Xavier can give her. And she's not about to let him get away from her so easily. So what starts out as a discreet dalliance soon spirals into a deadly game of obsession and pain—which can only have one winner. . .

The internationally bestselling Killer Instinct series returns with a terrifying new thriller: Detective Joona Linna—recently back from compassionate leave—reunites with hypnotist Erik Maria Bark in a search for a seemingly unassailable sadistic killer. “Kepler is a virtuoso at delivering scenes of suspense.” —The New York Times Book Review The Swedish National Crime Unit receives a video of a young woman in her home, clearly unaware that she's being watched. Soon after the tape is received, the woman's body is found horrifically mutilated. With the arrival of the next, similar video, the police understand that the killer is toying with them, warning of a new victim, knowing there's nothing they can do. Detective Margot Silverman is put in charge of the investigation, and soon asks Detective Joona Linna for help. Linna, in turn, recruits Erik Maria Bark, the hypnotist and expert in trauma, with whom Linna's worked before. Bark is leery of forcing people to give up their secrets. But this time, Bark is the one hiding things. Years before, he had put a man away for an eerily similar crime, and now he's beginning to think that an innocent man may be behind bars—and a serial

killer still on the loose....

J. W. Jackson, the ex-Boston cop turned fisherman, cook, and jack-of-all-trades, delves deep into the mysterious depths of his beloved Vineyard in author Philip Craig's most compelling caper yet. With his wife, Zee, and two kids visiting relatives in "America," J.W. is alone and quickly tiring of his temporary bachelor status when a request from Carole Cohen comes as a blessed diversion. Carole wants J.W. to find the person who's stalking her brother, Roland. Known locally as "The Monk" for his reclusive ways, Roland lives on a beautiful piece of Vineyard real estate that he co-owns with his cousin, Sally Oliver. A number of people, including Sally, would do almost anything to convince Roland to sell his valuable property. But does that include violence? J.W. is happy to take on what looks like a short and easy assignment, though he soon realizes that Roland may lead a more complicated life than his austere living arrangements suggest. And when a body turns up near Roland's land, what seemed like a property dispute takes a detour into murder -- with J.W. in the midst of the action once again. Featuring a rich mix of money, lust, pride, and jealousy, spiced with a little poignant regret, Vineyard Stalker is a page-turning and deftly plotted addition to this popular and engaging series in which Martha's Vineyard itself is always the star.
