Publisher description

Sunday Night Revival Syracuse

University Press

First Published in 1995. Routledge is an imprint of Taylor & Francis, an informa company.

Dinosaurs! Alfred Music

This Companion is intended as a supplement to *The Mechanical Muse: The Piano, Pianism and Piano Music, c.1760-1850*. The book is laid out

alphabetically and full biographical entries are provided for all musical figures mentioned, including composers, performers, theoreticians and teachers, as well as piano makers and publishers of music, within the period covered by *The Mechanical Muse*. As well as biographical information, entries contain lists of principal works, a section on further reading, descriptions of musical forms and characteristics of dances. This Companion is indispensable to users of *The Mechanical Muse*.

Teach Yourself to Play Accordion
Columbia University Press

The author explores the phenomenon of the Jewish culture in Europe. In this book

she asks in what way do non-Jews embrace and enact Jewish culture and for what reasons.

JOB. Mel Bay Publications

It's never too late to play piano is perfect for those who wished they'd learnt to play the piano when they were younger, or those who wish they hadn't given up. At last, a truly grown-up approach to learning the piano! Pam Wedgwood, author of many popular piano series, takes you through the rudiments of piano technique and music theory in her own friendly style that's guaranteed to get results. The book is organized into clearly structured progressive units with a fabulous array of music to get you playing straight away, including Pam's own jazzy pieces, plenty of well-known classics and a smattering of pop and

show tunes. Help and information is included at every step with top playing tips, technical boxes, fact files, general advice noticeboards, crosswords, recommended listening and boxes of fascinating musical history. The accompanying audio includes full performance play-along tracks as well as interactive activities to help you practise. Free teacher's accompaniments are available to download online. The ground-breaking It's never too late... series gives adults the opportunity to learn the piano with a method devised especially for them alongside a selection of exciting supplementary repertoire books. This is the full eBook edition in fixed-layout format.

Pictures of People Macmillan + ORM
Carl Flesch's "Urstudien für Violine" or

"Basic Studies for Violin" is still used to day as a staple for students across the globe. This wonderful clean reprint of the original Ries & Erler plates from 1911, has text in German, English, and French. Reprinted here by Edition Fleury 2013. As with all Edition Fleury publications, blank staff paper and section for teacher notes are present in the back of the book.

The Companion to the Mechanical Muse
Univ of California Press

A sparkling and eye-opening history of the Broadway musical that changed the world In the half-century since its premiere, Fiddler on the Roof has had an astonishing global impact. Beloved by audiences the world over, performed from rural high schools to grand state theaters, Fiddler is a supremely potent

cultural landmark. In a history as captivating as its subject, award-winning drama critic Alisa Solomon traces how and why the story of Tevye the milkman, the creation of the great Yiddish writer Sholem-Aleichem, was reborn as blockbuster entertainment and a cultural touchstone, not only for Jews and not only in America. It is a story of the theater, following Tevye from his humble appearance on the New York Yiddish stage, through his adoption by leftist dramatists as a symbol of oppression, to his Broadway debut in one of the last big book musicals, and his ultimate destination—a major Hollywood picture. Solomon reveals how the show spoke to the deepest conflicts and desires of its time: the fraying of tradition, generational tension, the loss of roots.

Audiences everywhere found in Fiddler immediate resonance and a usable past, whether in Warsaw, where it unlocked the taboo subject of Jewish history, or in Tokyo, where the producer asked how Americans could understand a story that is "so Japanese." Rich, entertaining, and original, *Wonder of Wonders* reveals the surprising and enduring legacy of a show about tradition that itself became a tradition. Wonder of wonders, miracle of miracles.

Music and language Routledge

Features a collection of 40 gospel favourites. These songs range from reflective songs of faith to 'roof raising' songs of joyous celebration, taking you back to the times of faith and convictions. They are intended for intimate home playing, worship, small

gatherings and revivals.

Orchestral Bowing: Style and Function
Back Bay Books

The plot of "The Search for M" revolves around the lives in contemporary Vienna of two generations of European Jews, the survivors of the Holocaust and their children. Members of the first generation of survivors, their own sense of identity severely undermined by history, are capable of passing on to their offspring only a very fragile sense of worth and belonging. The lives of two main characters of the second generation illustrate the result of this legacy. Dani Morgenthau's sense of self boundaries is so weak that he suffers as an adult from a pathological compulsion to claim the guilt of criminals. Arieh Arthur Bein exploits a similar psychological defect in

his work as an agent for the Israeli secret service. With only the barest of evidence to go on, he seeks out and exposes enemies of the Israeli state, setting them up for the assassin's bullet. The novel reaches for at least a tentative resolution when the lives of these two figures intersect.

Wonder of Wonders Hal Leonard Publishing Corporation

Promote a better understanding of how bowing technique (function) merges with musical interpretation (style) to produce optimum results. This text addresses the elements of sound production, bowing technique, terminology, and musical interpretation---all with integrated teaching suggestions. The correlated workbook contains exercises, etudes, and excerpts for applied study.

Appropriate for school ensembles thru college method classes.

Old Jewish Folk Music Legare Street Press

Teach violin with the popular Suzuki Violin School. The Suzuki Method(R) of Talent Education is based on Shinichi Suzuki's view that every child is born with ability, and that people are the product of their environment. According to Shinichi Suzuki, a world-renowned violinist and teacher, the greatest joy an adult can know comes from developing a child's potential so he/she can express all that is harmonious and best in human beings. Students are taught using the "mother-tongue" approach. Each series of books for a particular instrument in the Suzuki Method is considered a Suzuki music school, such as the Suzuki

Violin School. Suzuki lessons are generally given in a private studio setting with additional group lessons. The student listens to the recordings and works with their Suzuki violin teacher to develop their potential as a musician and as a person. This Suzuki Book & CD is integral for Suzuki violin lessons. This revised edition of the Suzuki Violin School, Volume 3 features: * Revised editing of pieces, including bowings and fingerings * Additional exercises, some from Shinichi Suzuki, plus additional insight and suggestions for teachers * Text in English, French, Spanish, and German. * Musical notation guide * Fingerboard position * CD with recordings by William Preucil Jr., accompanied by Linda Perry, as well as piano accompaniments recorded alone.

Titles: Study Points * Tonalization * Vibrato Exercises * Gavotte (Martini) * Minuet (Bach) * Gavotte in G Minor (Bach) * Humoresque (Dvorák) * Gavotte (Becker) * Gavotte in D Major (Bach) * Bourrée (Bach). For a complete list of the most recent printings by AMPV number, go to alfred.com/suzuki. This title is available in SmartMusic. The International editions include an updated title page that designates the book as the International Edition.

Especially for Adults, Book 1 Syracuse University Press

A vibrant chronicle of the life and work of a prolific painter and bohemian eccentric.

Border Dialogues Ashgate Publishing, Ltd.

Please see the Instrumental section of

this catalog for complete description.

Jewish Cultural Studies OUP USA

The essays in Border Dialogues embark on journeys into some of the most challenging territories of contemporary culture, philosophy and criticism. They intervene in the debate on modernism and postmodernism through critical encounters with a diverse range of theoretical and cultural topics. By exploring the interstitial zones where traditional disciplines and discourses overlap, Chambers seeks to widen some of the terms of contemporary critical thought. The common goal of the essays in Border Dialogues is a reading of postmodernity in which the different voices and vocabularies in contemporary theory come together in an increasingly shared network.

It's never too late to play piano Taylor & Francis

Filled with fun musical examples in a variety of styles, this book is perfect for absolute beginners and for experienced players who need a review! Teaches technique for both right and left hand, and features clear, easy-to-understand lessons and music theory in standard notation. Complete button chart included.

Beyond the Baton Faber Music Ltd

For 900 years the Polish shtetl was a home to generations of Jewish families. In 1944 almost every Jew was murdered and with them died a way of life that had survived for centuries. Yaffa Eliach has written a landmark history of the shtetl. Alfred Music Publishing
Sholem Aleichem, whose 150th

anniversary was commemorated in March 2009, remains one of the most popular Yiddish authors. But few people today are able to read the original. Since the 1910s, however, Sholem Aleichem's works have been known to a wider international audience through, numerous translations, and through film and theatre adaptations, most famously *Fiddler on the Roof*. This volume examines those translations published in Europe, with the aim of investigating how the specific European contexts might have shaped translations of Yiddish literature. The contributors are Gennady Estraiikh, Alexander Frenkel, Roland Gruschka, Alexandra Hoffman, Kerstin Hoge, Sabine Koller, Mikhail Krutikov, Olga Litvak, Eugenia Prokop-Janiec, Gabriella Safran, Jan Schwarz,

and Anna Verschik. Book jacket.

The Klezmer wedding book Alfred Music

Polish-Jewish relations, rather good in pre-partition Poland, deteriorated in the mid-19th century, and even more in the Second Republic (1919-39) with its exclusivist nationalism. The wartime period was marked by strong anti-Jewish moods in Poland; antisemitism was a "legitimate" stance within the resistance movement. However, many Poles helped Jews. Between 1944-48 Polish rulers conducted politics favorable toward Jews, but they used the Jewish issue as a tool in their struggle against the old elite, which whipped up anti-Jewish sentiments. In the 1950s-60s the Holocaust was increasingly de-Judaized in Polish discourse; after 1968, when

Poland engaged in the anti-Zionist campaign, Jews ceased to be mentioned at all. The genocide of the Jews began to be discussed in Poland only after 1978; the Solidarity movement used its memory in its struggle against the government. At the same time, popular antisemitism re-emerged. Now, many Poles object to what they see as over-emphasis of Jewish suffering and neglect of non-Jewish suffering under the Nazis. Sämtliche Klavierwerke Alfred Music Defines the distinctive field of Jewish cultural studies and its basis in folkloristic, psychological, and ethnological approaches. Jewish Cultural Studies charts the contours and boundaries of Jewish cultural studies and the issues of Jewish culture that make it so intriguing—and necessary—not only

for Jews but also for students of identity, ethnicity, and diversity generally. In addition to framing the distinguishing features of Jewish culture and the ways it has been studied, and often misrepresented and maligned, Simon J. Bronner presents several case studies using ethnography, folkloristic interpretation, and rhetorical analysis. Bronner, building on many years of global cultural exploration, locates patterns, processes, frames, and themes of events and actions identified as Jewish to discern what makes them appear Jewish and why. Jewish Cultural Studies is divided into three parts. Part 1 deals with the conceptualization of how Jews in complex, heterogenous societies identify themselves as a cultural group to non-Jews and vice versa—such as how the

Jewish home is socially and materially constructed. Part 2 delves into ritualization as a strategic Jewish practice for perpetuating peoplehood and the values that it suggests—for example, the rising popularity of naming ceremonies for newborn girls, *simhat bat* or *zeved habat*, in the twenty-first century. Part 3 explores narration, including the global transformation of Jewish joking in online settings and the role of Jews in American political culture. Bronner reflects that a reason to separate Jewish cultural studies from the fields of Jewish studies and cultural studies is the distinctiveness of Jewish culture among other ethnic experiences. As a diasporic group with religious ties and varying local customs, Jews present difficulties of categorization. He

encourages a multiperspectival approach that considers the Jewish double consciousness as being aware of both insider and outsider perspectives, participation in ancient tradition and recent modernization, and the great variety and stigmatization of Jewish experience and cultural expression. Students and scholars in Jewish studies, cultural studies, ethnic-religious studies, folklore, sociology, psychology, and ethnology are the intended audience for this book.

Gesangbuch Shawnee Press (TN)
