Bad Mexicans: Race, Empire, and Revolution in the Borderlands Ballantine Books

A memoir of one young man's coming of age on a journey across America--told through the stories of the people of all ages, races, and inclinations he meets along the way. Life is fast, and I've found it's easy to confuse the miraculous for the mundane, so I'm slowing down, way down, in order to give my full presence to the extraordinary that infuses each moment and resides in every one of us. At 23, Andrew Forsthoefel headed out the back door of his home in Chadds Ford, Pennsylvania, with a backpack, an audio recorder, his copies of Whitman and Rilke, and a sign that read "Walking to Listen." He had just graduated from Middlebury College and was ready to begin his adult life, but he didn't know how. So he decided to take a cross-country quest for guidance, one where everyone he met would be his guide. In the year that followed, he faced an Appalachian winter and a Mojave summer. He met beasts inside: fear, loneliness, doubt. But he also encountered incredible kindness from strangers. Thousands shared their stories with him, sometimes confiding

their prejudices, too. Often he didn't know how to respond. How to find unity in diversity? How to stay connected, even as fear works to tear us apart? He listened for answers to these questions, and to the existential questions every human must face, and began to find that the answer might be in listening itself. Ultimately, it's the stories of others living all along the roads of America that carry this journey and sing out in a hopeful, heartfelt book about how a life is made, and how our nation defines itself on the most human level.

All of Us Villains Doubleday

"As original as it is affecting . . . left me genuinely creeped out, unsettled, and shaken. An existentially frightening book." —Paul Tremblay, author of *Survivor Song* "Hold on, this isn't a ride, it's a slide, and it doesn't care whether you're ready or not." —Stephen Graham Jones, author of *The Only Good Indians* A widower battles his grief, rage, and the mysterious evil inhabiting his home smart speaker, in this mesmerizing horror thriller from Gus Moreno. It was Vera's idea to buy the Itza. The "world's most advanced smart speaker!" didn't interest Thiago, but Vera thought it would be a bit of fun for them amidst all the strange occurrences happening in the condo. It made things worse. The cold spots and scratching in the walls were weird enough, but peculiar packages

started showing up at the house—who ordered industrial lye? Then there was the eerie music at odd hours, Thiago waking up to Itza projecting light shows in an empty room. It was funny and strange right up until Vera was killed, and Thiago's world became unbearable. Pundits and politicians all looking to turn his wife's death into a symbol for their own agendas. A barrage of texts from her well-meaning friends about letting go and moving on. Waking to the sound of Itza talking softly to someone in the living room . . . The only thing left to do was get far away from Chicago. Away from everything and everyone. A secluded cabin in Colorado seemed like the perfect place to hole up with his crushing grief. But soon Thiago realizes there is no escape—not from his guilt, not from his simmering rage, and not from the evil hunting him, feeding on his grief, determined to make its way into this world. A bold, original horror novel about grief, loneliness and the oppressive intimacy of technology, *This Thing Between Us* marks the arrival of a spectacular new talent.

One of Us Is Lying (TV Series Tie-In Edition) Tor Teen

The highly anticipated new thriller from the bestselling author of *The Perfect Marriage*. Opulence. Sex. Betrayal ... Sometimes friendship can be deadly. Meet the women of Buckhead—a place of

expensive cars, huge houses, and competitive friendships. Shannon was once the queen bee of Buckhead. But she's been unceremoniously dumped by Bryce, her politician husband. When Bryce replaces her with a much younger woman, Shannon sets out to take revenge ... Crystal has stepped into Shannon's old shoes. A young, innocent Texan girl, she simply has no idea what she's up against ... Olivia has waited years to take Shannon's crown as the unofficial queen of Buckhead. Finally, her moment has come. But to take her rightful place, she will need to use every backstabbing, manipulative, underhand trick in the book ... Jenny owns Glow, the most exclusive salon in town. Jenny knows all her clients' secrets and darkest desires. But will she ever tell? Who amongst these women will be clever enough to survive Buckhead—and who will wind up dead? They say that friendships can be complex, but no one said it could ever be this deadly.

Walking to Listen Blackstone Publishing

“One of the 50 Best Nonfiction Books of the Last 25 Years”—Slate On New Year's Day 2013, two-time Pulitzer Prize-winner Gene Weingarten asked three strangers to, literally, pluck a day, month, and year from a hat. That day—chosen completely at random—turned out to be Sunday, December 28, 1986, by any conventional measure a most ordinary day. Weingarten spent the next six years proving that there is no such thing. That Sunday between Christmas and New Year's turned out to be filled with comedy, tragedy, implausible irony, cosmic comeuppances, kindness, cruelty, heroism, cowardice, genius, idiocy, prejudice, selflessness, coincidence, and startling moments of human connection, along with evocative foreshadowing of momentous events yet to come. Lives were lost. Lives were saved. Lives were altered in overwhelming ways. Many of these events never made it into the news; they were private dramas in the lives of private people. They were utterly compelling. One Day asks and answers the question of whether there is even such a thing as “ordinary” when we are talking about how we all lurch and stumble our way through the daily, daunting challenge of being human.

The Radium Girls W. W. Norton & Company

All the secrets of the Bayview Four will be revealed in the TV series now streaming on Peacock! THE #1 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY • BUZZFEED • POPCRUSH “Pretty Little Liars meets The Breakfast Club” (Entertainment Weekly) in this addictive mystery about what happens when five strangers walk into detention and only four walk out alive. Pay close attention and you might solve this. On Monday afternoon, five students at Bayview High walk into detention. Bronwyn, the brain, is Yale-bound and never breaks a rule. Addy, the beauty, is the picture-perfect homecoming princess. Nate, the criminal, is already on probation for dealing. Cooper, the athlete, is the all-star baseball pitcher. And Simon, the outcast, is the creator of Bayview High's notorious gossip app. Only, Simon never makes it out of that classroom. Before the end of detention Simon's dead. And according to investigators, his death wasn't an accident. On Monday, he died. But on Tuesday, he'd planned to post juicy reveals about all four of his high-profile classmates, which makes all four of them suspects in his murder. Or are they the perfect patsies for a killer who's still on the loose? Everyone has secrets, right? What really matters is how far you would go to protect them. And don't miss the #1 New York Times bestselling sequel, One of Us is Next!

This Thing Between Us Farrar, Straus and Giroux

A study of what would happen to Earth if the human presence was removed examines our legacy for the planet, from the objects that would vanish without human intervention to those that would become long-lasting remnants of humankind.

City of Thieves Penguin

In the bestselling tradition of *Stuff Matters* and *The Disappearing Spoon*: a clever and engaging look at materials, the innovations they made possible, and how these technologies changed us. Finalist for the 41st Los Angeles Times Book Award in Science and Technology and selected as one of the Best Summer Science Books Of 2020 by Science Friday. In *The Alchemy of Us*, scientist and science writer Ainissa Ramirez examines eight inventions—clocks, steel rails, copper communication cables, photographic film, light bulbs, hard disks, scientific labware, and silicon chips—and reveals how they shaped the human experience. Ramirez tells the stories of the woman who sold time, the inventor who inspired Edison, and the hotheaded undertaker whose invention pointed the way to the computer. She describes, among other things, how our pursuit of precision in timepieces changed how we sleep; how the railroad helped commercialize Christmas; how the necessary brevity of the telegram influenced Hemingway's writing style; and how a young chemist exposed the use of Polaroid's cameras to create passbooks to track Black citizens in apartheid South Africa. These fascinating and inspiring stories offer new perspectives on our relationships

with technologies.

There's a New Dog in Town Pocket Books

Nothing interests Maman today, not even Jean, her favorite child ... She acts dumb, bewitched, like a goat that the neighborhood children have fed sorghum beer.' These extraordinary stories centre on African conflicts as seen through the eyes of children and describes their resilience and endurance in heartbreaking detail. From child trafficking to inter-religious conflicts, Uwem Akpan reveals in beautiful prose the resilience and endurance of children faced with the harsh consequences of deprivation and terror.

One of Us Twelve

A New York Times, USA Today, and Indie bestseller! Critically acclaimed and bestselling authors Becky Albertalli and Adam Silvera combine their talents in this smart, funny, heartfelt collaboration about two very different boys who can't decide if the universe is pushing them together—or pulling them apart. ARTHUR is only in New York for the summer, but if Broadway has taught him anything, it's that the universe can deliver a showstopping romance when you least expect it. BEN thinks the universe needs to mind its business. If the universe had his back, he wouldn't be on his way to the post office carrying a box of his ex-boyfriend's things. But when Arthur and Ben meet-cute at the post office, what exactly does the universe have in store for them . . . ? Maybe nothing. After all, they get separated. Maybe everything. After all, they get reunited. But what if they can't nail a first date even after three do-overs? What if Arthur tries too hard to make it work and Ben doesn't try hard enough? What if life really isn't like a Broadway play? But what if it is? What if it's us? Plus don't miss Here's to Us! Becky Albertalli and Adam Silvera reunite to continue the story of Arthur and Ben, the boys readers first fell for in *What If It's Us*.

The Daily Show (The Book) One World

An instant NEW YORK TIMES and USA TODAY BESTSELLER! "I was knocked over by the momentum of an intense psychological thriller that doesn't let go until the final page. This is a terrific read." –Alafair Burke, New York Times bestselling author *Marie Claire's September Book Club Pick* Rear Window meets *Get Out* in this gripping thriller from a critically acclaimed and New York Times Notable author, in which the gentrification of a Brooklyn neighborhood takes on a sinister new meaning... Sydney Green is Brooklyn born and raised, but her beloved neighborhood seems to change every time she blinks. Condos are sprouting like weeds, FOR SALE signs are popping up overnight, and the neighbors she's known all her life are disappearing. To hold onto her community's past and present, Sydney channels her frustration into a walking tour and finds an unlikely and unwanted assistant in one of the new arrivals to the block—her neighbor Theo. But Sydney and Theo's deep dive into history quickly becomes a dizzying descent into paranoia and fear. Their neighbors may not have moved to the suburbs after all, and the push to revitalize the community may be more deadly than advertised. When does coincidence become conspiracy? Where do people go when gentrification pushes them out? Can Sydney and Theo trust each other—or themselves—long enough to find out before they too disappear? Featured in *Parade*, *Essence*, *Bustle*, *Popsugar*, *Elle*, *Shondaland*, *Marie Claire*, *Buzzfeed*, *Entertainment Weekly*, *Good Housekeeping*, *Brit + Co*, *Real Simple*, *Lit Hub*, *Crime Reads*, *Blavity*, *Ms. Magazine*, *Hello Giggles*, *The New York Times*, *Town & Country*, *Newsweek*, *New York Post*, *Refinery29*, *Woman's World*, *Washington Post*, and the *Skimm*, *Book Riot*, *Bookish*, *Huffington Post*, and more!

The Angel of Grozny Penguin Books

NEW YORK TIMES BESTSELLER • LONGLISTED FOR THE NATIONAL BOOK AWARD • One of today's most insightful and influential thinkers offers a powerful exploration of inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD • ONE OF THE BEST BOOKS OF THE YEAR: *Time*, *The Washington Post*, *St. Louis Post-Dispatch*, *Ms. magazine*, *BookRiot*, *Library Journal* • LONGLISTED FOR THE ANDREW CARNEGIE MEDAL • “This is the book I've been waiting for.”—Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* Heather McGhee's specialty is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this happen? And is there a way out? McGhee embarks on a deeply personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea

that progress for some of us must come at the expense of others. Along the way, she meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private luxuries; of how unions collapsed, wages stagnated, and inequality increased; and of how this country, unique among the world's advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the Solidarity Dividend: the benefits we gain when people come together across race to accomplish what we simply can't do on our own. The *Sum of Us* is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America. It leaves us with a new vision for a future in which we finally realize that life can be more than a zero-sum game.

One of Us Is Dead Hachette UK

Welcome to the first book in the Love Puppy Chronicles. Elvis is the top dog in the Love Family but all that is about to change. Open the book and enjoy a heartwarming story as change comes to the Love household. Beautifully illustrated in mixed media that will keep children of all ages and dog lovers entertained for hours.

Say You're One Of Them Penguin

From the critically acclaimed author of *The 25th Hour* and *When the Nines Roll Over* and co-creator of the HBO series *Game of Thrones*, a captivating novel about war, courage, survival — and a remarkable friendship that ripples across a lifetime. During the Nazis' brutal siege of Leningrad, Lev Beniov is arrested for looting and thrown into the same cell as a handsome deserter named Kolya. Instead of being executed, Lev and Kolya are given a shot at saving their own lives by complying with an outrageous directive: secure a dozen eggs for a powerful Soviet colonel to use in his daughter's wedding cake. In a city cut off from all supplies and suffering unbelievable deprivation, Lev and Kolya embark on a hunt through the dire lawlessness of Leningrad and behind enemy lines to find the impossible. By turns insightful and funny, thrilling and terrifying, the New York Times bestseller *City of Thieves* is a gripping, cinematic World War II adventure and an intimate coming-of-age story with an utterly contemporary feel for how boys become men.

To Paradise Delacorte Press

The instant #1 New York Times bestseller! “It's the best memoir I've ever read.” —Oprah Winfrey “Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, *Will* provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma.” —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, *Will* tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, *Will* is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts *Will* the book, like its author, in a category by itself.

Save the Cat One World

A Denver neurosurgeon relocates to the small rural town named after her ancestor in the aftermath of a wrongful malpractice suit to recover and reconnect with her estranged father--*A Place for Us* Delacorte Press

A group of former gang members come together to help one another answer the question “How can I be a good father when I've never had one?” In 2010, former gang leader turned community

activist Big Mike Cummings asked UCLA gang expert Jorja Leap to co-lead a group of men struggling to be better fathers in Watts, South Los Angeles, a neighborhood long burdened with a legacy of racialized poverty, violence, and incarceration. These men, black and brown, from late adolescence to middle age, are trying to heal themselves and their community, and above all to build their identities as fathers. Each week, they come together to help one another answer the question “How can I be a good father when I’ve never had one?” Project Fatherhood follows the lives of the men as they struggle with the pain of their own losses, the chronic pressures of poverty and unemployment, and the unquenchable desire to do better and provide more for the next generation. Although the group begins as a forum for them to discuss issues relating to their roles as parents, it slowly grows to mean much more: it becomes a place where they can share jokes and traumatic experiences, joys and sorrows. As the men repair their own lives and gain confidence, the group also becomes a place for them to plan and carry out activities to help the Watts community grow as well as thrive. By immersing herself in the lived experiences of those working to overcome their circumstances, Leap not only dramatically illustrates the realities of fathers trying to do the right thing, but she also paints a larger sociological portrait of how institutional injustices become manifest in the lives of ordinary people. At a time in which racial justice seems more elusive than ever—stymied by the generational cycles of mass incarceration and the cradle-to-prison pipeline—the group’s development over time demonstrates real-life movement toward solutions as the men help one another make their families and their community stronger.

Project Fatherhood Createspace Independent Publishing Platform

#1 NEW YORK TIMES BESTSELLER • From the author of *One of Us Is Lying* comes a brand-new pulse-pounding thriller. It's Ferris Bueller's Day Off with murder when three old friends relive an epic ditch day, and it goes horribly—and fatally—wrong. Ivy, Mateo, and Cal used to be close. Now all they have in common is Carlton High and the beginning of a very bad day. Type A Ivy lost a student council election to the class clown, and now she has to face the school, humiliated. Heartthrob Mateo is burned out from working two jobs since his family's business failed. And outsider Cal just got stood up . . . again. So when the three unexpectedly run into each other, they

decide to avoid their problems by ditching. Just the three of them, like old times. Except they've barely left the parking lot before they run out of things to say. . . . until they spot another Carlton High student skipping school—and follow him to the scene of his own murder. In one chance move, their day turns from dull to deadly. And it's about to get worse. It turns out Ivy, Mateo, and Cal still have some things in common...like a connection to the dead kid. And they're all hiding something. Could it be that their chance reconnection wasn't by chance after all? Fans of the hit thriller that started it all can watch the secrets of the Bayview Four be revealed in the *One of Us* is Lying TV series now streaming on NBC's Peacock!

What We Find MCD x FSG Originals

A NEW YORK TIMES BESTSELLER An Indie Bestseller! An Indie Next Pick! The blockbuster co-writing debut of Amanda Foody and C. L. Herman, *All of Us Villains* begins a dark tale of ambition and magick... You Fell in Love with the Victors of the Hunger Games. Now Prepare to Meet the Villains of the Blood Veil. The Blood Moon rises. The Blood Veil falls. The Tournament begins. Every generation, at the coming of the Blood Moon, seven families in the remote city of Ilvernath each name a champion to compete in a tournament to the death. The prize? Exclusive control over a secret wellspring of high magick, the most powerful resource in the world—one thought long depleted. But this year a scandalous tell-all book has exposed the tournament and thrust the seven new champions into the worldwide spotlight. The book also granted them valuable information previous champions never had—insight into the other families' strategies, secrets, and weaknesses. And most important, it gave them a choice: accept their fate or rewrite their legacy. Either way, this is a story that must be penned in blood. The *All of Us Villains* Duology: #1) *All of Us Villains* #2) *All of Our Demise* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Will Penguin

In this “brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop

thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

No One Is Talking About This Penguin

Ten years in the works, a masterpiece of reportage, this is the definitive account of the Columbine massacre, its aftermath, and its significance, from the acclaimed journalist who followed the story from the outset. “The tragedies keep coming. As we reel from the latest horror . . .” So begins a new epilogue, illustrating how Columbine became the template for nearly two decades of “spectacle murders.” It is a false script, seized upon by a generation of new killers. In the wake of Newtown, Aurora, and Virginia Tech, the imperative to understand the crime that sparked this plague grows more urgent every year. What really happened April 20, 1999? The horror left an indelible stamp on the American psyche, but most of what we “know” is wrong. It wasn't about jocks, Goths, or the Trench Coat Mafia. Dave Cullen was one of the first reporters on scene, and spent ten years on this book—widely recognized as the definitive account. With a keen investigative eye and psychological acumen, he draws on mountains of evidence, insight from the world's leading forensic psychologists, and the killers' own words and drawings—several reproduced in a new appendix. Cullen paints raw portraits of two polar opposite killers. They contrast starkly with the flashes of resilience and redemption among the survivors. Expanded with a New Epilogue
