VILLARREAL BECKER

The Clique Del Rey

Ally Ryan would rather be in Maryland. She would rather be anywhere, in fact, than Orchard Hill, site of her downfall. Well, not hers exactly—but when your father’s hedge fund goes south and all your friends lose their trust funds, things don’t look so sunny for you. Her mother moved her to Maryland to flee the shame, but now they’re moving back. Back to the country-club, new-car-every-year, my-family-came-over-on-the-Mayflower lifestyle that Ally has

outgrown. One bright spot, however, is gorgeous, intense Jake Graydon. But it won’t be easy for the two of them to be together—not if his friends (her former friends) have anything to say about it. Is Ally ready to get thrown back into the drama of the life she left behind?

Dial L for Loser St. Martin's Press

A hilarious new novel from Elizabeth Eulberg about taking the wall out of the wallflower so she can bloom. Don't mess with a Girl with a Great Personality. Everybody loves Lexi. She's popular, smart, funny ... but she's never been one of those girls, the pretty ones, who get all the attention from guys. And on top of that, her seven-year-old sister, Mackenzie, is a terror in a tiara, part of a pageant scene where she gets praised for her beauty (with the help of fake hair and tons of makeup). Lexi's sick of it. She's sick of being the girl who hears

about kisses instead of getting them. She's sick of being ignored by her longtime crush, Logan. She's sick of being taken for granted by her pageant-obsessed mom. And she's sick of having all her family's money wasted on a phony pursuit of perfection. The time has come for Lexi to step out from the sidelines. Girls without great personalities aren't going to know what hit them. Because Lexi's going to play the beauty game -- and she's in it to win it.

Revenge of the Wannabes Poppy

From the author of the #1 New York Times bestselling series *The Clique* comes Lisi Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the

company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of *Fear of Flying* by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the

characters in the novels they read—and the notes passed down by the club's original members—the new members of The Dirty Book Club help each other find the courage to rewrite their own stories and risk it all for a happy ending.
