A Night on the Range

Houghton Mifflin Harcourt
A breathtaking middle-grade novel about happiness, loss, and an unforgettable dog named Flip “This story convinced me all over again that love and imagination are life’s biggest magic.” —Rebecca Stead, author of Newbery Award winner *When You Reach Me* Ben Coffin has never been one for making friends. As a former foster kid, he knows people can up and leave without so much as a goodbye. Ben prefers to spend his time with the characters in his favorite sci-fi books...until he rescues an abandoned mutt from the alley next-door to the Coney Island Library. Scruffy little Flip leads Ben to befriend a fellow book-lover named Halley—yes, like the comet—a girl unlike anyone he has ever met.

Ben begins thinking of her as “Rainbow Girl” because of her crazy-colored clothes and her laugh, pure magic, the kind that makes you smile away the stormiest day. Rainbow Girl convinces Ben to write a novel with her. But as their story unfolds Ben’s life begins to unravel, and Ben must discover for himself the truth about friendship and the meaning of home. Paul Griffin’s breathtaking middle-grade debut will warm your heart as much as it breaks it. “Full of pace and laughter, bruises and heart. Paul Griffin is the sort of writer you’re torn between telling the whole world about and keeping all to yourself.”—Markus Zusak, author of *Printz Honor Winner The Book Thief* “‘Friendship’ is an absolutely beautiful, heart-expanding book. I cried, but more than that I felt this giant balloon of love for everyone. This story convinced me all over again that love and imagination are life’s biggest magic. It’ll make you want to grab hold of everyone important to you and lick them on the nose.” —Rebecca Stead, author of Newbery Award winner *When You Reach Me* “Some books change the way you see the

world. Some change the way you breathe. This book will leave you breathless. This is Paul Griffin's best book yet—and that's really saying something." —Patricia McCormick, author of National Book Award Finalist *Sold* "When Friendship Followed Me Home is both a beautiful book, and an honest book; it is, in fact, beautiful because it is honest. We see the pain of loss, and the glory of community. We see love in its many forms, and we witness the truth that love goes on despite all barriers. Cheer for Ben and Halley: it is kids like these who are our hope." —Gary D. Schmidt, author of *Okay for Now*

Through poetic prose and elegant illustrations, readers will travel to an inhospitable but beautiful realm, accompanying this stunted yet resilient tree

Little Red Riding Hood
Forever

A revealing look at the life and work of David Lynch, one of the most enigmatic and influential filmmakers of our time Every frame of David Lynch's work, from the '70s midnight movie *Eraserhead* to the groundbreaking TV series *Twin Peaks*, to the digital-video DIY feat *Inland Empire*, bears his unmistakable imprint. But the paradox of the Lynchian is that it's easy to recognize and hard to define. Lynch is a master of the inscrutable gesture, the opaque symbol. His career evades the usual categories: pop culture icon and subject of academic study, cult figure and industry outsider. He's a Renaissance man—musician, painter, photographer, carpenter, entrepreneur—and a vocal proponent of transcendental meditation. Dennis Lim, the newly minted director of Cinematheque

programming at Lincoln Center, is a skilled cinephile wary of over-interpretation. David Lynch preserves the strangeness of the Lynch's universe and offers a personal meditation on the most distinctive filmmaker in modern American culture. It leaves what Lynch likes to call "room to dream," honoring the allure of the unknown and the unknowable.

The Creative Company 'Little Red Riding Hood' goes to visit her grandmother and finds a rather large, scarier wolf in her bed After a frightening moment, the wolf is captured by a woodsman and granny is let out of the wardrobe. Young readers can also see the story of 'Hansel and Gretel' being played out solely in pictures in the background, and spot motifs of other fairy tales. *Arboretum* Farrar, Straus and Giroux

The riveting sequel to the award-winning *Lisa*. This sequel to the award-winning *Lisa* focuses on seventeen-year-old Jesper's involvement in the Danish resistance during the final months of World War II. The Nazi occupation of Denmark has forced his Jewish friends to flee the country,

and Jesper has had to grow up quickly. He has seen others betrayed and killed. As a freedom fighter he has learned to fire a rifle, commit an act of sabotage and kill an enemy soldier. If he is caught, he will be tortured and killed. Jesper may be afraid of dying - but he will never give up.

One year before his death Frank Kafka had an extraordinary experience. Having a walk through Steglitz Park, in Berlin, he found a little girl crying heartbroken. She had lost her doll. To calm her down Frank introduced himself as the Dolls's Postman, and told the little girl that the doll was away on a trip but had sent a letter for her that will be delivered by himself the following day. For three weeks Frank focused exclusively on the doll's letters that he handed on every day to the girl. Nobody has ever known who that little girl was and what happened with the letters.
