As she prepares for her graduation ceremony, a first grader-to-be remembers her enjoyable year in kindergarten.

Sterling's College Admission Survival Guide Senior Year Little, Brown Books for Young Readers

The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she

has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish - Writing a foolproof grant application -Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap -Making the leap to nonacademic work, when the time is right The Professor Is In addresses all of these issues, and many more.

Alvin Fuhrman began a storied career with Muenster Telephone Company during ice storms in 1949. "The Way It Was" is Alvin's story of how the company, under his leadership, ultimately went from just 12 telephones still working because of that tell-tale freeze to the primary communication

provider not just for Muenster but for the surrounding area, as well. It's the story of how Alvin and his wife Gracie teamed to weather their own unthinkable personal storms and emerged closer and stronger because of their shared commitment to one another and to those who looked to them for leadership. It's the story of the people who joined Alvin and Gracie over the years to create a better company, a better community and a better life for thousands of family members, friends and neighbors. Mainly, "The Way It Was" is a story about life - as it was, as it is, and as it should be lived.

Military brats' childhoods are often scarred by alcoholism, abuse, and an ever-present threat of a parent's loss to war. This eye-opening, sometimes shocking exploration tells what life is really like for the stepchildren of Uncle Sam. A new recovery group, Adult Children of Military Personnel, Inc., has been formed as a direct result of this book's publication.

A Ricochet from Circumstance Simon and Schuster

This book examines the role of English within education and society in the quickly changing city of Macau. Macau's multilingual language ecology offers the unique opportunity to examine language planning and policy issues within a small speech community. The languages within the ecology include several Chinese varieties, such as Cantonese, Putonghua and Hokkien, European languages like Portuguese and English, and a number of Asian languages that include, among others, Burmese, Filipino languages, Japanese, Timorese, etc. As the smallest city in South China's Pearl River Delta, Macau has sought to maintain cultural and linguistic independence from its larger neighbours, and independence has been built upon an historic commitment to multilingualism and cultural plurality. As economic development and globalisation offer new opportunities to a growing middle class, the sociolinguistics of a small society constrain and influence the language policies that the territory seeks to implement. Macau's multilingual and pluralistic response to language needs within the territory echoes historical responses to similar challenges and suggests that small communities function sociolinguistically in ways that differ from larger communities.

PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

Fans around the world adore the bestselling No. 1 Ladies' Detective Agency series and its proprietor, Precious Ramotswa, Botswana's premier lady detective. In this charming series, Mma Ramotswa—with help from her loyal associate, Grace Makutsi—navigates her cases and her personal life with wisdom, good humor, and the occasional cup of tea. Over the years Mma Ramotswa has found many lost things, but never before has she been asked to help a woman find herself—until now. A kindhearted brother and sister have taken in a nameless woman with no memory of her own history or how she came to Botswana. It falls to Precious Ramotswa and her new co-director, Grace Makutsi, to discover the woman's identity. Meanwhile, motherhood proves to be no obstacle to Mma Makutsi's professional success, as she launches a new enterprise of her own: the Handsome Man's De Luxe Café, a restaurant for Gaborone's most fashionable diners. And next door, Mr. J.L.B. Matekoni is forced to make a choice that will directly affect not only Tlokweng Road Speedy Motors, but the No. 1 Ladies' Detective Agency as well. With sympathy and indefatigable good humor, Mma Ramotswa and her friends see one another through these major changes and discover along the way what true friendship really means.

THIS BOOK IS FOR EVERYONE LOOKING AROUND AND THINKING, "NOW WHAT?" Neil Gaiman's acclaimed commencement address, "Make Good Art," thoughtfully and aesthetically designed by renowned graphic artist Chip Kidd. This keepsake volume is the perfect gift for graduates, aspiring creators, or anyone who needs a reminder to run toward what gives them joy. When Neil Gaiman delivered his "Make Good Art" commencement address at Philadelphia's University of the Arts, he shared his thoughts about creativity, bravery, and strength. He encouraged the fledgling painters, musicians, writers, and dreamers to break rules and think outside the box. Most of all, he encouraged them to make good art. The speech resonated far beyond that art school audience and immediately went viral on YouTube and has now been viewed more than a million times. Acclaimed designer Chip Kidd brings his unique sensibility to this seminal address in this gorgeous edition that commemorates Gaiman's inspiring message.

The Handsome Man's De Luxe Café Ballantine Books

Acclaimed journalist Charlie Glass looks to the American expatriate experience of Nazi-occupied Paris to reveal a fascinating forgotten history of the greatest generation. In Americans in Paris, tales of adventure, intrigue, passion, deceit, and survival unfold season by season, from the spring of 1940 to liberation in the summer of 1944, as renowned journalist Charles Glass tells the story of a remarkable cast of expatriates and their struggles in Nazi Paris. Before the Second World War began, approximately thirty thousand Americans lived in Paris, and when war broke out in 1939 almost five thousand remained. As citizens of a neutral nation, the Americans in Paris believed they had little to fear. They were wrong. Glass's discovery of letters, diaries, war documents, and police files reveals as never before how Americans were trapped in a web of intrigue, collaboration, and courage. Artists, writers, scientists, playboys, musicians, cultural mandarins, and ordinary businessmen—all were swept up in extraordinary circumstances and

tested as few Americans before or since. Charles Bedaux, a French-born, naturalized American millionaire, determined his alliances as a businessman first, a decision that would ultimately make him an enemy to all. Countess Clara Longworth de Chambrun was torn by family ties to President Roosevelt and the Vichy government, but her fiercest loyalty was to her beloved American Library of Paris. Sylvia Beach attempted to run her famous English-language bookshop, Shakespeare & Company, while helping her Jewish friends and her colleagues in the Resistance. Dr. Sumner Jackson, wartime chief surgeon of the American Hospital in Paris, risked his life aiding Allied soldiers to escape to Britain and resisting the occupier from the first day. These stories and others come together to create a unique portrait of an eccentric, original, diverse American community. Charles Glass has written an exciting, fast-paced, and elegant account of the moral contradictions faced by Americans in Paris during France's dangerous occupation years. For four hard years, from the summer of 1940 until U.S. troops liberated Paris in August 1944, Americans were intimately caught up in the city's fate. Americans in Paris is an unforgettable tale of treachery by some, cowardice by others, and unparalleled bravery by a few.

His firsthand knowledge of military campaigns and historical events shines through in his detailed descriptions and authentic portrayals of various time periods. Henty's passion for history and storytelling led him to become one of the most popular authors of historical fiction in the late 19th century. I highly recommend G. A. Henty's 'Ultimate Collection' to readers who enjoy immersive historical fiction, thrilling adventures, and tales of heroism. This extensive compilation of Henty's works offers a diverse range of stories that will captivate and educate readers about different eras in history. Whether you are a history enthusiast or simply enjoy a good adventure tale, Henty's collection is sure to entertain and inspire.

Banquet...r. S. V. P. Marshall Cavendish

From the New York Times bestselling author Kristin Hannah comes a powerful novel of love, loss, and the magic of friendship. . . . now a #1 Netflix series! In the turbulent summer of 1974, Kate Mularkey has accepted her place at the bottom of the eighth-grade social food chain. Then, to her amazement, the "coolest girl in the world" moves in across the street and wants to be her friend. Tully Hart seems to have it all—beauty, brains, ambition. On the surface they are as opposite as two people can be: Kate, doomed to be forever uncool, with a loving family who mortifies her at every turn. Tully, steeped in glamour and mystery, but with a secret that is destroying her. They make a pact to be best friends forever; by summer's end they've become Tully and Kate. Inseparable. So begins Kristin Hannah's magnificent new novel. Spanning more than three decades and playing out across the ever-changing face of the Pacific Northwest, Firefly Lane is the poignant, powerful story of two women and the friendship that becomes the bulkhead of their lives. From the beginning, Tully is desperate to prove her worth to the world. Abandoned by her mother at an early age, she longs to be loved unconditionally. In the glittering, big-hair era of the eighties, she looks to men to fill the void in her soul. But in the buttoned-down nineties, it is television news that captivates her. She will follow her own blind ambition to New York and around the globe, finding fame and success . . . and loneliness. Kate knows early on that her life will be nothing special. Throughout college, she pretends to be driven by a need for success, but all she really wants is to fall in love and have children and live an ordinary life. In her own quiet way, Kate is as driven as Tully. What she doesn't know is how being a wife and mother will change her . . . how she'll lose sight of who she once was, and what she once wanted. And how much she'll envy her famous best friend. . . . For thirty years, Tully and Kate buoy each other through life, weathering the storms of friendship—jealousy, anger, hurt, resentment. They think they've survived it all until a single act of betrayal tears them apart . . . and puts their courage and friendship to the ultimate test. Firefly Lane is for anyone who ever drank Boone's Farm apple wine while listening to Abba or Fleetwood Mac. More than a coming-of-age novel, it's the story of a generation of women who were both blessed and cursed by choices. It's about promises and secrets and betrayals. And ultimately, about the one person who really, truly knows you—and knows what has the power to hurt you . . . and heal you. Firefly Lane is a story you'll never forget . . . one you'll want to pass on to your best friend.

Had I attempted to write you an account of the whole of the adventurous career of Charles the Twelfth of Sweden, it would, in itself, have filled a bulky volume, to the exclusion of all other matter; and a youth, who fought at Narva, would have been a middle-aged man at the death of that warlike monarch, before the walls of Frederickshall. I have, therefore, been obliged to confine myself to the first three years of his reign, in which he crushed the army of Russia at Narva, and laid the then powerful republic of Poland prostrate at his feet. In this way, only, could I obtain space for the private adventures and doings of Charlie Carstairs, the hero of the story. The details of the wars of Charles the Twelfth were taken from the military history, written at his command by his chamberlain, Adlerfeld; from a similar narrative by a Scotch gentleman in his service; and from Voltaire's history. The latter is responsible for the statement that the trade of Poland was almost entirely in the hands of Scotch, French, and Jewish merchants, the Poles

themselves being sharply divided into the two categories of nobles and peasants.

Lillian's life story is told by Rick Miner, a retired chief of police. He tells a story that is wrapped around her own personal diary, one that was discovered amongst her belongings after her passing. The author approaches it from the perspective of a police officer, one who is trained to relate to the circumstances of spousal abuse and domestic violence. He draws knowledge of situations like Lillian's from his many years of seeing it on the job as well as up-close and personal outside of work. "Honey, I Promise!" and other stories like it are a problem that police officers everywhere must deal with on a daily basis. In Lillian's story the author places himself into her world and attempts to dissect her diary which leaves the reader begging for eventual justice and hopefully a happy ending. But does it ever come? Moreover, what, if any role does the author have in it?

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*
