He's stalking closer, growling at her, and she's too terrified to even flee. Valiant hates humans. But when he gets a whiff of the adorable human female who has invaded his territory, he starts rethinking. Her fear scents of pure, sweet temptation and the closer he gets, the more appealing she becomes. Once he's got his hands on her, he isn't about to let her go. One thought will change his life. MINE! Before Tammy can regain her senses, she's flat on her back in Valiant's bed. Now he just has to use every inch of his big, buff body to convince her that she should stay with him forever.
