 This eBook edition of "Ode to a Nightingale" has been formatted to the highest digital standards and adjusted for readability on all devices. "Ode to a Nightingale" is either the garden of the Spaniards Inn, Hampstead, London, or, according to Keats' friend Charles Armitage Brown, under a plum tree in the garden of Keats House, also in Hampstead. According to Brown, a nightingale had built its nest near his home in the spring of 1819. Inspired by the bird's song, Keats composed the poem in one day. It soon became one of his 1819 odes and was first published in *Annals of the Fine Arts* the following July. "Ode to a Nightingale" is a personal poem that describes Keats's journey into the state of Negative Capability. The tone of the poem rejects the optimistic pursuit of pleasure found within Keats's earlier poems and explores the themes of nature, transience and mortality, the latter being particularly personal to Keats. The nightingale described within the poem experiences a type of death but does not actually die. Instead, the songbird is capable of living through its song, which is a fate that humans cannot expect. John Keats (1795-1821) was an English Romantic poet. The poetry of Keats is characterized by sensual imagery, most notably in the series of odes. Today his poems and letters are some of the most popular and most analyzed in English literature.

 Twentieth Century Poetic Translation analyses translations of Italian and English poetry and their roles in shaping national identities by merging historical, cultural and theoretical perspectives. Focusing on specific case studies within the Italian, English and North American literary communities, spanning from 'authoritative' translations of poets by poets to the role of dialect poetry and anthologies of poetry, the book looks at the role of translation in the development of poetic languages and in the construction of poetic canons. It brings together leading scholars in the history of the Italian language, literary historians and translators, specialists in theory of translation and history of publishing to explore the cultural dynamics between poetic traditions in Italian and English in the twentieth century.
Dizionario Oxford della letteratura americana Seven Books
 Opening to passion as an unsettling, transformative force; extending desire to the text, expanding the self, and dissolving its boundaries; imagining pleasures outside the norm and intensifying them; overcoming loss and reaching beyond death; being loyal to oneself and defying productivity, resolution, and cohesion while embracing paradox, non-linearity, incompleteness. These are some of the possibilities of lyric that this book explores by reading Petrarch's vernacular poetry in dialogue with that of other poets, including Guido Cavalcanti, Dante, and Shakespeare. In the Epilogue, the poet Antonella Anedda Angioy engages with Ossip Mandel'shtam and Paul Celan's dialogue with Petrarch and extends it into the present.

 An extraordinary literary event: Daniel Mendelsohn's acclaimed two-volume translation of the complete poems of C. P. Cavafy—including the first English translation of the poet's final Unfinished

Poems—now published in one handsome edition and featuring the fullest literary commentaries available in English, by the renowned critic, scholar, and international best-selling author of *The Lost*. No modern poet so vividly brought to life the history and culture of Mediterranean antiquity; no writer dared break, with such taut energy, the early-twentieth-century taboos surrounding homoerotic desire; no poet before or since has so gracefully melded elegy and irony as the Alexandrian Greek poet Constantine Cavafy (1863–1933). Whether advising Odysseus on his return to Ithaca or confronting the poet with the ghosts of his youth, these verses brilliantly make the historical personal—and vice versa. To his profound exploration of longing and loneliness, fate and loss, memory and identity, Cavafy brings the historian's assessing eye along with the poet's compassionate heart. After more than a decade of work and study, Mendelsohn—a classicist who alone among Cavafy's translators shares the poet's deep intimacy with the ancient world—gives readers full access to the genius of Cavafy's verse: the sensuous rhymes, rich assonances, and strong rhythms of the original Greek that have eluded previous translators. Complete with the Unfinished Poems that Cavafy left in drafts when he died—a remarkable, hitherto unknown discovery that remained in the Cavafy Archive in Athens for decades—and with an in-depth introduction and a helpful commentary that situates each work in a rich historical, literary, and biographical context, this revelatory translation is a cause for celebration: the definitive presentation of Cavafy in English.

Alice's Adventures in Wonderland is an 1865 English children's novel by Lewis Carroll, a mathematics don at the University of Oxford. It details the story of a girl named Alice who falls through a rabbit hole into a fantasy world of anthropomorphic creatures. It is seen as an example of the literary nonsense genre. The artist John Tenniel provided 42 wood-engraved illustrations for the book. It received positive reviews upon release and is now one of the best-known works of Victorian literature; its narrative, structure, characters and imagery have had a widespread influence on popular culture and literature, especially in the fantasy genre. It is credited as helping end an era of didacticism in children's literature, inaugurating an era in which writing for children aimed to "delight or entertain". The tale plays with logic, giving the story lasting popularity with adults as well as with children. The titular character Alice shares her name with Alice Liddell, a girl Carroll knew scholars disagree about the extent to which the character was based upon her.

Opere complete. Con testo a fronte Gremese Editore

L'edizione digitale delle Opere complete di Shakespeare comprende i 38 testi teatrali oltre ai Sonetti e ai Poemeti. L'ebook, corrispondente a oltre 12.000 pagine a stampa, contiene i 40 titoli della serie diretta da Nemi d'Agostino e Sergio Perosa per la collana dei Grandi Libri Garzanti, iniziata nel 1984 con l'Amleto e completata nell'arco di oltre un ventennio. I testi teatrali seguono l'ordine cronologico delle prime rappresentazioni. Tutte le opere sono corredate dei testi originali, scelti tra le migliori edizioni critiche. La curatela e la traduzione sono affidate a specialisti (fra gli altri, Massimo Bacigalupo, Andrea Cozza, Nemi D'Agostino, Agostino Lombardo, Carlo Pagetti, Marcello Pagnini, Sergio Perosa, Alessandro Serpieri, Silvano Sabbadini, Demetrio Vittorini), che sono tra i maggiori studiosi italiani di Shakespeare. L'autorevolezza delle traduzioni e la ricchezza degli apparati critici fanno di questa storica serie un'edizione di riferimento non solo per la lettura, ma anche per lo studio. La versione digitale mantiene le stesse caratteristiche dell'edizione cartacea, ma con i vantaggi della consultazione interattiva, come la possibilità di passare agevolmente dai testi inglesi originali alla traduzione attraverso link bilingue atto per atto, scena per scena, di effettuare ricerche specifiche per parole chiave, di verificare occorrenze, di confrontare varianti, di approfondire lo studio della lingua e dello stile del grande poeta inglese.

The National Union Catalogs, 1963- Lobster Press

Roman Women in Shakespeare and His Contemporaries explores the crucial role of Roman female characters in the plays of Shakespeare and his contemporaries. While much has been written on male characters in the Roman plays as well as on non-Roman women in early modern English drama, very little attention has been paid to the issues of what makes Roman women 'Roman' and what their role in those plays is beyond their supposed function as supporting characters for the male protagonists. Through the exploration of a broad array of works produced by such diverse playwrights as Samuel Brandon, William Shakespeare, Matthew Gwynne, Ben Jonson, John Fletcher, Philip Massinger, Thomas May, and Nathaniel Richards under three such different monarchs as Elizabeth I, James I, and Charles I, Roman Women in Shakespeare and His Contemporaries contributes to a more precise assessment of the practices through which female identities were discussed in literature in the specific context of Roman drama and a more nuanced understanding of the ways in which accounts of Roman women were appropriated, manipulated and recreated in early modern England.
