NATIONAL BOOK AWARD

WINNER • NATIONAL BESTSELLER • An astonishing novel that traces the lives of a Scottish family over a decade as they confront the joys and longings, fulfillments and betrayals of love in all its guises. In June of 1989 Paul McLeod, a newspaper publisher and recent widower, travels to Greece, where he falls for a young American artist and reflects on the complicated truth about his marriage.... Six years later, again in June, Paul's death draws his three

grown sons and their families back to their ancestral home. Fenno, the eldest, a wry, introspective gay man, narrates the events of this unforeseen reunion. Far from his straitlaced expatriate life as a bookseller in Greenwich Village, Fenno is stunned by a series of revelations that threaten his carefully crafted defenses.... Four years farther on, in yet another June, a chance meeting on the Long Island shore brings Fenno together with Fern Olitsky, the artist who once

captivated his father. Now pregnant, Fern must weigh her guilt about the past against her wishes for the future and decide what family means to her. In prose rich with compassion and wit, *Three Junes* paints a haunting portrait of love's redemptive powers. **Dark Bites** Zondervan A Darker Shade of Magic, from #1 New York Times bestselling author V.E. Schwab Kell is one of the last Antari—magicians with a rare, coveted ability to travel between parallel Londons; Red,

Grey, White, and, once upon a time, Black. Kell was raised in Arnes—Red London—and officially serves the Maresh Empire as an ambassador, traveling between the frequent bloody regime changes in White London and the court of George III in the dullest of Londons, the one without any magic left to see. Unofficially, Kell is a smuggler, servicing people willing to pay for even the smallest glimpses of a world they'll never see. It's a defiant hobby with dangerous

consequences, which Kell is now seeing firsthand. After an exchange goes awry, Kell escapes to Grey London and runs into Delilah Bard, a cut-purse with lofty aspirations. She first robs him, then saves him from a deadly enemy, and finally forces Kell to spirit her to another world for a proper adventure. Now perilous magic is afoot, and treachery lurks at every turn. To save all of the worlds, they'll first need to stay alive. "A Darker Shade of Magic has all the hallmarks of a classic work of fantasy.

Schwab has given us a gem of a tale...This is a book to treasure."—Deborah Harkness, New York Times bestselling author of the All Souls trilogy

The Overlook Penguin
In this #1 New York Times bestseller, California's newest private

investigator, Detective Harry Bosch, must track down a missing heir while helping a police department connect the dots on a dangerous cold case. Harry Bosch is California's newest private investigator. He doesn't advertise, he doesn't have an office, and he's picky about who he works for, but it doesn't matter. His chops from thirty years with the LAPD speak for themselves. Soon one of Southern California's biggest moguls comes calling. The reclusive billionaire is nearing the

end of his life and is haunted by one regret. When he was young, he had a relationship with a Mexican girl, his great love. But soon after becoming pregnant, she disappeared. Did she have the baby? And if so, what happened to it? Desperate to know whether he has an heir, the dying magnate hires Bosch, the only person he can trust. With such a vast fortune at stake, Harry realizes that his mission could be risky not only for himself but for the one he's seeking. But

as he begins to uncover the haunting story--and finds uncanny links to his own past--he knows he cannot rest until he finds the truth. At the same time, unable to leave cop work behind completely, he volunteers as an investigator for a tiny cash-strapped police department and finds himself tracking a serial rapist who is one of the most baffling and dangerous foes he has ever faced. Swift, unpredictable, and thrilling, *The Wrong Side of Goodbye* shows that

Michael Connelly
"continues to amaze with his consistent skill and sizzle" (Cleveland Plain Dealer).
Dark Sacred Night Little, Brown
The award-winning author of *The Lie Tree* "has created a distinctly imaginative world full of engaging characters, robust humor, and true suspense" (School Library Journal, starred review).
Everybody knew that books were dangerous. Read the wrong book, it was said, and the words crawled around your brain

on black legs and drove you mad, wicked mad. Mosca Mye's father insisted on teaching her to read—even in a world where books are dangerous, regulated things. Eight years later, Quillam Mye died, leaving behind an orphaned daughter with an inauspicious name and an all-consuming hunger for words. Trapped for years in the care of her cruel uncle and aunt, Mosca leaps at the opportunity for escape, though it comes in the form of sneaky swindler

Eponymous Clent. As she travels the land with Clent and her pet goose, Mosca begins to discover complicated truths about the world she inhabits and the power of words. "Intricate plotting, well-developed and fascinating characters, delicious humor, and exquisite wordcraft envelop readers fully into this richly imagined world." *The Bulletin of the Center for Children's Books* (starred review) "Hardinge's stylish way with prose gives her sprawling debut fantasy a literate yet

often silly tone that calls to mind Monty Python.” —Publishers Weekly (starred review) “Mosca’s ferocity and authentic inner turmoil [are] both reminiscent of Philip Pullman’s *Lyra Belacqua*.” ?Booklist “Incredibly well written.” ?The Seattle Times

Sacred Smokes

Pantheon

For the first time in one volume, the three novels that introduced Michael Connelly’s great LAPD homicide detective, maverick Hieronymous (Harry) Bosch. *The Black*

Echo (Winner of the Edgar Award for Best First Novel) For Harry Bosch—hero, loner, nighthawk—the body stuffed in a drainpipe off Mulholland Drive isn’t just another statistic. This one is personal. Billy Meadows was a fellow Vietnam “tunnel rat,” fighting the VC and the fear they used to call the Black Echo. Harry let Meadows down once. He won’t do it again. *The Black Ice* The corpse in the hotel room seems to be that of a missing LAPD narcotics officer. Rumors abound

that the cop had crossed over—selling a new drug called Black Ice. Now Harry’s making some dangerous connections, leading from the cop to a string of bloody murders, and from Hollywood Boulevard’s drug bazaar to Mexico’s dusty back alleys. In this lethal game, Harry is likely to be the next victim. *The Concrete Blonde* When Harry Bosch shot and killed Norman Church, the police were convinced it marked the end of the hunt for the Dollmaker—L.A.’s most bizarre serial killer. But

now Church's widow is accusing Harry of killing the wrong man—a charge that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. For the second time, Harry must hunt the murderer down, before he strikes again. Together, these three novels are the perfect way to discover, or rediscover, the sleuth the New York Times Book Review called a "wonderful, old-fashioned hero who isn't afraid to walk through the flames." **The Black Box** A&C

Black
LAPD Detective Harry Bosch crosses paths with FBI profiler Terry McCaleb while investigating the murder of a Hollywood actress. Harry Bosch is up to his neck in a case that has transfixed all of celebrity-mad Los Angeles: a movie director is charged with murdering an actress during sex, and then staging her death to make it look like a suicide. Bosch is both the arresting officer and the star witness in a trial that has brought the Hollywood media pack out

in full-throated frenzy. Meanwhile, Terry McCaleb is enjoying an idyllic retirement on Catalina Island when a visit from an old colleague brings his former world rushing back. It's a murder, the unreadable kind of murder he specialized in solving back in his FBI days. The investigation has stalled, and the sheriff's office is asking McCaleb to take a quick look at the murder book to see if he turns up something they've missed. McCaleb's first reading of the crime

scene leads him to look for a methodical killer with a taste for rituals and revenge. As his quick look accelerates into a full-sprint investigation, the two crimes -- his murdered loner and Bosch's movie director -- begin to overlap strangely. With one unsettling revelation after another, they merge, becoming one impossible, terrifying case, involving almost inconceivable calculation. McCaleb believes he has unmasked the most frightening killer ever to cross his sights.

But his investigation tangles with Bosch's lines, and the two men find themselves at odds in the most dangerous investigation of their lives.

The Black Echo

HarperCollins
 "Superb...an appropriate homage"—Marilyn Stasio, New York Times
 The much-anticipated final installment in Ariana Franklin's popular Mistress of the Art of Death historical mystery series, finished by the author's daughter after her death. England. 1191. After the death of her

friend and patron, King Henry II, Adelia Aguilar, England's vaunted Mistress of the Art of Death, is living comfortably in retirement and training her daughter, Allie, to carry on her craft—sharing the practical knowledge of anatomy, forensics, and sleuthing that catches murderers. Allie is already a skilled healer, with a particular gift for treating animals. But the young woman is nearly twenty, and her father, Rowley, Bishop of Saint Albans, and his patron, the

formidable Queen Eleanor of Aquitaine, have plans to marry Allie to an influential husband . . . if they can find a man who will appreciate a woman with such unusual gifts. When a friend in Cambridgeshire falls ill, Allie is sent to Ely, where her path will cross with Lord Peverill, a young aristocrat who would be a most suitable match for the young healer. But when Allie arrives, all is chaos. A village girl has disappeared—and she's not the first. Over the past few months, several girls

from the villages surrounding Ely have vanished. When the body of one of the missing is discovered, Allie manages to examine the remains before burial. The results lead her to suspect that a monstrous predator is on the loose. Will her training and her stubborn pursuit of the truth help her find the killer...or make her the next victim? A richly detailed, twisty thriller, *Death and the Maiden* is historical mystery at its finest—and a superb final episode in Ariana Franklin's much-loved,

much-acclaimed series. *A House Among the Trees* Anchor
A New York Times Book Review Editors' Choice and a Washington Post Notable Book of the Year
"This book reeses its subject with rare clarity and power as a painter for the 21st century." —Hilary Spurling, New York Times Book Review
Michelangelo Merisi da Caravaggio (1571-1610) lived the darkest and most dangerous life of any of the great painters. This commanding biography explores Caravaggio's

staggering artistic achievements, his volatile personal trajectory, and his tragic and mysterious death at age thirty-eight. Featuring more than eighty full-color reproductions of the artist's best paintings, Caravaggio is a masterful profile of the mercurial painter.

Goodbye Little, Brown

A FINALIST FOR THE LOS ANGELES TIMES BOOK PRIZE A NEW YORK TIMES BOOK REVIEW BEST CRIME NOVEL OF THE YEAR A CrimeReads Best

Crime Novel Notable selection Harry Bosch and LAPD Detective Renée Ballard come together again on the murder case that obsessed Bosch's mentor, the man who trained him---new from #1 New York Times bestselling author Michael Connelly Back when Harry Bosch was just a rookie homicide detective, he had an inspiring mentor who taught him to take the work personally and light the fire of relentlessness for every case. Now that mentor, John Jack Thompson, is

dead, and his widow gives Bosch a murder book, one that Thompson took with him when he left the LAPD twenty years before -- the unsolved killing of a troubled young man. Bosch takes the murder book to Detective Renée Ballard and asks her to help him discover what about this crime lit Thompson's fire all those years ago. As she begins her inquiries -- while still working her own cases on the midnight shift -- Ballard finds aspects of the initial investigation that just don't add up. The

bond between Bosch and Ballard tightens as they become a formidable investigation team. And they soon arrive at a disturbing question: Did Thompson steal the murder book to work the case in retirement, or to make sure it never got solved? Written with the intense pacing and masterful suspense that have made Michael Connelly "the hard-boiled fiction master of our time" (NPR), *The Night Fire* continues the unofficial partnership of two fierce detectives determined not

to let the fire with burn out.

And the Dark Sacred Night Little, Brown

In this first installment of the Renée Ballard series, #1 bestselling author Michael Connelly introduces a "complicated and driven" young detective fighting to prove herself on the LAPD's toughest beat (*The New York Times*). Renee Ballard works the midnight shift in Hollywood, beginning many investigations but finishing few, as each morning she turns

everything over to the daytime units. It's a frustrating job for a once up-and-coming detective, but it's no accident. She's been given this beat as punishment after filing a sexual harassment complaint against a supervisor. But one night Ballard catches two assignments she doesn't want to part with. First, a prostitute is brutally beaten and left for dead in a parking lot. All signs point to a crime of premeditation, not passion, by someone with big evil on his mind. Then

she sees a young waitress breathe her last after being caught up in a nightclub shooting. Though dubbed a peripheral victim, the waitress buys Ballard a way in, and this time she is determined not to give up at dawn. Against orders and her partner's wishes, she works both cases by day while maintaining her shift by night. As the investigations intertwine, Ballard is forced to face her own demons and confront a danger she could never have

imagined. To find justice for these victims who can't speak for themselves, she must put not only her career but her life on the line. Propulsive as a jolt of adrenaline and featuring a bold and defiant new heroine, *The Late Show* is yet more proof that Michael Connelly is "a master of the genre" (*Washington Post*). **Fair Warning** St. Martin's Press
The hero of *The Poet and The Scarecrow* is back in this thriller from #1 New York Times bestselling

author Michael Connelly. Jack McEvoy, the journalist who never backs down, tracks a serial killer who has been operating completely under the radar—until now. Veteran reporter Jack McEvoy has taken down killers before, but when a woman he had a one-night stand with is murdered in a particularly brutal way, McEvoy realizes he might be facing a criminal mind unlike any he's ever encountered. Jack investigates—against the warnings of the police and

his own editor—and makes a shocking discovery that connects the crime to other mysterious deaths across the country. Undetected by law enforcement, a vicious killer has been hunting women, using genetic data to select and stalk his targets. Uncovering the murkiest corners of the dark web, Jack races to find and protect the last source who can lead him to his quarry. But the killer has already chosen his next target, and he's ready to strike. Terrifying and

unputdownable, Fair Warning shows once again why "Michael Connelly has earned his place in the pantheon of great crime fiction writers" (Chicago Sun-Times). A Kirkus Best Book of 2020 Vigil Harbor Little, Brown Exiled from the LAPD, Harry Bosch must clear his name, uncover a ring of prescription drug abuse, and outwit a clever killer before it's too late. Harry Bosch, exiled from the LAPD, is working cold cases for the San Fernando Police

Department when all hands are called out to a local drugstore, where two pharmacists have been murdered in a robbery. Bosch and the tiny town's three-person detective squad sift through the clues, which lead into the dangerous, big-business world of prescription drug abuse. To get to the people at the top, Bosch must risk everything and go undercover in the shadowy world of organized pill mills. Meanwhile, an old case from Bosch's days with

the LAPD comes back to haunt him when a long-imprisoned killer claims Harry framed him and seems to have new evidence to prove it. Bosch left the LAPD on bad terms, so his former colleagues are not keen on protecting his reputation. But if this conviction is overturned, every case Bosch ever worked will be called into question. As usual, he must fend for himself as he tries to clear his name and keep a clever killer in prison. The two cases wind around each other

like strands of barbed wire. Along the way, Bosch discovers that there are two kinds of truth: the kind that sets you free and the kind that leaves you buried in darkness. Tense, fast-paced, and fueled by this legendary detective's unrelenting sense of mission, *Two Kinds of Truth* is proof positive that "Connelly writes cops better than anyone else in the business" (New York Post). of 2017A South Florida Sun-Sentinel Best Mystery of 2017 An Amazon Book of the Month
The Late Show Little, Brown
 Cruel. Heartless. Quarantined. The ruthless boys of Everlake Prep never saw lockdown coming. But the virus isn't their number one enemy. I am. And as if being confined to a boarding school for the elite wasn't bad enough, now I'm stuck in isolation with the boys who hate me most too. Saint, Kyan and Blake. *The Night Keepers*.

Or so they call themselves. They've embodied the Native American legend which lives in this valley, taking on the role of the monsters who lurk in the forest. And though they act like beasts, they may also be the most tempting creatures I've ever seen. With the virus escalating and my dad's name splashed through the news, my entire world is falling apart. What he did has cast a dark shadow over me. And the Night Keepers want to make me pay for his crimes. Then

things went from bad to worse when I touched the sacred rock. A rock which supposedly holds a curse to bind me as the Night Keepers' slave. And as crazy as it sounds, I decided to play along. Because there are things about me they don't know. Things my dad has hidden from me for years. All I can be sure of is that I have to find a way to escape this school. But until then, those savage boys are making my life a living hell. As the virus sweeps through the country and the world

twists into something ugly and unknown, the kings of this school become true monarchs. Even the teachers bow to them now. And I'm kinda glad about that 'stay six feet away from one another' rule, because without it, I know they'd rip me apart. At least there's a silver lining. I'm cosyng up to Coach Monroe. My hot as hell, brooding P.E. teacher who has a vendetta of his own against the Night Keepers. And with his help, I may succeed at doing more than escaping the clutches of these

heartless fiends. I might even destroy them along the way. My father taught me how to be strong. How to prepare for the end of the world. So this isn't going to be the end of my world, mark my words. But if I'm able to use my mind and body to bring these assholes to their knees, it might just be the end of theirs. This is a high school bully romance series where the main character will end up with more than one love interest. It may have triggers for some as it has off the charts angst, dark

love-hate themes, scenes of intense bullying and some violence (not aimed towards the main character) and is not for the faint of heart. Prepare to enrol at Everlake Prep. Bring your hand sanitiser, face masks and toilet paper to barter with, but don't expect to hold onto them for long. Because it's time to go into quarantine with the Night Keepers. And everything you own now belongs to them.

The Harry Bosch Novels Little, Brown

For years, fans have been

clamoring for an all-in-one collection of #1 bestselling author Sherrilyn Kenyon's novellas. At their enthusiastic behest, we have delivered this brand-new short story collection, Dark Bites, including stories previously exclusive to Sherrilyn's website, as well as an all-new, never-before seen Dark-Hunter story! Sherrilyn Kenyon takes readers from the Dark-Hunters to the demigods, from Dream-Hunters to demons, and everything in between. Dangerous

and exciting, each story is one thrill ride after the next, proving time and again how Sherrilyn has captivated millions of readers worldwide Now, readers are invited to go deep into Kenyon's rich and imaginative world and experience the heart-racing moments that never stop coming!

Explore the Book is not a commentary with verse-by-verse annotations. Neither is it just a series of analyses and outlines. Rather, it is a complete Bible survey course. No

one can finish this series of studies and remain unchanged. The reader will receive lifelong benefit and be enriched by these practical and understandable studies. Exposition, commentary, and practical application of the meaning and message of the Bible will be found throughout this giant volume. Bible students without any background in Bible study will find this book of immense help as will those who have spent much time studying the Scriptures, including

pastors and teachers. Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr. Baxter. It shows throughout a deep awareness and appreciation of the grand themes of the gospel, as found from the opening book of the Bible through Revelation.

If We Were Villains W. W. Norton & Company
 “Much like Donna Tartt’s *The Secret History*, M. L. Rio’s sparkling debut is a richly layered story of love, friendship, and

obsession...will keep you riveted through its final, electrifying moments.”
 —Cynthia D’Aprix Sweeney, *New York Times* bestselling author of *The Nest* “Nerdily (and winningly) in love with Shakespeare...Readable, smart.” —*New York Times* Book Review
 On the day Oliver Marks is released from jail, the man who put him there is waiting at the door. Detective Colborne wants to know the truth, and after ten years, Oliver is finally ready to tell it. A decade ago: Oliver is one of seven young

Shakespearean actors at Dellecher Classical Conservatory, a place of keen ambition and fierce competition. In this secluded world of firelight and leather-bound books, Oliver and his friends play the same roles onstage and off: hero, villain, tyrant, temptress, ingénue, extras. But in their fourth and final year, good-natured rivalries turn ugly, and on opening night real violence invades the students’ world of make-believe. In the morning, the fourth-years find themselves

facing their very own tragedy, and their greatest acting challenge yet: convincing the police, each other, and themselves that they are innocent. *If We Were Villains* was named one of *Bustle's Best Thriller Novels of the Year*, and *Mystery Scene* says, "A well-written and gripping ode to the stage...A fascinating, unorthodox take on rivalry, friendship, and truth." *Made Well* Baker Books Growing up in a gang in the city can be dark. Growing up Native

American in a gang in Chicago is a whole different story. This book takes a trip through that unexplored part of Indian Country, an intense journey that is full of surprises, shining a light on the interior lives of people whose intellectual and emotional concerns are often overlooked. This dark, compelling, occasionally inappropriate, and often hilarious linked story collection introduces a character who defies all stereotypes about urban life and Indians. He will be

in readers' heads for a long time to come. *Kings of Quarantine* Farrar, Straus and Giroux When defence attorney Mickey Haller is pulled over by police, the body of a client is discovered in the trunk of his Lincoln. Haller is charged with murder and can't make the exorbitant \$5 million bail slapped on him by a vindictive judge. Haller knows he's been framed and elects to defend himself. But it isn't easy to build a defence from a cell in the Twin Towers Jail in downtown Los Angeles

- as an officer of the court he is an instant target. With the help of a handpicked team, including his half-brother Harry Bosch, Mickey races time to figure out who has plotted to destroy his life and why. And then he

must go before a judge and jury to prove his own innocence. In his highest stakes case yet, Mickey Haller fights for his life and shows why he is 'a worthy colleague of Atticus Finch . . . the front

of the pack in the legal thriller game' (Los Angeles Times). 'This is unmatched crime writing at its summit' -The Australian 'The Raymond Chandler of this generation' -Associated Press
