**Drawing: Cats & Kittens** Random House Digital, Inc.

A girl struggling to fit in. A homeless kitten. An unexpected job offer in an unfamiliar country that changes everything. CJ had a long history of escaping places and people she wasn't fond of.

But for the sake of a silver tabby, she decided to stay in Japan for a while. This decision helped her open up her heart and mind, revisit her way of thinking, and reconnect with her estranged family. Let this heartwarming memoir take you to the land of cats and cherry trees as you read about CJ's adventures - from the craziness of the naked men festival, the experience of forest bathing and the significance of finding a life purpose or ikigai, to the temples of Takayama, and wonders of Cat Island - you'll see what a homeless kitten found outside a temple in Japan taught her about an old culture and new beginnings

In this hilarious and clever "how-to" picture book, a little girl and a know-it-all narrator are thwarted by a cat who refuses to take a bath. The perfect read-aloud for fans of Snapsy the Alligator and Interrupting Chicken. Step one: fill the bath Step two: put the cat in the bath Step three: put shampoo on the cat Step four: rinse the cat Step five: dry the cat Seems simple, right? One problem: the cat has no intention of doing ANY of these things! Watch as the steps keep changing, the cat keeps escaping, the girl keeps eating cookies and the mess keeps escalating. Soon it's not just the cat who needs a bath — it's the whole house! This spoof on an instruction manual features an increasingly bewildered human, a nonchalant cat and a know-it-all narrator . . . who really doesn't know it all. How DO you give a cat a bath? Read on to find out!
