The Car Worker Nelson Thornes

Born just as the Civil War began, Lewis Sheafe grew to manhood at a pivotal moment in American history. But instead of racial equality, the nation offered its freed slaves further oppression and injustice. Sheafestrong-willed, dynamic, and seemingly tireless had but two main objectives: uplift his people spiritually and socially, and consistently adhere to biblical principle in all aspects of life. In this gripping biography Douglas Morgan pieces together the life of this forgotten leader whose story sheds light on the reason that no lasting, separate Black Adventist denomination ever formed.

The financial stringency that hit Nigeria took its heaviest toll on the educational structure of Oji State. This was aggravated by financial impropriety involving many civil servants. An embargo was placed on the employment of newly trained teachers, while those teaching were owed several months salaries. Vero, one of the newly employed teachers, was forced by financial difficulty, against her parents advice, into a scandalous relationship with Mr. Ejeme, an education secretary. Their affair resulted in pregnancy, which caused Vero to lose two serious suitors. Having lost the mothers love, the world was too much for her when she received the news of her fathers stroke, and worried that she would have an illegitimate son to raise all by herself, she decided to take her own life. As she sobbed to death, she called on Hilda, an old friend and colleague whose love she had lost in the mess to take

care of her mother.
