This monster Rock-n-Roll survey focuses
 on the songs and the vibrant personalities
 who create them, for college audiences
 and the general public. Dean published
 the world's first history of Rock in 1966.
 Here, in his ebullient style, he buzzes
 through piles of musical singles from the
 whole last half century, describing what is
 fun about each major and minor hit,
 pointing out what elements were exciting
 or new or significant in the development of
 musical styles. He relates some tantalizing
 tidbits about the earlier musical heritage

that artists have drawn upon in crafting
 ever more amazing evolutions of rock
 music. This snappy, witty and informative
 album has universal appeal, doubling as a
 coffee-table trivia treasure and a college-
 level popular music history text. It includes
 hundreds of photos, chapter questions,
 and an extensive index. Reader-friendly
 and informationally complete, it covers
 soft rock, heavy metal, rhythm & blues,
 country rock and classic oldies, all with
 tender loving care, for the specialist and
 casual listener alike. Its mini-portraits of
 the artists who move so many hearts (and
 feet), the photos and the insightful sound
 bites get to the essence of each song and
 each musician's contribution to the music
 of our age. The single-song focus makes
 the book unique. It's a playlist for R'n'R
 professors and the general public, written
 with a collegiate vocabulary, tight

organization and a respect for all. "Hearing
 Elvis for the first time was like busting out
 of jail." - Bob Dylan That being said, no
 one is being incited, here, to bust out of
 jail or to emulate the quixotic habits of
 rock stars. "There's nothing in here to hide
 from the kids, the clergy or grandma."
 Gold Rush can be used as a university or
 community college text, but most people
 will grab it for the sheer pleasure of
 reading about everyone's favorites. Great
 gift for Rock enthusiasts. Gold Rush is the
 first book of its kind to feature a
 celebration of the great single songs of the
 rock era and beyond. Gold Rush takes
 thousands of songs, spanning three
 centuries, and brings them back uniquely
 as if they came out just yesterday. Gold
 Rush unites the Anglo-American and later
 worldwide spirit of Rock and Roll in a
 tapestry of interconnected melodies and

adventures. As Leonard Maltin's Movie Guide helps you select videos at Blockbuster, so Gold Rush is a powerful playlist for your music collection, with many new and fascinating photos of favorite stars. Gold Rush explains the most important stories behind the songs you picked to be played, the songs that 'went gold,' from the 1897 Alaska/Klondike Gold Rush to the #1 songs of today and beyond.

This book is based on a belief we both fiercely share: That we are not separate from the Divine, not separate from other humans, and are inextricably interconnected with the Earth community, with a responsibility to protect and to live in humble and grateful harmony with the whole of creation.

Look to the Clearing Greenwood

In 1864, headstrong Pinkerton man Zachary Beddoes is tired of guarding hotels and railway stations, so he decides to quit his life of private law-enforcement and head west for gold. In San Francisco, Zachary hears that the best goldfields are north in the Devil's own region : British Columbia. Undeterred by warnings of how rough and unforgiving the Barkerville goldfields can be, Zachary goes in search of his fortune. Not even a few weeks into his bold trek for riches, Zachary is forced to kill a man in self-defence, and perhaps unwisely, takes the dead man's cache of stolen gold. Unwittingly turned outlaw, Zachary must flee into the bush and rely on a Chinese prospector named Rosh to keep him alive. In an adventure Zachary could never have dreamed up, he and Rosh dodge bullets, prevent Rosh's wife from being kidnapped, and survive in the harsh wilderness. Set in the wild west of the north, Zachary defies nature and the will of Canada's lawmen in a desperate feat to survive.

What a tumultuous mess we are in. Yes, you, me, our world. Most of us on this planet (our home) are confused, muddled, puzzled, mystified, unruly, anarchic, disorderly, and for some, lawless. Where in the name of all that is holy is the heart and soul of who we are as a species? We have been gifted with life on a blue planet that spins and gives us existence and still we are not satisfied or content. We quest for more. More money, more power, more control, more influence, more junk in our trunks, more stuff. We are a mess and have helped make an abyss of darkness on this heaven on earth—our Earth. There is only one Earth and because we have helped destroy it, tree by tree, city by city, person by person we are now looking at how we can find a home on Mars. What the hell? Why not find the tools to clean up this home? How do we do that? There are many systems, tools, traditions, structures and methods. You are reading this book because I have found one that works.

"Everything is possible for those who believe, even more for those who hope, still more for those who love, and most of all for those who practice and persevere in

these three powerful paths." Since it was first published in its pocket-size 1692 edition, Brother Lawrence's spiritual classic has remained in print, beloved by people of varying spiritual paths and religious traditions. With this new translation, award-winning translator Carmen Acevedo Butcher frees it from its centuries-long prison of dogmatic, binary language and brings fresh, inclusive treatment that readers are sure to find transformational. Brother Lawrence's years as a humble kitchen worker at a monastery, often remaining in the shadows of his community, gave way to a spiritual life that was profound. Poor, living with a disability, lacking a formal education, enduring a time of plague and civil unrest, he found God in the depths of his soul, experiencing God's loving presence throughout the day. His personal struggles and life-tested spiritual wisdom will resonate with contemporary readers as he invites us into a practice of Presence that is both accessible and deeply transformative. For the first time, Brother Lawrence's work is translated by Carmen Acevedo Butcher, a woman of color and a renowned scholar of medieval texts, who creates a dynamic, faithful translation for a new generation of readers.

This is New York Times bestselling author and Emmy-nominated broadcaster Ron Darling's 108 baseball anecdotes that connect America's game to the men who played it. In *108 Stitches*, New York Times bestselling author and Emmy Award-winning broadcaster Ron Darling offers his own take on the "six degrees of separation" game and knits together wild, wise, and wistful stories reflecting the full arc of a life in and around our national pastime. Darling has played with or reported on just about everybody who has put on a uniform since 1983, and they in turn have played with or reported on just about everybody who put on a uniform in a previous generation. Through relationships with baseball legends on and off the field, like Yale coach Smoky Joe Wood, Willie Mays, Bart Giamatti, Tom Seaver and Mickey Mantle, Darling's reminiscences reach all the way back to Babe Ruth and other early twentieth-century greats. Like the 108 stitches on a baseball, Darling's experiences are interwoven with every athlete who has ever played, every coach or manager who ever sat in a dugout, and every fan who ever played hooky from work or school to sit in the bleachers for a day game. Darling's anecdotes come together to tell the story of his time in the game, and the story of the game itself.

An inspiring manual for navigating humanity's collective dark night and enacting personal and planetary transformation • Explores how Sacred Activism--specifically, creative, wise, sacredly inspired action--offers an antidote to the crises facing our world • Reveals how to uncover and sustain joy and how to use it as fuel for continuing Sacred Activism in dangerous times • Includes practical maps of the dark night process and of the four-part path to transfiguration drawn from the secret depths of the mystical traditions Presenting a manual for navigating humanity's collective dark night, Andrew Harvey and Carolyn Baker explore potential antidotes, drawn from mystical traditions and Sacred Activism, to help us find inspiration and take action in the face of the daunting challenges to our world. Offering a deep discussion of our global dark night in terms of the Kali Yuga, the authors examine the dangers of a growing constellation of intractable crises--authoritarianism both in America and abroad, climate change, economic inequality, social upheaval, and spiritual malaise. They then explore the antidotes to these crises: Sacred Activism--specifically, creative, wise, sacredly inspired action--and a profound understanding of our evolutionary ordeal and its potentialities. Examining the power of joy to help enact personal and planetary transformation, they explain how joy, or ananda, is a force all mystical traditions recognize as the essence of the Divine. They reveal how to uncover and sustain joy in ourselves and how to use joy as fuel for continuing Sacred Activism in dangerous times. Drawing on the visionary teachings of mystics such as Pierre Teilhard de Chardin and Sri Aurobindo, the authors show how the global dark night is part of an evolutionary mutation process and how its very intensity makes it the potential seedbed of a new embodied, divine humanity. They offer practical maps of the crises, of the shadows that this global dark night is casting, and of the four-part path to transfiguration drawn from mystical traditions. Sharing a vision of a new and focused global moment of love in action, the authors reveal that apocalypse is not inevitable--if enough people awaken to the extraordinary possibilities of Sacred Activism.

Practice of the Presence Dominik Gyecsek

"This new collection of fairy tales, drawn from the Archives of Appalachia at East Tennessee State University and the

special collections at Berea College, celebrates a lively current of storytelling going back centuries in Appalachia. The volume's editor, Stacy Sivinski, has written an introduction contextualizing the regional oral tradition that produced these adaptations and retellings of well-known tales. She explains what makes the stories distinctively Appalachian, and, indeed, readers will find traces of "Cinderella," "Beauty and the Beast," and "Snow White," all with a distinctly Appalachian flavor. The brave and clever women characters, so strong in Sivinski's selection, are given additional emphasis in specially commissioned photographs by local artist Jamie Sivinski. In contrast to a previous era of skeptical folklore criticism, this volume encourages readers to enter the fairy tale with a sense of wonder that is not less contemporary for being fantastic"--

Dispossessed of her vast property on the island of Rab by the Communist authorities of Yugoslavia, 100-year-old Madonna lies on her death bed finicky, frail, and foul-smelling. Her nurse, Mali, thinks it a miracle that she lives at all. Although their relationship is never made exactly clear, Mali performs his duties with patience and care, as he reflects on their lives, the island, and the country. Set in the borderland between Italy and Croatia, this lyrical novel explores themes of the individual, family, duty, love, memory, religion, and state and conveys emotionally vivid portraits about the passing of a generation and a way of life. This new translation incorporates the author's significant revisions to the text since its original publication.

Susan Frybort steps into the eye of bewildering times with a fresh collection of encouraging poems that bravely speak to the many facets of life. Connections, transitions, loss, and change meet us in the center of our hearts. Look to the Clearing will offer a cornerstone of comfort

and validation in the moments most needed. It will assure you that there is a way out of the dark, a promise tucked inside each purposeful season and a calm, benevolent grace walking beside you on your path towards home. We move through dense forest into open glades on our journey, creating experiences of going from shadow to light, from enclosure into spaciousness- allowing for a different level of perspective, appreciation, and acceptance. Each poem is a loving reminder of a place waiting for you to softly land. A place to integrate, be nurtured, or rest. A place of much needed restoration, where the sunlight filters

through the leaves to offer clarity.
