Where the grids overlap, the rows and columns do not go beyond their usual length but the interlocking blocks give you more clues. Printed on top-quality, in the appropriate size and large paper. The symmetry is not applied,

what is most attractive, while the solutions are given at the end of the book. Have fun with this book!

Samurai Sudoku Puzzle Book - Medium

Samurai Sudoku is a variant of the regular type of Sudoku puzzle. The only difference between the two is that the five grids are conjoined, which leads to a longer and more satisfying solving experience. One puzzle per page set out in a large 8.5 x 11 inch format. With 100 Samurai Sudoku puzzles and a total of 500 individual Sudoku puzzles to solve, the Samurai Sudoku Puzzle book is sure to keep you entertained for countless hours Please note: The Medium Sudoku version is ideal for those that have some experience solving Sudoku puzzles. Take a look at the cover for a sample puzzle. All puzzle solutions are at the back of the book.

Samurai Sudoku Puzzle Book Medium

This popular, even more challenging variant of sudoku is for true puzzle warriors! Each one consists of FIVE sudoku grids arranged in an X-shaped array, with overlapping corners. No grid can be solved on its own; to complete the entire puzzle, players have to work on several grids at once, making their way to overlapping areas and constantly searching for new clues. While regular sudoku-solving techniques provide the starting point, the game's more complicated than that. Because the overlapping areas belong to two different grids, they must comply with the rules of both simultaneously. That changes the puzzle's underlying logic...and makes these sudokus more fun for the serious fan. An introduction, with a sample puzzle, shows all the strategies.
