The Boy Is Back HarperCollins

Success hasn't spoiled screenwriter Lou Calabrese - it's just given her a taste of luxury. And it's put her in some bizarre situations - like in a helicopter en route to the wilds of Alaska, sharing too-close quarters with the last man she wants to be with: Jack Townsend! Once a sexy nobody whom Lou helped make a somebody, Jack's just been dumped by a high-profile Hollywood airhead - who's eloped with Lou's longtime love! So what else could go wrong?

Blast from the Past HarperCollins

Susannah Simon finds herself in over her head when she tackles

the four ghosts of the star high school students who've been tragically killed in a car crash. They are lingering at the scene of a crime, seeking revenge on the geeky student whose car caused the incident, and they're not above attempted drowning -- of the geek or Susannah -- to even the score! And when Susannah befriends the geek to solve the case, telling herself that she could be saving a future Bill Gates, he turns out to be more like a future Son of Sam....

Abandon (The Abandon Trilogy, Book 1) Harper Collins

Victoria Growing up in far-off India, wealthy young heiress Lady Victoria Arbuthnot was accustomed to handling her own affairs -- not to mention everyone else's. But in her sixteenth year, Vicky is unceremoniously shipped off to London to find a husband. With her usual aplomb, however, Lady Victoria gets herself engaged to

the perfect English gentleman, even before setting foot on British soil. The Rogue Hugo Rothschild, ninth earl of Malfrey, is everything a girl could want in a future husband: he is handsome and worldly, if not rich. Lady Victoria has everything just as she'd like it. That is, if raffish young ship captain Jacob Carstairs would leave well enough alone. Jacob's meddling is nothing short of exasperating, and Victoria is mystified by his persistence. But when it becomes clear that young Lord Malfrey just might not be all that he's professed to be, Victoria is forced to admit, for the first time in her life, that she is wrong. Not only about her fiance, but about the reason behind the handsome ship captain's interference.

Pants on Fire Scholastic Inc.

Love has designs of its own.... To all of London society, Lord and Lady Tremaine had the ideal arrangement: a marriage based on civility, courteousness, and freedom—by all accounts, a perfect marriage. The reason? For the last ten years, husband and wife have resided on separate continents. But once upon a time, things were quite different for the Tremaines....When Gigi Rowland first laid eyes on Camden Saybrook, the attraction was immediate and overwhelming. But what began in a spark of passion ended in betrayal the morning after their wedding—and now Gigi wants to be free to marry again. When Camden returns from America with an outrageous demand in exchange for her freedom, Gigi's decision will have consequences she never imagined, as secrets are exposed, desire is rekindled—and one of London's most admired couples must either fall in love all over again...or let each other go forever.

Victoria and the Rogue HarperCollins

Enemies come lovers when rivals find themselves facing the Alaskan wilderness together in this romantic comedy from a New York Times bestselling author. There are a few places screenwriter Lou Calabrese would rather be than crammed into a helicopter with Jack Townsend, star of her claim to fame, Copkiller, and whose ex just ran off with Lou's ex. Talk about uncomfortable. But when, halfway out to the isolated arctic location where Copkiller IV is currently shooting, their pilot turns murderous and their helicopter crashes, Lou realizes her day has just gotten a lot worse. Now, while family and friends back home fret over her disappearance, Lou is on the run in the arctic wilderness with America's sweetheart Jack Townsend and only the contents of her purse, his pockets, and their mutual knowledge of survival movie trivia to keep them alive. Can these two children of Hollywood put aside their differences and make it back home without killing each other? Or much, much worse, actually start to like one another? "Cabot will knock your socks off!" —Atlanta Journal-Constitution

**She Went All the Way** Harper Collins

Do you want to be popular? Everyone wants to be popular—or at least, Stephanie Landry does. Steph's been the least popular girl in her class since a certain cherry Super Big Gulp catastrophe five years earlier. Does being popular matter? It matters very much—to Steph. That's why this year, she has a plan to get in with the It Crowd in no time flat. She's got a secret weapon: an old book called—what else?—How to Be Popular. What does it take to be popular? All Steph has to do is follow the instructions in The Book, and soon she'll be partying with the It Crowd (including school quarterback Mark Finley) instead of sitting on

The Hill Saturday nights, stargazing with her nerdy best pal Becca, and even nerdier Jason (now kind of hot, but still), whose passion for astronomy Steph once shared. Who needs red dwarves when you're invited to the hottest parties in town? But don't forget the most important thing about popularity! It's easy to become popular. What isn't so easy? Staying that way.

**Awaken (The Abandon Trilogy, Book 3)** Harper Collins  
 “A heartbreaking, finger-gnawing, and yet ultimately hopeful novel by the amazing Rene Denfeld.” —Margaret Atwood, via Twitter  
 After captivating readers in *The Child Finder*, Naomi—the investigator with an uncanny ability for finding missing children—returns, trading snow-covered woods for dark, gritty streets on the search for her missing sister in a city where young, homeless girls have been going missing and turning up dead. From the highly praised author of *The Child Finder* and *The Enchanted* comes *The Butterfly Girl*, a riveting novel that ripples with truth, exploring the depths of love and sacrifice in the face of a past that cannot be left dead and buried. A year ago, Naomi, the investigator with an uncanny ability for finding missing children, made a promise that she would not take another case until she finds the younger sister who has been missing for years. Naomi has no picture, not even a name. All she has is a vague memory of a strawberry field at night, black dirt under her bare feet as she ran for her life. The search takes her to Portland, Oregon, where scores of homeless children wander the streets like ghosts, searching for money, food, and companionship. The sharp-eyed investigator soon discovers that young girls have been going missing for months, many later found in the dirty waters of the river. Though she does not want to get involved,

Naomi is unable to resist the pull of children in need—and the fear she sees in the eyes of a twelve-year old girl named Celia. Running from an abusive stepfather and an addict mother, Celia has nothing but hope in the butterflies—her guides and guardians on the dangerous streets. She sees them all around her, tiny iridescent wisps of hope that soften the edges of this hard world and illuminate a cherished memory from her childhood—the Butterfly Museum, a place where everything is safe and nothing can hurt her. As danger creeps closer, Naomi and Celia find echoes of themselves in one another, forcing them each to consider the question: Can you still be lost even when you've been found? But will they find the answer too late?

*She Went All the Way* Harper Collins

Princess just want to have fun This spring, Mia's determined to have a good time, despite the fact that the student government over which she presides is suddenly broke. Fortunately (or unfortunately, depending on how you look at it) Grandmère has an elaborate scheme to simultaneously raise money, catapult Mia to theatrical fame, and link her romantically with an eligible teen bachelor, not her boyfriend. It's no wonder that Michael, the love of her life, seems to think she's a psycho, or worse: not much fun. Is it possible that Mia, soon-to-be star of the stage, president of the student body, and future ruler of Genovia, doesn't know how to party?

*All-American Girl* Simon and Schuster

From #1 New York Times bestselling author Meg Cabot, the dark reimagining of the Persephone myth comes to a thrilling conclusion. Death has her in his clutches. She doesn't want him to let go. Seventeen-year-old Pierce Oliviera knew by accepting

the love of John Hayden, she'd be forced to live forever in the one place she's always dreaded most: the Underworld. The sacrifice seemed worth it, though, because it meant she could be with the boy she loves. But now her happiness -- and safety -- are threatened, all because the Furies have discovered that John has broken one of their strictest rules: He revived a human soul. If the balance between life and death isn't fixed, both the Underworld and Pierce's home back on earth will be wiped away. But there's only one way to restore order. Someone has to die.

### **The Butterfly Girl** Bantam

An arrogant earl looking for the perfect wife; a strong-minded governess determined to transform him into the perfect man-- who will win?

### Runaway Macmillan Children's Books

When Lightning Strikes When lightning strikes there can only be trouble - as Jessica Mastriani finds out when she is caught in a thunderstorm. But this trouble with a capital T - this trouble is serious. Because somehow, on that long walk home, Jess acquired a new talent. She can find missing people - dead or alive... Code Name Cassandra Since developing her psychic powers, Jess has discovered that not everyone wants to be found. And, right now, Jess is one of them. Because some very important people want to speak to her about her newfound powers - people who know just how a good power can be used for evil - and the wrong decision will lead Jess into deadly danger...

### Remembrance Hachette UK

Where Roses Grow Wild is an enchanting novel by Meg Cabot, originally writing under the name Patricia Cabot—released as an e-book for the first time! She was ruled by her head... Only one

thing stood between Edward, Lord Rawlings, and a life of rakish debauchery: a spinster. Even worse, a liberal, educated vicar's daughter, guardian to ten-year-old Jeremy, the true heir to the title Edward did not want. If Jeremy would not assume dukedom, Edward must, a fate of dire responsibility and utter boredom. But this time, her heart was taking the reins. Since there had never been a female his lordship couldn't charm, Edward was sure he would win over the old girl. But Pegeen MacDougal was neither old, nor a girl—she was all woman, with a prickly tongue, infernal green eyes and a buried sensuality that drove him mad.

Unfortunately, she loathed him and his class for their fripperies and complete disregard for the less fortunate. But for the sake of the boy, she agreed to accompany him back to his estate. The rise was quickly apparent. For Pegeen knew she could resist Edward's money, his power, his position...his entire world. It was his kiss, however, that promised to be her undoing...

### *Private Arrangements* Simon and Schuster

From #1 New York Times bestselling author Meg Cabot comes the first story in her Little Bridge Island series—which also includes an excerpt from her forthcoming new full-length novel No Judgments! Looking for a tropical escape? Welcome to Little Bridge, one of the smallest—and most beautiful— islands in the Florida Keys, home to sandy white beaches, salt-rimmed margaritas, stunning sunsets, and some of the quirkiest—but also kindest and most resourceful—people you'll ever meet. Physical trainer Roberta “Rob” James moved to Little Bridge hoping she'd found paradise, but things haven't turned out quite as she'd hoped. The closest Rob has come to her “happily ever after” is happy hour at the Mermaid Café with her buddy Bree, the

bartender slash waitress who's got romance problems of her own. But Rob's situation suddenly changes when sheriff's deputy Ryan Martinez accidentally enrolls in her bridal boot camp class.

Turning mush into metal in time for the big day is Rob's passion (because even the happiest bride could use a little toning). But what happens when a guy who's all mush meets a girl who's all metal? They discover they have a lot to learn . . . about each other, themselves, and the island paradise they've come to call home.

*Nicola and the Viscount* Scholastic Paperbacks

Top ten things Samantha Madison isn't ready for 10. Spending Thanksgiving at Camp David 9. With her boyfriend, the president's son 8. Who wants to take things to the Next Level 7. Which Sam inadvertently announces live on MTV 6. While discussing the president's dubious policies on families, morals, and, yes, sex 5. Juggling her new after-school job at Potomac Video 4. Even though she's already the (unpaid) teen ambassador to the UN 3. Getting accosted because she's "the redheaded girl who saved the president's life," despite her new ebony tresses 2. Dealing with her popular sister Lucy, who for once can't get the guy she wants And the number-one thing Sam isn't ready for? 1. Finding out the hard way that in art class, "life drawing" means "naked people"

Bridal Boot Camp Pan Macmillan

'You're not Mia Thermopolis any more, honey,' Dad said. 'You're Amelia Mignonette Grimaldi Thermopolis Renaldo. Princess of Genovia.' A PRINCESS?? ME??? Yeah. Right. One minute Mia's a totally normal Manhattan fourteen-year-old. Next minute she's heir to the throne of Genovia, being trailed by a bodyguard,

taking princess lessons with her uncontrollable old grandmere, and having a makeover with someone called Paolo. Well, her dad can lecture her till he's royal blue in the face, but no way is Mia going to turn herself into a style-queen. And they think she's moving to Genovia? Er, hello? Meg Cabot's *The Princess Diaries* inspired the feature film starring Anne Hathaway and Julie Andrews. This beloved series continues in the second book, *A Royal Disaster*.

Where Roses Grow Wild William Morrow Paperbacks

In this brand-new novel from #1 New York Times bestselling author Meg Cabot, a scandal brings a young man back home to the small town, crazy family, and first love he left behind. Reed Stewart thought he'd left all his small town troubles—including a broken heart—behind when he ditched tiny Bloomville, Indiana, ten years ago to become rich and famous on the professional golf circuit. Then one tiny post on the Internet causes all of those troubles to return . . . with a vengeance. Becky Flowers has worked hard to build her successful senior relocation business, but she's worked even harder to forget Reed Stewart ever existed. She has absolutely no intention of seeing him when he returns—until his family hires her to save his parents. Now Reed and Becky can't avoid one another—or the memories of that one fateful night. And soon everything they thought they knew about themselves (and each other) has been turned upside down, and they—and the entire town of Bloomville—might never be the same, all because *The Boy Is Back*.

*She Went All the Way* Scholastic Inc.

Fifteen years after the release of the first *Mediator* novel, #1 New York Times bestselling author Meg Cabot returns with a

deliciously sexy new entry to a fan-favorite series. Suze Simon—all grown up and engaged to her once-ghostly soulmate—faces a vengeful spirit and an old enemy bent on ending Suze's wedded bliss before it begins. You can take the boy out of the darkness. But you can't take the darkness out of the boy. All Susannah Simon wants is to make a good impression at her first job since graduating from college (and since becoming engaged to Dr. Jesse de Silva). But when she's hired as a guidance counselor at her alma mater, she stumbles across a decade-old murder, and soon ancient history isn't all that's coming back to haunt her. Old ghosts as well as new ones are coming out of the woodwork, some to test her, some to vex her, and it isn't only because she's a mediator, gifted with second sight. From a sophomore haunted by the murderous specter of a child, to ghosts of a very different kind—including Paul Slater, Suze's ex, who shows up to make a bargain Suze is certain must have come from the Devil himself—Suze isn't sure she'll make it through the semester, let alone to her wedding night. Suze is used to striking first and asking questions later. But what happens when ghosts from her past—including one she found nearly impossible to resist—strike first? What happens when old ghosts come back to haunt you? If you're a mediator, you might have to kick a little ass.

**She Went All the Way** Scholastic Inc.

New York Times-bestselling author Meg Cabot returns with a charming romance between a children's librarian and the town sheriff in the second book in the Little Bridge Island series. Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys, home to sandy white beaches, salt-

rilled margaritas, and stunning sunsets—a place where nothing goes under the radar and love has a way of sneaking up when least expected... A broken engagement only gave Molly Montgomery additional incentive to follow her dream job from the Colorado Rockies to the Florida Keys. Now, as Little Bridge Island Public Library's head of children's services, Molly hopes the messiest thing in her life will be her sticky-note covered desk. But fate—in the form of a newborn left in the restroom—has other ideas. So does the sheriff who comes to investigate the "abandonment". When John Hartwell folds all six-feet-three of himself into a tiny chair and insists that whoever left the baby is a criminal, Molly begs to differ and asks what he's doing about the Island's real crime wave (if thefts of items from homes that have been left unlocked could be called that). Not the best of starts, but the man's arrogance is almost as distracting as his blue eyes. Almost... John would be pretty irritated if one of his deputies had a desk as disorderly as Molly's. Good thing she doesn't work for him, considering how attracted he is to her. Molly's lilting librarian voice makes even the saltiest remarks go down sweeter, which is bad as long as she's a witness but might be good once the case is solved—provided he hasn't gotten on her last nerve by then. Recently divorced, John has been having trouble adjusting to single life as well as single parenthood. But something in Molly's beautiful smile gives John hope that his old life on Little Bridge might suddenly hold new promise—if only they can get over their differences. Clever, hilarious, and fun, *No Offense* will tug at readers' heartstrings and make them fall in love with Little Bridge Island and its unique characters once again.

*The Princess Diaries* Macmillan + ORM

The New York Times bestselling hit from Meg Cabot Samantha Madison is just your average sophomore gal living in DC when, in an inadvertent moment sandwiched between cookie-buying and CD-perusing, she puts a stop to an attempt on the life of the president. Before she can say “MTV2” she’s appointed Teen Ambassador to the UN and has caught the eye of the very cute First Son. Featuring Meg Cabot’s delightful sense of humor and signature romance that made *The Princess Diaries* such a hit, this New York Times bestselling standalone novel is sure to please fans and new readers alike.

**The Princess Diaries, Volume IX: Princess Mia** Feiwel & Friends

From the #1 New York Times bestselling author of the *Princess Diaries* series, comes the very first adult installment, which follows Princess Mia and her Prince Charming as they plan their fairy tale wedding—but a few poisoned apples could turn this

happily-ever-after into a royal nightmare. For Princess Mia, the past five years since college graduation have been a whirlwind of activity, what with living in New York City, running her new teen community center, being madly in love, and attending royal engagements. And speaking of engagements. Mia’s gorgeous longtime boyfriend Michael managed to clear both their schedules just long enough for an exotic (and very private) Caribbean island interlude where he popped the question! Of course Mia didn’t need to consult her diary to know that her answer was a royal oui. But now Mia has a scandal of majestic proportions to contend with: Her grandmother’s leaked “fake” wedding plans to the press that could cause even normally calm Michael to become a runaway groom. Worse, a scheming politico is trying to force Mia’s father from the throne, all because of a royal secret that could leave Genovia without a monarch. Can Mia prove to everyone—especially herself—that she’s not only ready to wed, but ready to rule as well?
