*Business Communication Today* University of Chicago Press

Evidence in Context is designed to create a fully contextual understanding of the law of evidence. It contains two relatively detailed case files, quite similar to the material a trial lawyer may have as he or she approaches trial. The first file is a murder case where the issue is the identity of the killer and the defendant is the estranged husband of the victim. The second file is a civil action for defamation brought by a former employee against her very wealthy employer. The cases raise realistic and challenging issues in the law of evidence and allow for a critical assessment of that law. They are followed by over three hundred problems for class analysis and discussion. These problems address the full range of evidentiary issues.

Born on opposite sides of the Kansas/Missouri border in 1902, Kenneth Aldred Spencer and his wife, Helen Foresman Spencer, were transformative figures in the Midwest during the twentieth century. Kenneth grew up in the small town of Pittsburg, Kansas, but by the 1950s, his innovation in the chemical and coal industries had earned him mention in "Forbes" magazine for his role as one of the nation's great industrialists. But it is the couple's remarkable philanthropic work that stands as their true legacy, preserved in places like the Kenneth Spencer Research Library and the Helen Foresman Spencer Museum of Art..

*Ask a Manager* Adams Media

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin

Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**Extremism in the Police** Cambridge Scholars Publishing

Michael Santos helps audiences understand how to overcome the struggle of a lengthy prison term. Readers get to experience the mindset of a 23-year-old young man that goes into prison at the start of America's War on Drugs. They see how decisions that Santos made at different stages in the journey opened opportunities for a life of growth, fulfillment, and meaning. Santos tells the story in three sections: Veni, Vidi, Vici. In the first section of the book, we see the challenges of the arrest, the reflections while in jail, the criminal trial, and the imposition of a 45-year prison term. In the second section of the book, we learn how Santos opened opportunities to grow. By writing letters to universities, he found his way into a college program. After earning an undergraduate degree, he pursued a master's degree. After earning a master's degree, he began work toward a doctorate degree. When authorities blocked his pathway to complete his formal education, Santos shifted his energy to publishing and creating business opportunities from inside of prison boundaries. In the final section, we learn how Santos relied upon critical-thinking skills to position himself for a successful journey inside. He nurtured a relationship with Carole and married her inside of a prison visiting room. Then, he began building businesses that would allow him to return to society strong, with his dignity intact. Through *Earning Freedom!* readers learn how to overcome struggles and challenges. At any time, we can recalibrate, we can begin working toward a better life. Santos served 9,135 days in prison, and another 365 days in a halfway house before concluding 26 years as a federal prisoner. Through his various websites, he continues to document how the decisions he made in prison put him on a pathway to succeed upon release.

This book is essential reading for college students, faculty, parents of college students, and mid-career professionals. We are all faced with important career decisions throughout our lives, such as where to go to college or graduate school, what field to study, or what career to pursue. We also face important personal decisions, such as how to save and spend, how to prepare for retirement, and whose advice to take or reject. This book provides a powerful set of personal finance concepts that will help the reader analyze their choices before the fact and help them make the best decisions possible. They are based on the principles of finance—that is, how we make decisions to achieve the best possible outcomes in the face of uncertainty.

**Personal Finance for Everyday Challenges** Penguin UK

Ireland 1963. As the Irish people prepare to welcome President John F. Kennedy to the land of his ancestors, a German national is murdered in a seaside guesthouse. Lieutenant Albert Ryan, Directorate of Intelligence, is ordered to investigate. The German is the third foreigner to die within a few days, and Minister for Justice Charles Haughey wants the killing to end lest a shameful secret be exposed: the dead men were all Nazis granted asylum by the Irish government in the years following World War II. A note from the killers is found on the dead German's corpse, addressed to Colonel Otto Skorzeny, Hitler's favorite commando, once called the most dangerous man in Europe. The note simply says: "We are coming for you." As Albert Ryan digs deeper into the case he discovers a network of former Nazis and collaborators, all presided over by Skorzeny from his country estate outside Dublin. When Ryan closes in on the killers, his loyalty is torn between country and conscience. Why must he protect the very people he fought against twenty years before? Ryan learns that Skorzeny might be a dangerous ally, but he is a deadly enemy.

*The Keystone* Aspen Publishing

Since its publication in 2004, *Doing Honest Work in College* has become an integral part of academic integrity and first-year experience programs across the country. This helpful guide explains the principles of academic integrity in a clear, straightforward way and shows students how to apply them in all academic situations—from paper writing and independent research to study groups and lab work. Teachers can use this book to open a discussion with their students about these difficult issues. Students will find a trusted resource for citation help whether they are studying comparative literature or computer science. Every major reference style is represented. Most important of all, many universities that adopt this book report a reduction in cheating and plagiarism on campus. For this second edition, Charles Lipson has updated hundreds of examples and included many new media sources. There is now a full chapter on how to take good notes and use them properly in papers and assignments. The extensive list of citation styles incorporates guidelines from the American Anthropological Association. The result is the definitive resource on academic integrity that students can use every day. "Georgetown's entering class will discover that we actually have given them what we expect will be a very useful book, *Doing Honest Work in College*. It will be one of the first things students see on their residence hall desks when they move in, and we hope they will realize how important the topic is."—James J. O'Donnell, Provost, Georgetown University "A useful book to keep on your reference shelf."—Bonita L. Wilcox, English Leadership Quarterly

**Kenneth & Helen Spencer of Kansas American Bar Association**

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

**The Miller** Soho Press

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Why I Write*, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer,

and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' – 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' – and considers the importance of keeping these in balance. *Why I Write* is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

*American Lumberman* Springer

*Rightness as Fairness* provides a uniquely fruitful method of 'principled fair negotiation' for resolving applied moral and political issues that requires merging principled debate with real-world negotiation.

*Federal Communications Commission Reports* Routledge

The reexamination of values that began during the USSR's last years continues today in the search for a new Russian culture, one rooted in the pre-Soviet past but dynamic and evolving. Multi-textual, polyphonic, and contradictory, the current Russian cultural discourse is richly reflected in these essays by a diverse group of authors from Russian and American academic and cultural circles. The chapters explore specific cultural domains, surveying Russian and Soviet beliefs and behaviors, and highlighting the range of choices that Russians are facing at this critical juncture. }During the waning years of Soviet power, glasnost laid bare the distress of people trapped in a system they despised but felt powerless to change. The reexamination of values that began then continues today in the search for a new Russian culture, one rooted in the pre-Soviet past but dynamic and evolving, enabling Russians to meet the challenges they face in the contemporary world. Multi-textual, polyphonic, and contradictory, the current Russian cultural discourse is richly reflected in these essays by a diverse group of authors from Russian and American academic and cultural circles. Each chapter focuses on a particular cultural domain, surveying the historical origins of Russian beliefs and behaviors, exploring their Soviet and post-Soviet permutations, and highlighting the range of choices that Russians are facing at this critical juncture. The decisions they make will shape their society and culture for generations to come. Illuminating the universal significance of the Soviet experience, this volume raises provocative questions about the social, political, and economic sources of cultural change.

A one-stop resource for understanding historical and contemporary perspectives on ideological extremism in law enforcement, as well as its wider impacts on American society. The work blends narrative overview, biographies, essay perspectives, and a helpful guide to other resources to facilitate understanding of the contemporary problem of extremism in American law enforcement. Written by experts in the criminal justice field, the book focuses on the extent, motivations, causes, and dangers of ideological extremism in the ranks of America's police, from the smallest towns to the biggest cities. In addition, it discusses reforms that have been proposed-and in some cases implemented-to combat the problem, including measures introduced in other countries.

*Doing Honest Work in College* Arcadia Publishing

Covers the basic principles of Business Communication. This book intends to serve the students who use it by giving them the communication skills they need to succeed in business. It is appropriate for Business Communications Courses.

WETFEET, INC.
