When Ezra Fain joined
the ranks of the CIA,

the last thing on his
mind was romance.
After meeting Kim
Solomon, it was
difficult to think of
anything else. A tragic
mistake drove them
apart, leaving him
shattered and unable
to forgive the woman
he loved. But when his
greatest enemy

threatens her life, Ezra leaps into action, prepared to do anything to try to save her. Solo accepted long ago that she won't get over Ezra. She's worked for years to get back into his life, looking for any way to reignite the love they once shared. Unfortunately, nothing seems to penetrate the wall he has built between them. When she's arrested for a crime she didn't commit, she believes she's on her own. Racing across the globe, Ezra and Solo find themselves together again, caught in the crosshairs of the agency they sacrificed so much to serve. Days on the run soon turn to steamy nights, but Levi Green isn't about to let them find their happily ever after. And when

the smoke clears, the men and women of McKay-Taggart will never be the same again.

She's the one they have been searching for, and she is worth the wait. The future looks bright until the guys' past comes back to haunt them. Danger lurks in every corner, but it may not

be the biggest threat to their happily ever after. The citizens of Bliss know how to handle a killer, but handling Elisa, Van, and Hale might require some cosmic intervention.

Lord Sloane is willing to acquiesce on Trent's punishment if Kelsey will do one little job for him.
