"Then I'll munch, and I'll crunch, and I'll smash your house in!" Mama tells her three little fish that it's time to make their own homes. Jim builds his house of seaweed, but the big bad shark munches it up. Tim builds his house of sand, but the shark crunches it up. It's smart Kim who sets up house in an old sunken ship! Practice makes perfect in this kick-butt fractured fairy tale, illustrated by Caldecott Medal winner

Dan Santat. Why does this wolf think he can come to town and blow all the houses down? These three little pigs just aren't going to take it from that bully anymore! The first starts aikido lessons—he'll make mincemeat out of that wolf! His brother learns a little jujitsu—he'll chop that guy to pieces! But when the wolf actually appears, it turns out these two pigs aren't quite ready after all. Good thing their sister has been training every day to master some serious karate moves that save the day. KIYA! Corey Rosen Schwartz serves up a fun combination of smart-aleck dialogue and tongue-in-cheek rhymes that'll have kids howling, and rising star Dan Santat's spunky illustrations are sure to pack a punch! How do you make a garden grow? In this playful companion to the popular *Tap the Magic Tree* and *Touch the Brightest Star*, you will see how tiny seeds bloom into beautiful flowers. And by tapping, clapping, waving, and more, young readers can join in the action! Christie Matheson masterfully combines the wonder of the natural world with the interactivity of reading. Beautiful collage-and-watercolor art follows the seed through its entire life cycle, as it grows into a zinnia in a garden full of buzzing bees, curious hummingbirds, and colorful butterflies. Children engage with the book as they wiggle their fingers to water the seeds, clap to make the sun shine after rain, and shoo away

a hungry snail. Appropriate for even the youngest child, *Plant the Tiny Seed* is never the same book twice—no matter how many times you read it! And for curious young nature lovers, a page of facts about seeds, flowers, and the insects and animals featured in the book is included at the end. Fans of *Press Here*, *Eric Carle*, and *Lois Ehlert* will find their next favorite book in *Plant the Tiny Seed*.
