Underscores the critical importance of effective writing in the justice system and how to achieve it This user-friendly guide to effective writing for the justice system teaches readers to

write cogently and accurately across the spectrum of criminal justice-related disciplines. With an examination of common writing problems that interfere with good reporting and documentation, it underscores the importance of skilled written communication as a cornerstone of competent practice within criminology. It provides examples of strong writing

that demonstrate communication of cultural competency and help students develop critical thinking/writing skills. Of outstanding value are numerous examples of real-world writing alongside discussion questions and explanations, enabling students to think critically and truly understand what constitutes good writing. Actual forms

<p>and records used in practice are included along with real-world writing examples drawn from all areas of practice: police, corrections, probation and parole services, social work, miscellaneous court documents, and victim advocate services.
