PATRICK KYLEIGH

Swedish-English, English-Swedish Pocket Dictionary Routledge

This grammar-reader is based on almost twenty years' experience of teaching beginners the Swedish language and is reassuringly practical in approach. Miss Hird's aims are threefold: to provide a compromise between the traditional grammar-readers and the new textbooks which are not designed for beginners outside Sweden; to supply grammatical information and exercises and reading texts together for ease of reference; and to stimulate the student's interest in Swedish life, institutions and culture. The grammar part of the book is in seventeen lessons, each comprising a text in Swedish which Miss Hird has specially composed to include useful vocabulary and graded grammatical points upon which exercises (including translation exercises) are set for practice. The central theme of the texts is Stockholm, and attractive drawings illustrate it. To help the student, there is a full vocabulary list covering all the lessons, a brief summary of Swedish grammar, a glossary of grammatical terms, a check list of irregular verbs and a comprehensive index of the grammatical points covered in the book. In the reader part of the book, the texts chosen range from a short play by Strindberg to a sketch by Stig Claesson, one of Sweden's most popular contemporary authors. Each text is preceded by a short biographical and literary introduction and is followed by questions designed to test the student's comprehension and to stimulate his appreciation.

Prisma's Modern Swedish-English Dictionary Createspace Independent Publishing Platform
 Contains 70,000 entries covering both British and American usages. Includes 20,000 phrases and idioms and explanations of plurals and conjugations.

[Modern svensk-engelsk ordbok](#) Routledge

I love Words English - Swedish is a list of 100 Words images and their names in English and Swedish. This is the perfect book for kids who love Words. With this book children can build their Words vocabulary and start to develop word and picture association.

[Swedish Vocabulary Book](#) From English to Swedish 2 This is the full color edition. A less expensive black and white edition (ISBN-13: 978-1533422156, ISBN-10: 153342215X) is also available. From English to Swedish 2 is an intermediate Swedish textbook for English speaking students covering level A2 of the European CEFR-scale. It is a direct sequel of From English to Swedish 1 by the same authors. The first book tells the story of an American exchange student, Ashley Chapman, and her Swedish host family, the Lundströms. In this sequel, the reader continues to follow Ashley through the second half of her exchange year. She learns more about the Swedish society and visits several of the larger cities in the country. She also continues to observe, analyze, and discuss differences in culture and mentality between Swedes and Americans. Through the two books students acquire a total vocabulary of slightly more than 1,500 words including 57 % of the 2,000 most frequent words of the Swedish language as defined by Språkbanken (the Language Bank), a data base published by the University of Gothenburg. A glossary listing the complete vocabulary is included at the end of the book. Furthermore, the book contains exercises which will help students develop their ability to guess the meaning of many more words, which are similar between English and Swedish. The grammar sections of the book cover all forms of the Swedish verb. Other themes, like the logical relationship between sub-clauses and main clauses and the use of prepositions, are also included, as well as advice on how to address the Swedes. A final grammar overview provides explanations of grammatical terms and references to relevant grammar sections. Each lesson includes a number of exercises, where students are encouraged to practice their newly gained knowledge of grammar, repeat vocabulary, and answer questions in connection with the texts. As the students' vocabulary develops, the questions become increasingly open-ended in order to stimulate discussion in class.

Finally, some traditional Swedish songs are included with printed music, lyrics and guitar chords. Gun Lystedt, Assistant Professor of Swedish, Umeå University: "From English to Swedish 2 is a very well-composed and pedagogic text book which is ideal for international students, who have different mother tongues but use English as a lingua franca. The book contains a suitable mix of enjoyable, informative and often funny texts, grammatical explanations in English, and varying exercises with instructions in English, as well as useful lists of vocabulary." Swedish: A Comprehensive Grammar This is the full color edition. A less expensive black and white edition (ISBN-13: 978-1540529954, ISBN-10: 1540529959) is also available. From English to Swedish 1 & 2 is a series of textbooks for English speaking students who would like to learn Swedish. The first book covers level A1 and the second book level A2 of the European CEFR-scale. Unlike most Swedish textbooks they provide vocabulary lists, grammar explanations, and text commentaries in English. To help the reader learn Swedish pronunciation, a series of videos linked to the first book is available on YouTube (see <https://www.youtube.com/watch?v=mEQVgbDPZ4I>). The texts of the two books tell the story of an American girl who comes as an exchange student to live in a Swedish family. She struggles to learn Swedish and adapt to Swedish culture, but in the process runs into a number of cultur clashes, all based on the authors' real life experiences. ☪ke Daun, professor of ethnology from Stockholm University and a specialist in Swedish mentality, has examined the first book and describes the way it introduces Swedish mentality as "innovative and entertaining". To facilitate the student's learning the books take advantage of the close relationship between English and Swedish. Many of the words appearing in the texts are similar to their English counterparts. Having finished both books, the student will have acquired a vocabulary of slightly more than 1,500 words including 57 % of the 2,000 most frequent words of the Swedish language as defined by Språkbanken (the Language Bank), a data base published by the University of Gothenburg. In an appendix to book 1, the similarities between English and Swedish are explained from an historical perspective, and over 300 related words from different areas are presented. Each chapter in the books contains a short grammar section presenting essentials in Swedish morphology and syntax. All grammatical terms, except the most common ones, are explained. At the end of each book there is a grammar overview with definitions of concepts and references to relevant chapters. Each lesson includes a number of exercises, where students are encouraged to practice their newly gained grammar knowledge, repeat vocabulary, and answer questions in connection with the texts. As the students' vocabulary develops, the questions become increasingly open-ended in order to stimulate reflection and discussion in class. Furthermore, a number of songs with simple vocabulary are included, mainly children's songs by classic song-writers. Finally, each book contains answers to the exercises and a complete alphabetical glossary. Judgments about From English to Swedish 1: "I'm just learning Swedish, and this book is wonderful. The style & methodology are ideal. Highly recommend." (Amazon, USA) "I've tried to start learning Swedish several times with at least 4 books, and finally I've found one that is didactic enough to keep me going! Very natural way of teaching, the closest thing I've seen to have a teacher that prepares a class for you. I'm already looking for the 2nd book!" (Amazon, Spain)

Prisma's Swedish-English and English-Swedish Dictionary Createspace Independent Publishing Platform

This compact and completely up-to-date, two-way dictionary provides a comprehensive and modern vocabulary, containing 85,000 headwords and phrases. It is the ideal reference for learners of Swedish. The Prisma suite of English-Swedish and Swedish-English dictionaries is recognized around the world as the best resource for these languages. Students, travelers, scholars, and native speakers have depended on Prisma for over 25 years, making these the best-selling of all Swedish-English dictionaries. The unabridged volumes have now been updated and revised in a new third edition. These companion volumes each have over 50,000 entries, phonetic transcriptions, and codes for inflections on nouns, adjectives, and verbs.

The standard Swedish-English English-Swedish dictionary Pinok Languages

Swedish vocabulary book + Swedish dictionary This Swedish vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Swedish-English as well as English-Swedish dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Swedish learning resource is a combination of Swedish vocabulary book and a two-way basic Swedish dictionary: Part 1 - Topic based Swedish vocabulary book: This is the main part of the book and represents a list of chapters each containing Swedish vocabularies for a certain topic. The Swedish vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Swedish dictionary: The index in the second half of the book can be used as a basic Swedish dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Swedish-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Swedish words and directly find the English translation How to use this Swedish vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Swedish dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Swedish translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Swedish dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Swedish and comes in particularly handy at times when there is no internet to look up words and phrases.

Concise English-Swedish/Swedish-English Dictionary Routledge

Intermediate Swedish: A Grammar and Workbook combines an accessible intermediate reference grammar and related exercises in one volume that covers most of the topics that students might expect to deal with in their second year of learning Swedish. The book follows on naturally from and complements its companion volume, Basic Swedish. Each of the 26 units discusses one or more grammar topics, with examples that are subsequently practised in the exercises that follow. The book presents the contemporary language against a backdrop of Swedish culture, society, geography, customs and history. Each unit ends with a cultural text which outlines an aspect of Swedish culture and, in nearly all cases, exemplifies and consolidates the grammar topic examined in the unit. Features include: • clear grammatical explanations with examples in Swedish and English • vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance • cross-references to other units • over 100 exercises with a key to all the correct answers. The book is suitable both for independent study and for class use. It can be used by intermediate students and those who have grasped the basics of grammar and vocabulary.

Prisma's Abridged English-Swedish and Swedish-English Dictionary Routledge

This fully revised second edition of Swedish: An Essential grammar incorporates the changes proposed to the Swedish grammar by Svenska Akademiens Grammatik. All examples have been fully updated, the bibliography has been expanded and a number of tables clarified. Swedish: An Essential grammar provides a fresh and accessible description of the language. It is suitable for independent study or for class-based students. The explanations are free of jargon and emphasis has been placed in the areas of Swedish that pose a particular challenge for English-speaking learners.

Modern Swedish-English dictionary Cambridge University Press

Winner of the Swedish National Language Council's Erik Wellander Prize, 2003 Swedish: A Comprehensive Grammar is an award-winning complete reference guide to modern Swedish grammar. Systematic and accessible, the volume is organised to promote a thorough understanding of Swedish grammar, presenting the complexities of Swedish in a concise and readable form. Explanations are full, clear and free of jargon, and an extensive index, numbered paragraphs, cross-references and summary charts provide readers with easy access to the information they require. Now in its third edition, the text has been comprehensively updated to conform to new standards set in the description of language and to reflect the recommendations of the Language Council of Sweden. It offers an improved layout, completely revised index and more user-friendly paragraph structure. Continuing the tradition of previous editions, the emphasis remains fixed on Swedish in everyday communication, drawing on modern corpus material, the internet and the media to provide high frequency words and expressions. Examples have been modernised throughout and new content takes account of recent trends resulting from the increasing democratisation of written Swedish. Features include: detailed treatment of grammatical structures and parts of speech a wealth of examples from present-day Swedish particular attention to areas of confusion and difficulty for learners Swedish/English contrasts highlighted throughout the book chapters on word formation, orthography and punctuation. Swedish: A Comprehensive Grammar is the most thorough and detailed Swedish grammar available in English and is an essential reference source for the learner and user of Swedish, irrespective of level. It is ideal for use in schools, colleges, universities and adult classes of all types.

Prisma's English-Swedish Dictionary Soffer Publishing

This is the new, black and white version of From English to Swedish 1. A full color version is also available. Look for ISBN 978-1540452900. From English to Swedish 1 & 2 is a series of textbooks for English speaking students who would like to learn Swedish. The first book covers level A1 and the second book level A2 of the European CEFR-scale. Unlike most Swedish textbooks they provide vocabulary lists, grammar explanations, and text commentaries in English. To help the reader learn Swedish pronunciation, a series of videos linked to the first book is available on YouTube (see <https://www.youtube.com/watch?v=mEQVgbDPZ4I>). The texts of the two books tell the story of an American girl who comes as an exchange student to live in a Swedish family. She struggles to learn Swedish and adapt to Swedish culture, but in the process runs into a number of culture clashes, all based on the authors' real life experiences. ◆ke Daun, professor of ethnology from Stockholm University and a specialist in Swedish mentality, has examined the first book and describes the way it introduces Swedish mentality as "innovative and entertaining". To facilitate the student's learning the books take advantage of the close relationship between English and Swedish. Many of the words appearing in the texts are similar to their English counterparts. Having finished both books, the student will have acquired a vocabulary of slightly more than 1,500 words including 57 % of the

2,000 most frequent words of the Swedish language as defined by Språkbanken (the Language Bank), a data base published by the University of Gothenburg. In an appendix to book 1, the similarities between English and Swedish are explained from an historical point of view, and over 300 related words from different areas are presented. Each chapter in the books contains a short grammar section presenting essentials in Swedish morphology and syntax. All grammatical terms, except the most common ones, are explained. At the end of each book there is a grammar overview with definitions of concepts and references to relevant chapters. Finally, each book contains answers to the exercises and a complete alphabetical glossary. Judgments about From English to Swedish 1: "I'm just learning Swedish, and this book is wonderful. The style & methodology are ideal. Highly recommend." (Amazon, USA) "A brilliant book. ... The words and pronunciations are well explained with examples given. Common Swedish vocab is also used in lessons. Quite amazing that by lesson 2 (Lektion 2) I was understanding and translating simple paragraphs and answering questions in full sentences without much difficulty. The two books are a must buy for people looking to learn the Swedish language. ... The second book is just as good as this one." (Amazon, England) "I've tried to start learning Swedish several times with at least 4 books, and finally I've found one that is didactic enough to keep me going! Very natural way of teaching, the closest thing I've seen to have a teacher that prepares a class for you. I'm already looking for the 2nd book!" (Amazon, Spain)
