The Scandal of Holiness Milk & Cookies

A work forty years in the making—Sir Martin Gilbert’s illustrated survey of the pre- and post-war history of the Jewish people in Europe. Masterfully covering such topics as pre-war Jewish life, the Warsaw Ghetto revolt, and the reflections of Holocaust survivors, Gilbert interweaves firsthand accounts with unforgettable photographs and documents, which come together to form a three-dimensional portrait of the lives of the Jewish people during one of Europe’s darkest times. “This volume introduces the crime to a new generation, so that it knows of the atrocities and the seemingly futile acts of defiance taken, in the words of Judah Tenenbaum, ‘for three lines in the history books.’” —Booklist

The Diary of Mary Berg Unbound Publishing

The first eye-witness account ever published of life in the Warsaw Ghetto Mary Berg was fifteen when the German army poured into Poland in 1939. She survived four years of Nazi terror, and managed to keep a diary throughout. This astonishing, vivid portrayal of life inside the Warsaw Ghetto ranks with the most significant documents of the Second World War. Mary Berg candidly chronicles not only the daily deprivations and mass deportations, but also the resistance and resilience of the inhabitants, their secret societies, and the youth at the forefront of the fight against Nazi terror. Above all *The Diary of Mary Berg* is a uniquely personal story of a life-loving girl’s encounter with unparalleled human suffering, and offers an extraordinary insight into one of the darkest chapters of human history.

“An inventive and powerful coming of age story about the search for community and all the ways our ties to one another come undone. Jon Pineda has a poet’s eye for the details of this vivid, haunting landscape, and he brings it blazingly to life.” —Jenny Offill, author of *Dept. of Speculation* With the cinematic and terrifying beauty of the American South humming behind each line, Jon Pineda’s *Let’s No One Get Hurt* is a coming-of-age story set equally between real-world issues of race and socioeconomics, and a magical, Huck Finn-esque universe of community and exploration. Fifteen-year-old Pearl is squatting in an abandoned boathouse with her father, a disgraced college professor, and two other grown men, deep in the swamps of the American South. All four live on the fringe, scavenging what they can—catfish, lumber, scraps for their ailing dog. Despite the isolation, Pearl feels at home with her makeshift family: the three men care for Pearl and teach her what they know of the world. Mason Boyd, aka “Main Boy,” is from a nearby affluent neighborhood where he and his raucous friends ride around in tricked-out golf carts, shoot their fathers’ shotguns, and aspire

to make Internet pranking videos. While Pearl is out scavenging in the woods, she meets Main Boy, who eventually reveals that his father has purchased the property on which Pearl and the others are squatting. With all the power in Main Boy’s hands, a very unbalanced relationship forms between the two kids, culminating in a devastating scene of violence and humiliation.

From the acclaimed author of *Godshot* and “a pitch-perfect ventriloquist of extraordinary talent and ferocity” (T Kira Madden) comes a defining book of Californian stories where everyone is seeking or sabotaging love United by the stark and sprawling landscapes of California’s Central Valley, the characters of *Heartbroke* boil with reckless desire. A woman steals a baby from a shelter in an attempt to recoup her own lost motherhood. A phone-sex operator sees divine opportunity when a lavender-eyed cowboy walks into her life. A mother and a son selling dream catchers along a highway that leads to a toxic beach manifest two young documentary filmmakers into their realm. And two teenage girls play a dangerous online game with destiny. *Heartbroke* brims over with each character’s attempt to salvage grace where they can find it. Told in bright, snapping prose that reveals a world of loss and love underneath, Chelsea Bieker brilliantly illuminates a golden yet gothic world of longing and abandonment under an unrelenting California sun.

“This is not a novel about a woman leaving home but rather about a human being finding her way back.”—Chicago Tribune In the middle of her life, Nan decides to leave her husband at home and begin an impromptu trek across the country, carrying with her a turquoise leather journal she intends to fill. *The Pull of the Moon* is a novel about a woman coming to terms with issues of importance to all women. In her journal, Nan addresses the thorniness—and the allure—of marriage, the sweet ties to children, and the gifts and lessons that come from random encounters with strangers, including a handsome man appearing out of the woods and a lonely housewife sitting on her front porch steps. Most of all, Nan writes about the need for the self to stay alive. In this luminous and exquisitely written novel, Elizabeth Berg shows how sometimes you have to leave your life behind in order to find it. *the pull of the moon* BONUS: This edition contains an excerpt from Elizabeth Berg's *Once Upon a Time, There Was You*. Praise for *The Pull of the Moon* “Breathtaking . . . [Berg] writes with wry wit and aching lyricism, painting her characters as vividly as anyone writing today.”—The Charlotte Observer “When was the last time you thought about running away? . . . In *The Pull of the Moon*, Berg shares her strength, the wonderful widening of her soul so that we, too, can take the journey in the ease of our chair.”—Greensboro News & Record “Berg’s gift as a storyteller lies most powerfully in her ability to find the extraordinary in the ordinary, the remarkable in the everyday.”—The Boston Globe “Reading *The Pull of the Moon* is like sitting down for a long, satisfying chat with a best girlfriend. . . . [It] pleasantly encourages readers to recover a little life-embracing enthusiasm themselves.”—Orlando Sentinel

Anne Frank Hachette UK

I have been standing on the side of life, watching it float by. I want to swim in the river. I want to feel

the current. So writes Mamah Borthwick Cheney in her diary as she struggles to justify her clandestine love affair with Frank Lloyd Wright. Four years earlier, in 1903, Mamah and her husband, Edwin, had commissioned the renowned architect to design a new home for them. During the construction of the house, a powerful attraction developed between Mamah and Frank, and in time the lovers, each married with children, embarked on a course that would shock Chicago society and forever change their lives. In this ambitious debut novel, fact and fiction blend together brilliantly. While scholars have largely relegated Mamah to a footnote in the life of America's greatest architect, author Nancy Horan gives full weight to their dramatic love story and illuminates Cheney's profound influence on Wright. Drawing on years of research, Horan weaves little-known facts into a compelling narrative, vividly portraying the conflicts and struggles of a woman forced to choose between the roles of mother, wife, lover, and intellectual. Horan's Mamah is a woman seeking to find her own place, her own creative calling in the world. Mamah's is an unforgettable journey marked by choices that reshape her notions of love and responsibility, leading inexorably ultimately lead to this novel's stunning conclusion. Elegantly written and remarkably rich in detail, *Loving Frank* is a fitting tribute to a courageous woman, a national icon, and their timeless love story. BONUS: This edition includes an excerpt from Nancy Horan's *Under the Wide and Starry Sky*. Advance praise for *Loving Frank*: "Loving Frank is one of those novels that takes over your life. It's mesmerizing and fascinating—filled with complex characters, deep passions, tactile descriptions of astonishing architecture, and the colorful immediacy of daily life a hundred years ago—all gathered into a story that unfolds with riveting urgency." —Lauren Belfer, author of *City of Light* "This graceful, assured first novel tells the remarkable story of the long-lived affair between Frank Lloyd Wright, a passionate and impossible figure, and Mamah Cheney, a married woman whom Wright beguiled and led beyond the restraint of convention. It is engrossing, provocative reading." —Scott Turow "It takes great courage to write a novel about historical people, and in particular to give voice to someone as mythic as Frank Lloyd Wright. This beautifully written novel about Mamah Cheney and Frank Lloyd Wright's love affair is vivid and intelligent, unsentimental and compassionate." —Jane Hamilton "I admire this novel, adore this novel, for so many reasons: The intelligence and lyricism of the prose. The attention to period detail. The epic proportions of this most fascinating love story. Mamah Cheney has been in my head and heart and soul since reading this book; I doubt she'll ever leave." —Elizabeth Berg

Winner of the National Jewish Book Award: viewing the Holocaust through the eyes of youth "Zapruder . . . has done a great service to history and the future. Her book deserves to become a standard in Holocaust studies classes. . . . These writings will certainly impress themselves on the memories of all readers."—Publishers Weekly "These extraordinary diaries will resonate in the reader's broken heart for many days and many nights."—Elie Wiesel This stirring collection of diaries written by young people, aged twelve to twenty-two years, during the Holocaust has been fully revised and updated. Some of the writers were refugees, others were in hiding or passing as non-Jews, some were imprisoned in ghettos, and nearly all perished before liberation. This seminal National Jewish Book Award winner preserves the impressions, emotions, and eyewitness reportage of young people whose accounts of daily events and often unexpected thoughts, ideas, and feelings

serve to deepen and complicate our understanding of life during the Holocaust. The second paperback edition includes a new preface by Alexandra Zapruder examining the book's history and impact. Simultaneously, a multimedia edition incorporates a wealth of new content in a variety of media, including photographs of the writers and their families, images of the original diaries, artwork made by the writers, historical documents, glossary terms, maps, survivor testimony (some available for the first time), and video of the author teaching key passages. In addition, an in-depth, interdisciplinary curriculum in history, literature, and writing developed by the author and a team of teachers, working in cooperation with the educational organization Facing History and Ourselves, is now available to support use of the book in middle- and high-school classrooms.

"THE MALE ELENA FERRANTE" -- New York Post In the acclaimed follow-up to the #1 international bestseller *The Secret Diary of Hendrik Groen*, everyone's favorite curmudgeon is back and as funny and charming as ever with the newest adventures of the Old-But-Not-Dead Club -- for fans of Frederik Backman and Graeme Simsion. Everyone's favorite octogenarian is back and, together with his pals in the Old-But-Not-Dead Club, he is more determined than ever to wreak havoc and turn a twinkly eye on the brighter side of life. After a year spent mourning the death of his beloved friend Eefje, Hendrik may be older and a little more wobbly, but his youthful appetite for mischief hasn't diminished. When fears arise that the home is set for demolition, it's up to Hendrik and the Old-But-Not-Dead Club to intervene.

The Diary of Virginia Woolf: 1915-1919 Yale University Press

Diaries keep secrets, harbouring our fantasies and fictional histories. They are substitute boyfriends, girlfriends, spouses and friends. But in this age of social media, the role of the diary as a private confidante has been replaced by a culture of public self-disclosure. *The Private Life of the Diary: from Pepys to Tweets* is an elegantly-told story of the evolution – and perhaps death – of the diary. It traces its origins to seventeenth-century naval administrator, Samuel Pepys, and continues to twentieth-century diarist Virginia Woolf, who recorded everything from her personal confessions about her irritation with her servants to her memories of Armistice Day and the solar eclipse of 1927. Sally Bayley explores how diaries can sometimes record our lives as we live them, but that we often indulge our fondness for self-dramatization, like the teenaged Sylvia Plath who proclaimed herself 'The Girl Who Would be God'. This book is an examination of the importance of writing and self-reflection as a means of forging identity. It mourns the loss of the diary as an acutely private form of writing. And it champions it as a conduit to self-discovery, allowing us to ask ourselves the question: Who or What am I in relation to the world?

A deep and intimate look at the lives of LGBTQ youth in foster care, vividly chronicling their struggles, fears and hardships, and revealing the force that allows them to carry on: the irrepressible power of hope. In this lyrical debut, Ryan Berg immerses readers in the gritty, dangerous, and shockingly underreported world of homeless LGBTQ teens in New York. As a caseworker in a group home for disowned LGBTQ teenagers, Berg witnessed the struggles, fears, and ambitions of these disconnected youth as they resisted the pull of the street, tottering between destruction and survival. Focusing on the lives and loves of eight unforgettable youth, *No House to Call My Home* traces their efforts to break away from dangerous sex work and cycles of drug and alcohol abuse, and, in the process, to heal from years of trauma. From Bella's fervent desire for stability to Christina's irrepressible dreams of stardom to Benny's continuing efforts to find someone to love him, Berg uncovers the real lives behind the harrowing statistics: over 4,000 youth are homeless in New York City -- 43 percent of them identify as LGBTQ. Through these stories, Berg compels us to rethink the way we define privilege, identity, love, and family. Beyond the tears, bluster, and bravado, he reveals the force that allows them to carry on -- the irrepressible hope of youth.

This new hardcover edition of Odd Nansen's diary, the first in over sixty-five years, contains extensive annotations and other material not found in any other hardcover or paperback versions. Nansen, a Norwegian, was arrested in 1942 by the Nazis, and spent the remainder of World War II in concentration camps--Grini in Oslo, Veidal above the Arctic Circle, and Sachsenhausen in Germany. For three and a half years, Nansen kept a secret diary on tissue-paper-thin pages later smuggled out by various means, including inside the prisoners' hollowed-out breadboards. Unlike writers of retrospective Holocaust memoirs, Nansen recorded the mundane and horrific details of camp life as they happened, "from day to day." With an unsparing eye, Nansen described the casual brutality and random terror that was the fate of a camp prisoner. His entries reveal his constantly frustrated hopes for an early end to the war, his longing for his wife and children, his horror at the especially barbaric treatment reserved for Jews, and his disgust at the anti-Semitism of some of his fellow Norwegians. Nansen often confronted his German jailors with unusual outspokenness and sometimes with a sense of humor and absurdity that was not appreciated by his captors. After the Putnam's edition received rave reviews in 1949, the book fell into obscurity. In 1956, in response to a poll about the "most undeservedly neglected" book of the preceding quarter-century, Carl Sandburg singled out *From Day to Day*, calling it "an epic narrative," which took "its place among the great affirmations of the power of the human spirit to rise above terror, torture, and death." Indeed, Nansen witnessed all the horrors of the camps, yet still saw hope for the future. He sought reconciliation with the German people, even donating the proceeds of the German edition of his book to German refugee relief work. Nansen was following in the footsteps of his father, Fridtjof, an Arctic explorer and humanitarian who was awarded the Nobel Peace Prize in 1922 for his work on behalf of World War I refugees. (Fridtjof also created the "Nansen passport" for stateless persons.) Forty sketches of camp life and death by Nansen, an architect and talented draftsman, provide a sense of immediacy and acute observation matched by the diary entries. The preface is written by Thomas Buergenthal, who was "Tommy," the ten-year-old survivor of the Auschwitz Death March, whom Nansen met at Sachsenhausen and saved using his extra food rations. Buergenthal, author of *A Lucky Child*, formerly served as a judge on the International Court of Justice at The Hague and is a recipient of the 2015 Elie Wiesel Award from the US Holocaust Memorial Museum.

To mark the 50th anniversary of the end of the Second World War, here is an extraordinary

anthology of diaries written by children in Nazi-occupied Europe. With a scope that encompasses the entire war, the breadth of Europe, the London Blitz and the Warsaw ghetto, the diaries are as powerful as *The Diary of Anne Frank*. The children, who are from all over Europe, write in spare, searing prose of life in ghettos and concentration camps, of bombings, strafings and Blitzkriegs, of dreams and death, fear and courage, tragedy and transcendence. Their voices and their vision will move us all.
