Collectible Wristwatches Guido Mondani Editore e Ass

A guide for Hamilton wristwatch collectors to identify watches made between 1917 and 1969.

Automatic Wristwatches from Switzerland Schiffer Publishing

The development of the wristwatch styles in America, from the early years of the 20th century to the age of quartz. Richly illustrated with over 700 color photographs, the authors have traced the unique development of the American wristwatch, period by period. Original research brings life to some of the persons who influenced its development. Current prices make this a valuable collector's reference.

Waltham Wristwatches A Collectors Guide Schiffer Book for Collectors

Waltham Wristwatches A Collectors Guide contains more than 650 images of Waltham watches from years 1912 - 1955. most identified with model number, some by model name, and suggested retail price when the watch was introduced. Twelve years in the making, it's the first identification book devoted exclusively to Waltham wristwatches. A large part of this work is based on the company and jobber catalogs that Waltham produced for the trade from 1926 to 1955. The remainder are models shown from various advertisements and actual specimens from auctions and private

collections. This resulting guide is far from complete, but at least is a good start and will help Waltham collectors identify their treasures..
