Best of London 2017 Lonely Planet Lonely Planet: The world's leading travel guide publisher* This is not a guidebook. And it is definitely 'not-for-parents'. It is the real, inside story about one of the world's most famous cities - London. In this book you'll hear fascinating tales about famous and infamous people, creepy underground places, dark history and strange characters galore. Check out cool stories about graffiti artists, murdered princes and people from all over. You'll find royalty, punks and sleuths, and some amazingly weird food. Heard about the abseilers who wash a clockface for a living? Would you want to eat jellied eels? How could anyone be lucky to be beheaded? Whatever does 'this is my trouble and strife' mean? This book shows

you a London your parents probably don't even know about. [Lonely Planet England](#) Lonely Planet Bestselling author and renowned Buddhist teacher Noah Levine adapts the Buddha's Four Noble Truths and Eight Fold Path into a proven and systematic approach to recovery from alcohol and drug

addiction—an indispensable alternative to the 12-step program. While many desperately need the help of the 12-step recovery program, the traditional AA model's focus on an external higher power can alienate people who don't connect with its religious tenets. Refuge Recovery is a systematic method based on Buddhist principles, which integrates scientific, non-theistic, and psychological insight. Viewing addiction as cravings in the mind and body, Levine shows how a path of meditative awareness can alleviate those desires and ease suffering. Refuge Recovery includes daily meditation practices, written investigations that explore the causes and conditions of our addictions, and advice and inspiration for finding or creating a community to help you heal and awaken. Practical yet compassionate, Levine's successful Refuge Recovery system is designed for anyone interested in a non-theistic approach to recovery and requires no previous experience or knowledge of Buddhism or meditation.
