MARSHALL HANEY

Stay Or Go New Harbinger Publications
 Dubbed "a heroic gate-crasher" by New York Times bestselling author Glennon Doyle, Brian D. McLaren explores reasons to leave or stay within the church and if so how... "Brian's new book on remaining Christian knocks it out of the ballpark in terms of framing and naming the questions. I cannot stop reading it. Thank you, Brian!" —Fr. Richard Rohr, OFM, founder of the Center for Action and Contemplation, author of *The Universal Christ* "Any thoughtful Christian has been asking the questions McLaren tackles here, but many of us are afraid to voice them aloud. In *Do I Stay Christian?* we're gifted a gentle guide who opens ideas and voices the questions we cannot, naming our frustration, fear, and hesitant hope." —Rev. Dr. Amy Butler, former Senior Minister, The Riverside Church; Founder, Invested Faith *Do I Stay Christian?* addresses in public the powerful question that surprising numbers of people—including pastors, priests, and other religious leaders—are asking in private. Picking up where

Faith After Doubt leaves off, *Do I Stay Christian?* is not McLaren's attempt to persuade Christians to dig in their heels or run for the exit. Instead, he combines his own experience with that of thousands of people who have confided in him over the years to help readers make a responsible, honest, ethical decision about their religious identity. There is a way to say both yes and no to the question of staying Christian, McLaren says, by shifting the focus from whether we stay Christian to how we stay human. If *Do I Stay Christian?* is the question you're asking—or if it's a question that someone you love is asking—this is the book you've been waiting for.

Should I Stay Or Should I Go? Ten Speed Press

For the past two centuries and more, the West has acquired the treasures of antiquity to fill its museums, so that visitors to the British Museum in London, the Louvre in Paris and the Metropolitan in New York - to name but a few - can wonder at the ingenuity of humanity throughout the ages. However, in the opinion of most people, many of these items are looted property and should be returned immediately. In 'Keeping Their Marbles', Tiffany Jenkins tells the intriguing and sometimes bloody story of how the West came to acquire these treasures. Originally

published: 2016.

Coping With Divorce, Single Parenting, and Remarriage Oxford University Press

“A fearless and brutal look at friendships...you will laugh, rage, and mourn its loss when it’s over.” —Justina Ireland, New York Times bestselling author of *Dread Nation* “Simultaneously hilarious and moving, weird and wonderful.” —Jeff Zentner, Morris Award-winning author of *The Serpent King* Six Feet Under meets *Pushing Daisies* in this quirky, heartfelt story about two teens who are granted extra time to resolve what was left unfinished after one of them suddenly dies. A good friend will bury your body, a best friend will dig you back up. Dino doesn’t mind spending time with the dead. His parents own a funeral home, and death is literally the family business. He’s just not used to them talking back. Until Dino’s ex-best friend July dies suddenly—and then comes back to life. Except not exactly. Somehow July is not quite alive, and not quite dead. As Dino and July attempt to figure out what’s happening, they must also confront why and how their friendship ended so badly, and what they have left to understand about themselves, each other, and all those grand mysteries of life. Critically acclaimed author Shaun Hutchinson delivers another wholly unique novel blending the real and surreal while reminding all of us what it is to love someone through and around our faults.

The Midnight Library Jossey-Bass

There are many books that promise to help you fix a bad relationship. This groundbreaking bestseller is the first one to help you choose whether you should even try—or if you need to go. Psychotherapist Mira Kirshenbaum draws on years of research and her work with real-life couples to help you make the right decision. She shows you how to diagnose your unique situation with self-analysis and questions like these, which get to the very heart of your problems: • What sins are forgivable and which ones are unpardonable? • Is your partner questioning your opinions to the point where you doubt yourself? • What is your sex life really like, and how important is it? • Is there real love left between you, and how does it stack up against all that you find unlovable? Mira Kirshenbaum provides expert guidelines that are the key to making all your choices, concrete steps that you can implement right now, and the ultimate way to determine your personal bottom line—what you need to be happy. This remarkably insightful and probing guide offers advice that lets you see the truth about your relationship—and with wisdom and compassion, it helps you act with the confidence of knowing that whether you decide to go or stay, you are doing the very best thing.

The Past and Other Things That Should Stay Buried HarperCollins

This book contains Relationship Coaches Susie and Otto Collins' process for helping anyone who is trying to decide whether to stay in or leave a relationship make the best possible decision. This book guides the reader through the decision-making process, using compelling questions, stories and insights.

Scuse Me While I Kiss This Guy Conscious Heart Publishing
Until now, couples facing the dilemma of deciding whether or not to stay in an unhappy marriage had three options: individual or couples therapy, separation, or divorce. *Should I Stay or Go?* provides these couples with a fourth option--the Controlled Separation (CS). CS is a compassionate process that is designed to build respect and foster advocacy between spouses. The book explains the CS guidelines, including the 12 fundamental issues that must be resolved for a workable, orderly separation. It also contains sample contracts, along with helpful checklists and self-assessment tools.

Do I Stay Christian? Hachette UK

In the spring of 2010, Harvard Business School’s graduating class

asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen’s thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

If I Stay Routledge

In this groundbreaking bestseller, Lundy Bancroft—a counselor who specializes in working with abusive men—uses his knowledge about how abusers think to help women recognize when they are being controlled or devalued, and to find ways to get free of an abusive relationship. He says he loves you. So...why does he do that? You’ve asked yourself this question again and again. Now you have the chance to see inside the minds of angry and controlling men—and change your life. In *Why Does He Do That?* you will learn about: • The early warning signs of abuse • The nature of abusive thinking • Myths about abusers • Ten abusive personality types • The role of drugs and alcohol • What you can fix, and what you can’t • And how to get out of an abusive relationship safely “This is without a doubt the most informative and useful book yet written on the subject of abusive men. Women who are armed with the insights found in these pages will be on the road to recovering control of their lives.”—Jay G. Silverman, Ph.D., Director, Violence Prevention Programs, Harvard School of Public Health

How Will You Measure Your Life? (Harvard Business Review Classics) St. Martin's Essentials

What is love? How soon is now? How do you solve a problem like Maria? They're some of the most famous questions ever asked. But do you know the answer to them? In *Should I Stay or Should I Go?*, award-winning journalist James Ball travels from the economic status of doggies in windows, to what war is good for and what becomes of the broken hearted to find out the definitive, fascinating and hilarious answers.

Should I Stay Or Should I Go? Quirk Books

In his phenomenal bestseller *Listening to Prozac*, Peter Kramer explored the makeup of the modern self. Now, in his superbly written new book, he focuses his intelligent, compassionate eye on the complexities of partnerships and why intimacy is so difficult for us. With the art of a novelist and the skill of a brilliant psychiatrist, Kramer addresses advice seekers struggling with such complex questions as: How do we choose our partners? How well do we know them? How do mood states affect our assessment of them and theirs of us? What does “working on a relationship” truly entail? When should we try to improve a relationship, and when should we leave? Equally at home with Shakespeare, Emerson, and Kierkegaard as it is with Freud and Jung, *Should You Leave?* is a literary tour de force from a uniquely insightful observer and a profoundly resonant and helpful approach to resolving dilemmas of the heart.

Pop Sonnets Independently Published

A Goodreads Choice Award nominee *The Bard* meets the Backstreet Boys in this collection of 100 classic pop songs reimagined as Shakespearean sonnets This hilarious book of poetry transforms disco staples, classic rock anthems, and recent chart-toppers into hilarious iambic pentameter! All your favorite songs are here, including hits by Jay-Z, Johnny Cash, Katy Perry,

Michael Jackson, Talking Heads, and many others. An entertaining journey into the world of Elizabethan poetry, and based on the immensely popular Tumblr of the same name, *Pop Sonnets* is the perfect gift for Shakespeare fans and music lovers alike. "Ever wonder what Taylor Swift and Beyoncé would sound like in iambic pentameter? We hadn't either, but now we can't get enough."

—TIME

Keeping Their Marbles Wheeler Publishing, Incorporated
[head] Will we live happily ever after? The fact is, some couples need more time to mature, some need to work through specific issues, and some should never be together. But how do you know? What factors add up to success-or failure-in a relationship? Author Jeffry Larson knows; in fact, he knows a lot about what predicts a happy marriage. Based on Larson's twenty-plus years of research and experience in marriage and family therapy, *Should We Stay Together?* debunks many time-honored myths as it provides couples with the tools they need to make better decisions and thoroughly explore every aspect of their relationship. From individual characteristics, idiosyncratic family histories, unresolved conflicts and needs, and combined strengths and weaknesses, this step-by-step scientific method for relationship evaluation-based on the highly accurate RELATE premarital assessment questionnaire-will help couples understand the specific traits that predict a satisfying-or disastrous-relationship. "Here's your chance to learn more about the potential of your relationship. With this book, you'll learn about the things that put marriages-maybe yours-at risk and more importantly, what areas you need to focus on to build a lasting and happy relationship. With its strong basis in marital research, I highly recommend this book for those wanting to make a solid investment in their future together."-Scott Stanley, coauthor, *Fighting for Your Marriage* "This book should be made available in every high school, church, and public library."-Diane Solee, director, Coalition for Marriage, Family, and Couples Education "This book is based on the best of what is known about predicting marital satisfaction. Its style and content are unique and directly applicable to couples."-Bob Stahmann, author, *Premarital and Remarital Counseling*

Should I Stay or Should I Go? Clarkson Potter

"Complex and nervy, Shriver's clever meditation will intrigue anyone who has ever wondered how things might have turned out had they followed, or ignored, a life-changing impulse." — People (Critic's Choice) This dazzling novel from the Orange Prize-winning author of the international bestseller *We Need to Talk About Kevin* takes a psychological and deeply human look at love and volition Does the course of life hinge on a single kiss? Whether the American expatriate Irena McGovern does or doesn't lean into a certain pair of lips in London will determine whether she stays with her smart, disciplined, intellectual American partner Lawrence, or runs off with Ramsey—a wild, exuberant British snooker star the couple has known for years. Employing a parallel-universe structure, Shriver follows Irena's life as it unfolds under the influence of two drastically different men. In a tour de force that, remarkably, has no villains, Shriver explores the implications, both large and small, of our choice of mate—a subject of timeless, universal fascination for both sexes.

Should I Stay Or Should I Go Random House

"Potent, accessible tools for your family and your future."
—Gwyneth Paltrow Marital strife and divorce can be your chance to profoundly transform yourself, your mindset and your relationship with a more harmonious and steady vision. While many of us may be better together, some of us can actually become better apart. What if you emerged from your divorce stronger and more resilient than ever before? *Better Apart* is the first book to apply the life-changing, healing wisdom of

meditation and yoga, combined with practical advice, to help anyone going through the painful and seemingly intractable realities of divorce. Gabrielle Hartley and Elena Brower are warm and caring guides who can help you compassionately part from your partner. Whether your separation is amicable, or your ex is combative, *Better Apart* can help you find peace, calm, and hope. Blending practical advice from a legal perspective together with spiritual wisdom, Gabrielle and Elena are experts and realists who have created a simple five-step process that uses original meditations, perspective-shifting exercises, and fresh suggestions to help navigate the common legal and emotional pitfalls of divorce. Don't worry if you've never tried yoga or mediation; Gabrielle's insight buttressed by Elena's practices and exercises are accessible for all. Together, they show you how to meaningfully shift your mindset and to move forward though any—or all—parts of this emotionally fraught process. *Better Apart* radically reframes the way couples experience, execute, and recover from when "for better or worse" is no longer an option, and helps you find the road to a new mindset and better life.

Should You Leave? Pan Macmillan

Committing to a long-term relationship is a big deal--especially if you have doubts. With a focus on common sense over emotion, world-renowned sex and relationship therapist Dr. Ruth Westheimer offers straight-up advice on whether you should stick it out or cut your losses and move on. In *Stay or Go*, Dr. Ruth divides troubled couplings into three "flavors": Dark Toxic (run!), Rocky Road (rough patch ahead), and Merely Troubled (it's worth the effort). She knows relationships are rarely black and white--there's always the bad with the good--so here she helps you determine where the scales in your relationship are tipping. Delving into everything from communicating to financial stresses, parenting pressures to long-distance relationships, she helps you to understand your romantic expectations--reasonable and unreasonable--what you can do to save a relationship, and how and when you should say goodbye. And it all comes with the wit and wisdom that has made Dr. Ruth the one to turn to for putting your life together once and for all.

Should I Stay or Should I Go? HarperOne

The study of international migration and ethnic relations is rapidly expanding in the social sciences, in the humanities, and in law and medicine at universities around the world. Theories and methods are borrowed from many disciplines, but with little cross-fertilization, thereby leaving many core issues out. This authoritative book fills a gap by providing an expertly integrated overview of international migration from a wide range of disciplinary perspectives. Throughout the book, South to North migration is used as the main example. The authors, leading experts in their fields, ask provocative new questions such as the counterfactual, 'Why do people not migrate?' and address old questions in fresh ways in a language accessible for students in a range of disciplines. Does migration from less developed countries stimulate or obstruct development? Does development reduce or increase the flows of migration? What are the dynamics of a migration process? Geography, economics, political science, social anthropology and sociology all inform this book, which is certain to become an established text in migration studies.

Should You Stay Or Should You Go? Penguin

Challenges the necessity of the institution of marriage based on modern lifestyles in which women are working and cohabiting more, taking on single parenthood and living satisfying and rewarding lives without tying the knot.

The Seven Habits of Highly Effective People Psychology Press

Narcissism is a modern epidemic, and it's spreading rapidly. But

how do you know if you are in a relationship with one—and, what can you do about it? We live in a world of romance and rescue, where many believe love will conquer all, and that the more we endure unacceptable behavior, the more likely that we can “fix” our relationships. It doesn’t always work that way—despite what the fairy tales tell us. There are a few hard facts about pathological narcissism that most people don’t know and most psychologists will never tell you. *Should I Stay or Should I Go?* uses checklists, clinical wisdom, and real stories from real people to prepare you for the real terrain of pathological narcissism. It raises the red flags to watch for and provides a realistic roadmap for difficult situations to help you reclaim yourself, find healing, and live an authentic and empowered life. Whether you stay. Or go.

Beyond Intelligence Macmillan Reference USA

As seen on The TODAY Show! “A godsend to anyone searching for, but struggling to find, true love in their lives.” —Kristin Neff, PhD, author of *Self-Compassion* “Empowering and compassionate, and its lessons are universal.” —Publishers Weekly Real love starts with you. In order to attract a life partner and build a healthy intimate relationship, you must first become a good partner to yourself. This book offers twenty invaluable lessons that will help you explore and commit to your own emotional and psychological well-being so you can be ready, resilient, and confident in love. Many of us enter into romantic relationships full of expectation and hope, only to be sorely disappointed by the realization that the partner we’ve selected is a flawed human being with their own neuroses, history, and desires. Most relationships end because one or both people haven’t done the internal work necessary to develop self-awareness and take responsibility for their own experiences. We’ve all heard “You can’t love anyone unless you love yourself,” but amid life’s distractions and the myth of perfect, romantic love, how exactly do you do that? In *Loving Bravely*, psychologist, professor and relationship expert Alexandra H. Solomon introduces the idea of relational self-awareness, encouraging you to explore your personal history to gain an understanding of your own relational patterns, as well as your strengths and weaknesses in relationships. By doing so, you’ll learn what relationships actually require, beyond the fairytale notions of romance. And by maintaining a steady but gentle focus on yourself, you’ll build the best possible foundation for making a loving connection. By understanding your past relationship experiences, cultivating a strong sense of self-awareness, and determining what it is you really want in a romantic partner—you’ll be ready to find the healthy, lasting love your heart desires.

Letter from Birmingham Jail Simon & Schuster Books for Young Readers

If You're Struggling To Decide If You Should Stay or Go ... PLEASE READ THIS Dear Friend, If you are struggling to decide if it's

worth fighting for your relationship or if it's time to leave, and you're serious about finding that answer...this book is the most important book you'll ever read. But First, A Warning: Before we go further, let me make something abundantly clear: This book does not contain a "magic wand" that will bring you instant answers without having to do any work. What I'm about to share with you takes both time and effort and has worked wonders for me and my private clients. And I believe it can help you too. The exact process I'll be sharing with you has taken several of my clients from a state of frustration and feeling "stuck", to crystal clarity as to what they should do. But this only works for those who are willing look deep inside themselves and are committed to finding true happiness. So with that said, let me tell you... Exactly What You're Getting First of all, this is different from any other "relationship" book you've ever read. This book is all about YOU. It's about helping you get clear on what will serve you best and deliver the most happiness without any regrets. Plus, this is a simple read. At 176 pages, you can read it in an afternoon. And you'll immediately begin to see the path toward the happiness you deserve and have been looking for. It's About MORE Than Just This One Decision What you'll take from this book will serve you in all your relationships for the rest of your life. What you'll be learning can be applied to all your relationships, and most important to the one you have with yourself. Here's a fraction of what you're getting... - What to do when you have love for him...but aren't in love with him. - What you should do if "he needs to change" but seems to be fine with mediocrity. - The real cause of the shift from wedded bliss to loneliness. - The most important thing you need to do now so you don't remain stuck in indecision. - Why it's CRITICAL you choose wisely with whom you discuss your struggling marriage and why the wrong choice can end a marriage worth saving. - The ONE single thing you need to focus on at all times to find the clarity and confidence you want. - Why up to 74% of marriages are failing right now and what to do about it for your own life so you're not just another statistic. - The single biggest thing that keeps women stuck in indecision and how to overcome it. - How to identify what's not working in the relationship that is actually working for you. - How to interrupt the same recurring painful patterns and why nothing ever seems to get resolved. - Five specific tips to give your marriage any hope of feeling good again that you can implement in your marriage starting today. - How to know if hope actually exists for your struggling marriage or if it is beyond recovery. - The very first thing you should do if and when you realize the marriage is over. - You have to choose between "happiness" and staying together, right?Wrong! How to pave the path to happiness inside your marriage if that's what you want. And so much more... This Approach Doesn't Require Your Partner To Participate I set out to develop a process that an individual can use to clearly determine if they should recommit to the relationship or lay the foundation to lovingly leave.
