QuickBooks for Churches and Other Religious Organizations SIU Press
Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, *The Accountant Beside You*, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides

new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. *QuickBooks for Churches* covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of

experience as well as those just starting out. Let *The Accountant Beside You* take one more worry off your crowded to-do list.

The learning of English – there are a lot of good books on this subject already. So why do I want to write another one? It all started when I was invited to write a weekly blog for Special Broadcasting Service (SBS) – a statutory national broadcaster in Australia, and later provide a talk segment. When I delved into the subject I began to realise the complexity of the task. I could start from the most basic, such as verb, subject, noun... like all the good books do. However, one obstacle facing the learner is that all the basic elements are interrelated, so knowledge in the others is often a prerequisite to probing into any. A child born into his/her native language would experience all the basic elements holistically, and

not sequentially. This opportunity is not available to learners of a new language. It soon dawned on me that to overcome the above, we need to firstly explain how the English speaking world has put its sentence together, before presenting the various elements that fit into it. This book begins with a conceptual understanding of the English sentence, before commencing with basic grammar, then proceeds to language skills and common faults. As well, a lot of cross-referencing are employed so that the readers know where to access the related elements. A chapter on letter writing is also included. My excitement in writing this book goes further than just explaining grammar usage. I want to share the beauty and efficacy of the English sentence, such as one by Nelson Mandela, former president of South Africa (2-02H in book): We dedicate this day to all the heroes and heroines in this country and the rest of the world who sacrificed in many ways and surrendered their lives so that we could be free. And to those who already have a good command of the language, I trust this book

can serve as a handy reference. Francis *Ebony* Xlibris Corporation Best Life magazine empowers men to continually improve their physical, emotional and financial well-being to better enjoy the most rewarding years of their life.

Lifetime Encyclopedia of Letters John Wiley & Sons New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The Sample Case Oswaal
Books

From the creator of the
popular website Ask a
Manager and New York's
work-advice columnist
comes a witty, practical
guide to 200 difficult
professional
conversations—featuring
all-new advice! There's a
reason Alison Green has
been called "the Dear
Abby of the work world."
Ten years as a workplace-
advice columnist have
taught her that people
avoid awkward
conversations in the office
because they simply don't
know what to say.
Thankfully, Green
does—and in this
incredibly helpful book,
she tackles the tough
discussions you may need
to have during your
career. You'll learn what

to say when • coworkers
push their work on
you—then take credit for
it • you accidentally trash-
talk someone in an email
then hit "reply all" •
you're being
micromanaged—or not
being managed at all •
you catch a colleague in a
lie • your boss seems
unhappy with your work •
your cubemate's loud
speakerphone is making
you homicidal • you got
drunk at the holiday party
Praise for Ask a Manager
"A must-read for anyone
who works . . . [Alison
Green's] advice boils
down to the idea that you
should be professional
(even when others are
not) and that
communicating in a
straightforward manner
with candor and kindness
will get you far, no matter
where you
work."—Booklist (starred
review) "The author's
friendly, warm, no-
nonsense writing is a
pleasure to read, and her
advice can be widely
applied to relationships in
all areas of readers' lives.
Ideal for anyone new to
the job market or new to
management, or anyone
hoping to improve their
work
experience."—Library
Journal (starred review) "I
am a huge fan of Alison
Green's Ask a Manager

column. This book is even
better. It teaches us how
to deal with many of the
most vexing big and little
problems in our
workplaces—and to do so
with grace, confidence,
and a sense of
humor."—Robert Sutton,
Stanford professor and
author of *The No Asshole
Rule* and *The Asshole
Survival Guide* "Ask a
Manager is the ultimate
playbook for navigating
the traditional workforce
in a diplomatic but firm
way."—Erin Lowry, author
of *Broke Millennial: Stop
Scraping By and Get Your
Financial Life Together*
