Flanders Bradt Travel Guides

Most people think they have Flanders - the Dutch-speaking northern half of Belgium - figured out: beer, chocolate and the EU are the standard tag lines. However, dig beneath the surface and you will discover a region of quirk and style. Author Emma Thomson introduces travellers not only to the World Heritage Sites of Brussels' Grand Place or Bruges' romantic canals but also to snug spots, like the bewitched village of Laarne and Geraardsbergen, the real home of Manneken-Pis. Flanders provides something for everyone: the city-break or business tourist seeking restaurants and shopping; the wildlife and outdoor enthusiast after bird-watching and rural walks; the traveller wishing to seek out towns, villages and countryside off the beaten track; and the visitor in search of luxury and pampering. Dress up and join the merry madness of Aalst Carnival, spend the night in a traditional begijnhof, or simply people-watch over a bowl of mosselen-friet in Bruges' medieval town square. Entertaining and instructing in equal measure, Bradt's Flanders is the first guidebook to cover the entire region in depth. Join Emma Thomson on a journey along romantic canals, through bewitched villages and to bohemian cafés in this beguiling corner of Europe.

"A superb 'time out' kind of guide to the cafés, restaurants, bistros etc. . . . Essential reading for visitors to the city, brilliantly presented." —Books Monthly Paris may have enjoyed decades as the undisputed gastronomic capital of the world, but food revolutions in the likes of London and Copenhagen have challenged its reign in recent years. After a spell of complacency, Parisian chefs have had to up their game, with delicious results. This guide will show you where to sample the best of the French classics, from cozy bistros to swish brasseries, as well as where to check out the more recent innovations in the Parisian food scene: everything from high quality street food with a French twist, to newly-popular vegetarian restaurants, juice bars and locally brewed craft beers. The guide will also offer practical advice for making the most of your Parisian food experience like a local. "This book is an absolute delight to read. For those about to visit Paris, may I suggest that you pack a copy of this book in your luggage. The best 'foodie' book I have read in ages!" —For the Love of Books "With helpful tips about typical French mealtimes, tipping and etiquette, readers will be confident in choosing a place to eat that fits their expectations and their budget." —Cayocosta 72 "The first food book I ever read cover to cover in one day . . . Her descriptions are engagingly written and personal . . . easy, smooth and tempting reading." —Colleen's Paris

New from Bradt is the thoroughly updated second edition of *The Vendée*, the only English-language guidebook to focus on this part of Pays de la Loire. Also covered in this guide to an increasingly popular French region are Nantes, Pornic, La Rochelle and the Île de Ré. Written by Angela Bird, who for almost 50 years has owned a home in the region, and award-winning travel writer Murray Stewart, and updated by adventurer Ed Cooper, Bradt's guidebook offers comprehensive coverage of a beguiling area, detailing everything from family holidays to walks, cycling, local cuisine and history. The Vendée offers all the benefits of a destination that is well established with both French and British visitors, with easy access and short drive times via UK ferries adding to its appeal. Popular with campers and self-caterers, the Vendée's sunny climate and 140 km of sandy beaches, plus its tree-lined canals and open marshland, make for a diverse outdoor playground. Bradt's *The Vendée* includes suggestions for walks and the best places for birdwatching. This goes hand in hand with a new regional policy of promoting recreation premised on nature and wellbeing. Thanks to the authors' rich personal history with the area, the guide also reveals the quirks and themes which give the Vendée its own distinct character, as well as straying just beyond the area's boundaries to incorporate La Rochelle and Nantes, both entry points for those arriving by air and both offering urban distractions for the occasional rainy day. Although the region has no true cities, or even large towns, the guide includes details of the many local museums which provide easily accessible insights into the bloody history of an area which has, at times, been central to the evolution of modern-day France. New elements in this edition of Bradt's *The Vendée* include expanded coverage of France's most dazzling son-et-lumière show and new restaurant listings that reflect the region's growing reputation for wine and Michelin-starred eateries, as well as its long history as a paradise for seafood-lovers.

"[This] lighthearted visual tour of the City of Lights highlights the various bookstores, libraries, and cafes infused with a rich literary history." —Fine Books & Collections An essential addition to the library of every booklover and Francophile, this unique love letter to Paris offers an immersive photographic stroll through its literary delights, from historic bookstores to hidden cafes. Paris in Color author Nichole Robertson turns her lens onto spots both legendary and little-known, highlighting quiet moments that every booklover savors—inviting cafe scenes, comfy chairs, enticing book nooks—and the weathered charm of places steeped in centuries of literary history. Quotes by great writers such as Balzac and Colette are interspersed throughout, while a timeline and an index of featured locations round out the volume. This bijou treasure of a book will inspire every creative soul who dreams of following in the footsteps of their literary heroes. Praise for Nichole Robertson's Paris in Love "A beautiful ode that will leave you pining for Paris." —Lindsey Tramuta, author of *The New Paris* "That magic feeling you get when you are falling in love with a person or place—in this case Paris!—is encapsulated in this stunning gem of a book." —Samantha Hahn, author of *Well-Read Women* "We're smitten by Nichole Robertson's Paris in Love, which celebrates all things Parisian—especially crimson things, from raspberry tarts to scarlet mopeds, rosy begonias and glossy, berry-hued cafe chairs—in glorious photographs." —San Jose Mercury News

Europe Springer Nature

Geography is a discipline with a profound interdisciplinary character focusing on studying the complex interactions between nature and society. Geography can advance the level of knowledge and awareness and provide important contributions to support the achievement of Sustainable Development Goals. This book explores some of these issues, while also disseminating and

supporting the efforts of geographers worldwide to promote the implementation of the SDGs. It offers local and global perspectives to a variety of topics covered by the SDGs, such as: How do different actors such as universities, companies and education actors respond to Sustainable Development Goals, especially during the complex context of the COVID pandemic? What is the role of novel spatial technologies and open/big data in achieving SDGs and how can Geography assist? How are new eco-social challenges positioned in a post-pandemic global change? What are novel educational contexts and resources that can be used to transform society toward sustainability of socioecological systems? What conceptual frameworks and strategies can contribute to the construction of societies based on human welfare and the care of nature? This book is focused on

innovative sustainability-oriented geographical research on the above (and more) topics that explore the diverse social, environmental, economic and cultural contexts at various spatial scales. It also includes chapters that report on geographical education initiatives in schools and universities, the implication of geographers in community-based learning and increasing community's awareness in terms of environment, climate change and sustainable development as well as chapters that make use of geospatial technologies (e.g., remote sensing, GIS, etc.) both in geographical research and education for sustainable development are particularly relevant for the book. *New York Theatre Critics' Reviews* Apa Publications (UK) Limited The Upclose series offers insights into local culture and history as well as critical reviews of the best restaurants and accommodation.
