Review "With a bolt of lightning on my kicks . . . The court is SIZZLING. My sweat is DRIZZLING. Stop all that quivering. Cuz tonight I'm delivering, " announces dread-locked, 12-year old Josh Bell. He and his twin brother Jordan are awesome on the court. But Josh has more than basketball in his blood, he's got mad beats, too, that tell his family's story in verse, in this fast and furious middle grade novel of family and brotherhood from Kwame Alexander. Josh

and Jordan must come to grips with growing up on and off the court to realize breaking the rules comes at a terrible price, as their story's heart-stopping climax proves a game-changer for the entire family.

Sachin and Azhar at Cape Town is the story of an incredible partnership between Tendulkar and Azharuddin in the Newlands Test of 1997. Replying to 529, India slumped to 58/5 against Donald, Pollock, McMillan and Klusener. What followed was an exhilarating counter-attack from both ends, seldom seen in Test cricket. With Nelson Mandela watching on - he met the players during lunch that day - the pair added a magical 222 in 40 overs, treating the lethal bowling attack with disdain. Arunabha Sengupta and Abhishek Mukherjee relive the partnership, recounting and analysing every stroke, but as they do, they also bring to life the cricket, history and society of the two countries. Covering a multitude of topics as diverse as apartheid, Mandela and Gandhi, Indians in South Africa; cricket isolation and non-white cricket in South Africa, rebel tours; the television revolution and commercialisation of cricket; with other historical details and numerical analysis of the game supporting the text, this is a fascinating snapshot of cricket at that time through the prism of that impressive sixth-wicket stand.

The definitive work on the language of baseball—one of the “Five Best Baseball Books” (Wall Street Journal). Hailed as “a staggering piece of scholarship” (Wall Street Journal) and “an indispensable guide to the language of baseball” (San Diego Union-Tribune), The Dickson Baseball Dictionary has become an invaluable resource for those who love the game. Drawing on dozens of nineteenth- and early twentieth-century periodicals, as well as contemporary sources, Dickson’s brilliant, illuminating definitions trace the earliest appearances of terms both well known and obscure. This edition includes more than 10,000 terms with 18,000 individual entries, and more than 250 photos. This “impressively comprehensive” (The Nation) book will delight everyone from the youngest fan to the hard-core aficionado.

Latinos across the United States are redefining identities, pushing boundaries, and awakening politically in powerful and surprising ways. Many—Afrolatino, indigenous, Muslim, queer and

undocumented, living in large cities and small towns—are voices who have been chronically overlooked in how the diverse population of almost sixty million Latinos in the U.S. has been represented. No longer. In this empowering cross-country travelogue, journalist and activist Paola Ramos embarks on a journey to find the communities of people defining the controversial term, “Latinx.” She introduces us to the indigenous Oaxacans who rebuilt the main street in a post-industrial town in upstate New York, the “Las Poderosas” who fight for reproductive rights in Texas, the musicians in Milwaukee whose beats reassure others of their belonging, as well as drag queens, environmental activists, farmworkers, and the migrants detained at our border. Drawing on intensive field research as well as her own personal story, Ramos chronicles how “Latinx” has given rise to a sense of collectivity and solidarity among Latinos unseen in this country for decades. A vital and inspiring work of reportage, *Finding Latinx* calls on all of us to expand our understanding of what it means to be Latino and what it means to be American. The first step towards change, writes

Ramos, is for us to recognize who we are. *The Century* Houghton Mifflin Harcourt  
Published under provisions of the Act of the State Assembly approved April 13, 1899, a record of the Pennsylvania Volunteers who served in the Spanish-American War.
